### **JULY 1995**

# Village Council Contracts Jenni Comfort **Runs For Mayor** For \$31,385 in Road Work

by Pat Henley Terrace Park Council dispatched its business in short order at the July 10 meeting.

The main new business was to approve this year's street improvement program. Since the bid of \$31,385, submitted by Schumacher Dugan Construction, was the lowest of two received, Council passed a resolution to contract with them for surface treatment.

Streets scheduled for work are: Douglas Ave., Elm Ave., Marian La., Myrtle Ave., Robinwood La., Stanton Ave., Terrace Pl., Western Ave., Wrenwood La. and Yale Ave. At the same time Savage Walker and Associates was chosen to prepare the specs, oversee and inspect the work done. Their fee for this is \$3,500.

Planning and Zoning Chair Sally Gilchrist presented the totally revised and amended zoning map of the village. This reflects the many small changes in the boundaries and alterations in zoning districts which have occurred since the last complete re-do in 1971. The Public

According to the results of the

district wide survey, presented to

the Board of Education July 18,

85% of survey responders rated the

the value of the community.

findings of the assessment.

Hearing on this ordinance will be at the September Council meeting.

Gilchrist reported on the June 28 meeting with residents of Elm Court regarding the spring flooding of their properties. She deemed it a "good meeting". No definite answers were provided, but another meeting was set for July 19.

After polling Council members, Council member Julie Rugh proposed a .5 mil assessment for tree work for 1996. This resolution passed unanimously.

In his report to the Council, Police Chief Bob Bacon detailed the "fun" some of the vounger members of the community are engaging in this summer. It includes stealing from the Dairy Mart, breaking into the swim club, ringing doorbells late at night, abusing the gazebo, and taking bikes. The Chief is hopeful that the Juvenile Referee program, which begins Aug. 1 will have a positive effect on the troublemakers. Tom Gould of Yale Ave. is the referee

Jenni Comfort filed her petition July 17 with the Hamilton County Board of Elections to be on the November ballot as a candidate for Mayor of Terrace Park. Comfort answered Mayor Randy Casteel's ad in last month's Village Views seeking a "candidate to run for Mayor of a nice Village." Casteel announced he would not seek reelection because of increasing business and family responsibilities. He has been Mayor for four years and previously served six years on Council.

Francine Glassmeyer, who was appointed May 1, 1993 to serve out Janet Popelka's term, said she will run for election as Clerk. Sally Gilchrist and Julie Rugh, who are Council members whose terms expire this year, have not yet decided if they will run again. Rugh said, "Chances are probably that I will run again. I have enjoyed my time on Council. Four years is a long time, however, and my youngest child is seven years old. " At press time Gilchrist had not decided if she will run again.

When asked why she was seeking election, Jenni Comfort said, "I believe that I have the background, time and willingness to serve as Mayor of Terrace Park. I am an attorney, a member of the Ohio and Cincinnati Bar Associations. I have served on the Vestry of St. Thomas Church, the Board of Trustees of Joy Outdoor Education and the Board of Trustees for the Christian drama group, Friends of the Groom. As for time, since my practice is in my home and I have no children, I've got the flexibility and quantity of time necessary to do the job. I also believe when people can, they should serve their community .'

Comfort earned her J.D. degree at the University of Georgia and an MBA at Duke University. She resides with her husband, George Comfort, at 729 Miami Ave.

Both Marie Huenefeld and Leonard Weakley, Jr. are seeking reelection to the Mariemont City Board of Education.

The deadline for filing is Aug. 24 at 4 p.m. Petitions are obtained from the Hamilton County Board of

# 7th & 8th Graders Move To Dale Park Aug. of '96

Mariemont School Board mem- for administrators, fitting adminisbers discussed at their July 19 meeting the renovation of Dale Park to accommodate junior high classes of seventh and eighth graders beginning Aug., 1996.

Learning the district wide survey clearly indicated there was a lot of support to get the junior high students out of the high school, Superintendent Gerry Harris established a committee of parents and staff to look at the best option for the seventh and eighth grades. The committee, with 11 people representing the communities, met in June. They recommended establishing Mariemont Junior High in Dale Park for seventh and eighth grade and retaining K-6 in the neighborhood schools.

The estimated cost of Dale Park renovation is \$300,000 or \$385,000 with air conditioning. There are no monies in the current budget for the renovation. Board member Dave Moreton said it was no secret that the Board would be going to the taxpayers on the November ballot. The question of how much has yet to be determined.

Several of the three dozen residents attending the meeting to hear the district survey results, suggested the board consider a capital improvement fund or bond. The high school was paid off two years ago. Harris said we should present all the things we think need to be done and determine the amount of funding. Formal action on the plan was delayed until the August board meeting.

Also tabled until the August meeting is the recommendation to increase non-certified salaries by 3%, principal salaries by 2% and assistant principal salaries by 1 1/ 2%. Board members Connie Wilson and Dave Moreton said they would come back with a salary schedule

# MHS Honor Society Tapped TP Students

trators into salary ranges. The goal is to keep Mariemont administrators in the top one third of the neighboring school districts. Harris noted, however, the assistant principals are now at the very top compared to neighboring districts. Wilson said we should try to keep them in a range we developed based on what other school districts pay. She said they have researched the issue with local districts and she and Harris recently attended a seminar on salaries and benefits in Columbus

Wilson said they have decided to establish a salary range based on responsibility . She noted for the first time the district is considering breaking the connection between administrators and the teachers., who received a 3% raise this winter.

The Board did adopt a policy for retaining students, whose parents want them moved on to the next grade despite the district's request to repeat the grade.

Effective this school year, the policy states: "Students who fail one or more of the core courses, namely reading, language art and/or math during the last two academic quarters will be considered for retention for the following school year. Students who attend an accredited summer school program in the failed subject(s) will have their placement taken under further review. A team of school personnel, including the classroom teacher, school administrator and other support personnel will determine the appropriateness of this decision.'

Terrace Park Elementary Principal Jerry Sasson told the Board, the decision to retain a student is most often made with the parent's approval. However, there may be

### **Mark Your Calendars TPRC for Labor Dav**

Mark your calendars with TPRC for Labor Day weekend. The Recreation Committee's annual fund raising festival will be held on the Village Green on Labor Day. Those willing to volunteer time, talents or treasure should contact Labor Day Commissioner Scott Rosson (831-5259). The Garage Sale will be held at the Log Cabin Sat., Sept. 2 from 9 a.m. to 3 p.m. Save your donations to be dropped off at the Log Cabin Fri., Sept. 1 from 10 a.m. to 6 p.m. Garage Sale questions go to managers David and Marcia Moyer (831-4322).

Ten Terrace Park students were tapped for membership in spring ceremonies at Mariemont High School. New members include, from left Kelsey Shaner, Melissa Donnelly, Allison **Bullock and Poe Heilbronner. New members not pictured** include Ayars Borden, Jennifer Powell, Andrew Maddux, Lydia Davis and Laua Nisonger and Parker Eberhard.

# **Stanton Field Play Irritates Neighbors**

After meeting with neighbors of Stanton Field and representatives of the Terrace Park Recreation Committee, Mariemont School District Superintendent Gerry Harris said the district will assess the field for anything it needs and he will make a recommendation to the Board of Education at its August 15 meeting.

Terrace Park resident and neighbor of Stanton Field, John Diehl attended the July 11 meeting. He said Dr. Harris told the residents he would "recommend to the Board at the August meeting they eliminate the select teams, but possibly let them practice on a casual basis." Diehl noted, "T he main thing is the select teams just got out of hand and they realized that."

Earlier this spring Gretchen McGoff of 900 Elm presented the Board of Education with petitions signed by close to 40 residents of Terrace Park. She told the Board that life in their once safe neighborhood was being threatened by the overuse of this facility. The petitioners were concerned about the dangerous situations the neighborhood was having to endure. She noted the children simply were not safe anymore with the new influx of cars and congestion.

Major complaints cited in the petition included:

\*Players and children coming into yards, flower gardens and fenced in area to retrieve their balls.

\*Grilled food, candy and pop are being sold on the side of the field.

\*Due to the lack of bathroom facilities people are using the bushes.

\*Two very young children coming to watch a game were almost hit by cars.

Dr. Harris said use of Stanton Field "started three years ago with just one team. Now, there are three

### Letters to the Editor

### In Memory

Terrace Park lost a very special man last week. Larry Lyon's untimely death has devastated his family, former students, the swimming world, and all who knew him, both locally and nationally. Larry's years of molding the character of thousands of young people was such a gift. Our sadness is that so many in the future will miss his nurturing. To the Lyons family, thank you for sharing this wonderful man.

Vivian and Neil Krueger

### In Appreciation

Our heartfelt thanks to all of our neighbors and friends who so generously gave of their time, talent and prayers during Jeff's long illness. Over the past six months we have been the recipients of countless acts of kindness, delicious meals and abundant prayers. We thank each and every one of you. It was all greatly appreciated. That sense of community is what makes Terrace Park such a wonderful place to live.

After meeting with neighbors select teams and tournaments. They tanton Field and representation of the Terrace Park Recreation until this year."

Diehl reported the members of the Recreation Committee "brought up the fact that Drackett Field could be available, but select teams would not like to pay the fee."

In March the Recreation Committee adopted a policy regarding non-Terrace Park teams playing on TPRC fields, which included:

\* A \$500 fee per team/season. \$250 can be rebated for 20 hours of service (field work).

\*Team must be approved by a three person panel including president, vice president and commissioner of the sport involved.

\*Must have a Terrace Park resident on team/coach with a resident adult willing to be responsible to maintain the condition of the field.

\*Teams(s)/coach(es) abide by the spirit of TPRC guidelines.

\*Policy to serve as income producing activity, not as endorsement of select teams.

\*TPRC not liable for physical injury/waiver.

\*TPRC teams have first priority at all times.

\*Fifth grade and below teams are not eligible under this policy. \*No refunds.

David Moyer, Vice President of TPRC, attended the meeting with Dr. Harris. Moyer said the policy regarding outside teams would be revisited at TPRC's August meeting.

At the July 18 meeting of the Board of Education, Dr. Harris reviewed his meeting with the Terrace Park residents. He said he would delay making his recommendation to the Board until the August meeting. He said, "I've gotten phone calls from people with strong feelings about select teams and I want them to have an opportunity to address the Board."

Dr. Harris noted the Stanton Field was purchased in two parcels for the Terrace Park Village School District and its successors. There are no restrictions in the deeds for use of the property. He said the first parcel was purchased Feb. 12, 1932 from Lewis Gatch for \$6,000. The second parcel was purchased Mar. 3, 1932 for \$6,000. from Anna Louisa Baldwin, an unmarried woman, according to the deed. The legal description noted the east side of Elm, north side of Lincoln, in the subdivision of Round Bottom Farm from the estate of Thomas R. Biggs.

# **Commentary**

Medals of Commendation for Community Service should go to: \*George Kipp and Sally Gilchrist for their search for solutions to the storm water problems in the village. \*The residents who suffered the rising waters in the recent storms and have been able to maintain their patience while solutions are sought.

# Assessment Team Recommendations

1.Develop Community In-School Volunteer Program to supplement district resources.

2. Develop comprehensive, ongoing Maintenance and Building Improvement Program.

3.Develop a Technology FiveYear Master Plan.4.Develop a more consistent

policy and approach to application of discipline.

5.Enhance Community Communication Program.

6.Pursue creation of junior high. 7.Update district Long Range Plan.

8.Commission a group to review student responses and improve areas of highest dissatisfaction.

### Survey

The more than three dozen parents reviewing the survey results at the Board meeting appreciated being included in the process, which cost the district \$15,500. Board member Marie Huenefeld pointed out the cost would have been significantly greater had time and talents not been volunteered on behalf of the district.

There were few significant differences between responses from individual neighborhood residents. Survey participation rates were: Columbia Township, 6%; Fairfax, 14%: Mariemont 33%; Terrace Park, 28%; and Other, 19%. Time of residence in district for respondents was: less than 1 year, 6%; 1-4 years, 17%; 5-9 years, 20%; 10-19 years, 22%; 20 years +, 21%; no response, 14%. Number of students in Mariemont Schools were: none, 46%, one, 24%; two, 21%; three, 7 %, four o more, 1%; no response, 1%. Age range of respondents: 15-24 years, 1 %; 25 - 39 years, 34%; 40-54 years, 42%; 55 and over, 19% and no response, 4%.

A total of 3,488 surveys were mailed to households and 25% of those were returned. High school students were given 277 surveys and employees were given 126 surveys. The total survey return rate was 32%. The results listed above did not include the results of the student surveys.

## Student Dissatisfaction

Students returning the survey were most dissatisfied with the building conditions; 54% compared with 40% of non-students. The greatest disparity in dissatisfaction, however, was in the response to discipline problems. While 46% of the students had a problem with this category only 16% of the non-students did.

Another major concern for students is the sex education program with a dissatisfaction rate of 41% compared to the non-student rate of 13%. Only 10% of the non-students were dissatisfied with the substance abuse prevention while 39% of the students voiced dissatisfaction.

### In Gratitude

Our thanks to all of our friends and neighbors who signed our petition protesting the early release of the individual who was involved in the murder of our son, Greg. Parole was denied and he will not be eligible for another hearing for four more years. The more than 400 signatures submitted to the Parole Board had a significant impact. Thank you very much. \*The volunteer fire department, who so heroically served the flooded residents, pumping basements and turning off gas lines.

\*Francine Glassmeyer for recording the words, some spoken in frustration but most with patience, at the town meetings June 28 and July 19. \*The Village Maintenance Department for dredging the channel and clearing away earth to help alleviate the problem of the 54 inch drainage pipe at the Elm underpass. Attending the first "water" town meeting, I was awed by the civility of the proceedings. The goal of the meeting was to maintain a dialogue and seek solutions to the problem. Could this civilized and productive atmosphere stem form the fact that in the end, we are just neighbors working with neighbors? Ricki Schmidt

(The August Village Views will have a special section devoted to the water problems in Terrace Park)

### School Board

In other action the Board hired: \* Annette Engle to teach sixth grade at Terrace Park Elementary. She has six years of teaching experience and currently teaches in Lakota.

# Summer Fun Concludes Successful Session

Christine Weidhaas demonstrates leather making.

Both participants and organizers concluded this year's Summer Fun was a success despite its near demise earlier this spring. Terrace Park Recreation Committee funded the program with \$1,500 and donations of \$800 from village Council and \$400 from the PTA.

The four week program, which ended July 14 included outdoor activities organized by Julie Smith and indoor crafts and games managed by Kathy Swart and Christine Weidhaas. Recent Mariemont High School graduate Julie Porter was employed to run the crafts with the aid of high school volunteer Dixie Peeples. Parents also volunteered their time in the daily activities as well as the field trip to Sun Rock Farm in Kentucky.

The 44 children who visited the farm enjoyed milking goats, collecting eggs and seeing baby pigs, chicks and peacocks. Although the daily attendance average 25, more than 40 kids participated on several days. The Sharon Woods field trip was cancelled due to the heat wave.

Since students were escorted to the rest rooms and stayed for the whole day's program, the discipline problems experienced last year were eliminated.

The organizers agreed parent turn-out was great and they are all considering doing Summer Fun again next year.

Kathy Swart demonstrates a leather craft for parent volunteer Glenn Lindahl and Summer Fun participants.

Julie Smith holds the youngest "regular" at Summer Fun, three month old Blake. She commended daughter Julianne and Ashley Sita and Chelsea Robinson for their aid in caring for young Blake.

Leather billfolds were a popular craft at Summer Fun.

Basketball was a favorite despite temperatures in the 90's.

It's all smiles under the sprinkler!

Although it may look like a snake, the watering hose was a life saver some afternoons.

Julie Porter supervised the ever-popular bead crafts.

Sometimes a little meditation helps your game.

Sarah Kipp found a friend in high school volunteer Dixie Peeples. It's hard to distinguish the players from the kibitzers.

Leigh Ann Kranz participated in Summer Fun ten years ago and returned this summer to help make dream catchers.

# **Christ Hospital Appreciates TP Couple's** Volunteer Work

Health care was a chosen field for both Howard and Emily Robbins, now it is a chosen volunteer field. As volunteers at The Christ Hospital, both continue to serve health care, whether it is Mr. Robbins assisting the staff in the Cardiac Recovery Room or Mr.s Robbins giving directions to a visitor at the Information Desk.

The Terrace Park residents were recently recognized for their commitment to the hospital at an awards ceremony. Mrs. Robbins was honored for her 4,000 hours of service and Mr. Robbins was for his 1.000 hours.

A volunteer for the past nine years, Mrs. Robbins is retired from the Cincinnati Diabetes Association, where she was the director for 12 years. Mrs. Robbins also serves as the editor of the Auxilian, The Christ Hospital Auxiliary newsletter.

"Emily is probably the biggest advocate of The Christ Hospital you will find," says Mr. Robbins about his wife's commitment.

Mr. Robbins, a volunteer for the past three years, retired from Beechwood Home, where he served as administrator. In addition, Mr. Robbins is an active Shriner, and volunteers with the Radio Reading Service, where he reads for blind people.

When asked what they like most about volunteering, they both say they "enjoy learning about health care and being part of such a fine institution."

"It's a learning experience that you could not get any place else," agree Mr. and Mrs. Robbins.

# Scholl Graduates Magna Cum Laude

Jacob Scholl, son of Larry and Marlene Scholl, 1 Elmwood Drive, graduated magna cum laude from Yale University in May. Scholl earned distinction in the political science major and was elected to Phi Beta Kappa. He will attend Harvard Law School in the fall.

# Shundich Wins Writing Award

# **TP Newcomers Rally**

Wright, Thomas

Zumsteg, F.

301 Wanoka St

109 Michigan Dr

Terrace Park's Newcomers Group took to the highways last month for their "Ribs, Rally, Rock 'n Roll" extravaganza. The evening began at the Sycamore Gun Club as sports cars, classic convertibles and vans lined up for the start. Participants followed clues for points along a 34 mile course that took them over bridges and into a few local landmarks.

Coming in first, with a burst of enthusiasm and souvenirs, was car #3, with Gail and Matt Nickum, Carol and Gary Machles and Scott and Nancy Santi.

The committee spouse van took second place, thanks to Debbie Kokoruda, their designated leader.

With banner waving proudly from the antenna, Steve and Debbie Fletcher, Jeff and Marilynne Chapman and David and Janet Ried took a close third.

Having worked up an appetite and a thirst, the group returned to the gun club for a barbecue dinner and music.

If you're interested in joining the Newcomers Group, please contact Erin Rosson 831-5259. Old timers are also welcome.

### Dana Roberts

### **Village Students Honored** At MHS Recognition Day

Terrace Park students were among those honored at Mariemont High School's Recognition Day May 22

President's Awards for Educational Excellence went to Jody Ader, Ayars Borden, Chris Dahlmeier, Erick Koehler, Les Mitchell, Julie Porter, Jennifer Powell and Frank Rinaldi.

Receiving the Award of Merit from the State Department of Education were: Jody Ader, Ayars Borden, David Bowers, Chris Dahlmeier, Erick Koehler, Erin McCoy, Les Mitchell, Jennifer Powell and Frank Rinaldi.

Department Awards included: Outstanding Senior English Award: Frank Rinaldi

National Council of Supervisors of Mathematics Awards: Chris Dahlmeier

Outstanding Earth Science Student: Dan Startsman

Outstanding Chemistry Student: Frank Rinaldi

Spanish III Award: Heather Bollinger

Spanish IV Award: Les Mitchell Spanish V Award: Michelle Armstrong and Ben Treftz

National Latin Exam Award Recipients included: Latin IV Cum Laude, Antoni Gambetta and Stephanie Smith; Latin III Magna Cum Laude, Ben Ross; Latin II Maxima Cum Laude, Laura Nisonger; Latin I Maxima Cum Laude, Phillip Schneider and Marc Sebens and Latin I Cum Laude, Shannon Callaghan. Steve Shundich, son of Nick and Rosell Shundich of Harvard Ave., was presented the Geyer-McAllister Award by the Medill School of Journalism of Northwestern University for writing the year's best specialized magazine article. The award also included \$1,000.

A 1981 graduate of Mariemont High School, Shundich attended William and Mary and graduated from Indiana University in 1985. His journalism career, which began in Grady Randolph and Jared 1985 in Alaska, has included a stint at the Washington Post and included extensive travel in South America. A free-lance writer and newspaper reporter for the last five year, Shundich has taken a sabbatical to enter the school of journalism at Northwestern. He is currently an intern with Tom Weinberg's TV production organization in Chicago.

### **TP Students Named** To CCDS Honor Roll

Ten Terrace Park students were named to the Honor Roll for the 1994-95 school year at Cincinnati Country Day School.

Those honored include:

\* Eighth graders, David Lowry, Charles Wilson, Adam Parrish and Matthew Buban

Seventh graders, Laura Willis, Wachterman.

\*Sixth graders, Ted Wilson, Whit Hesser, and Emily Colston

### Fire Hydrants Tested

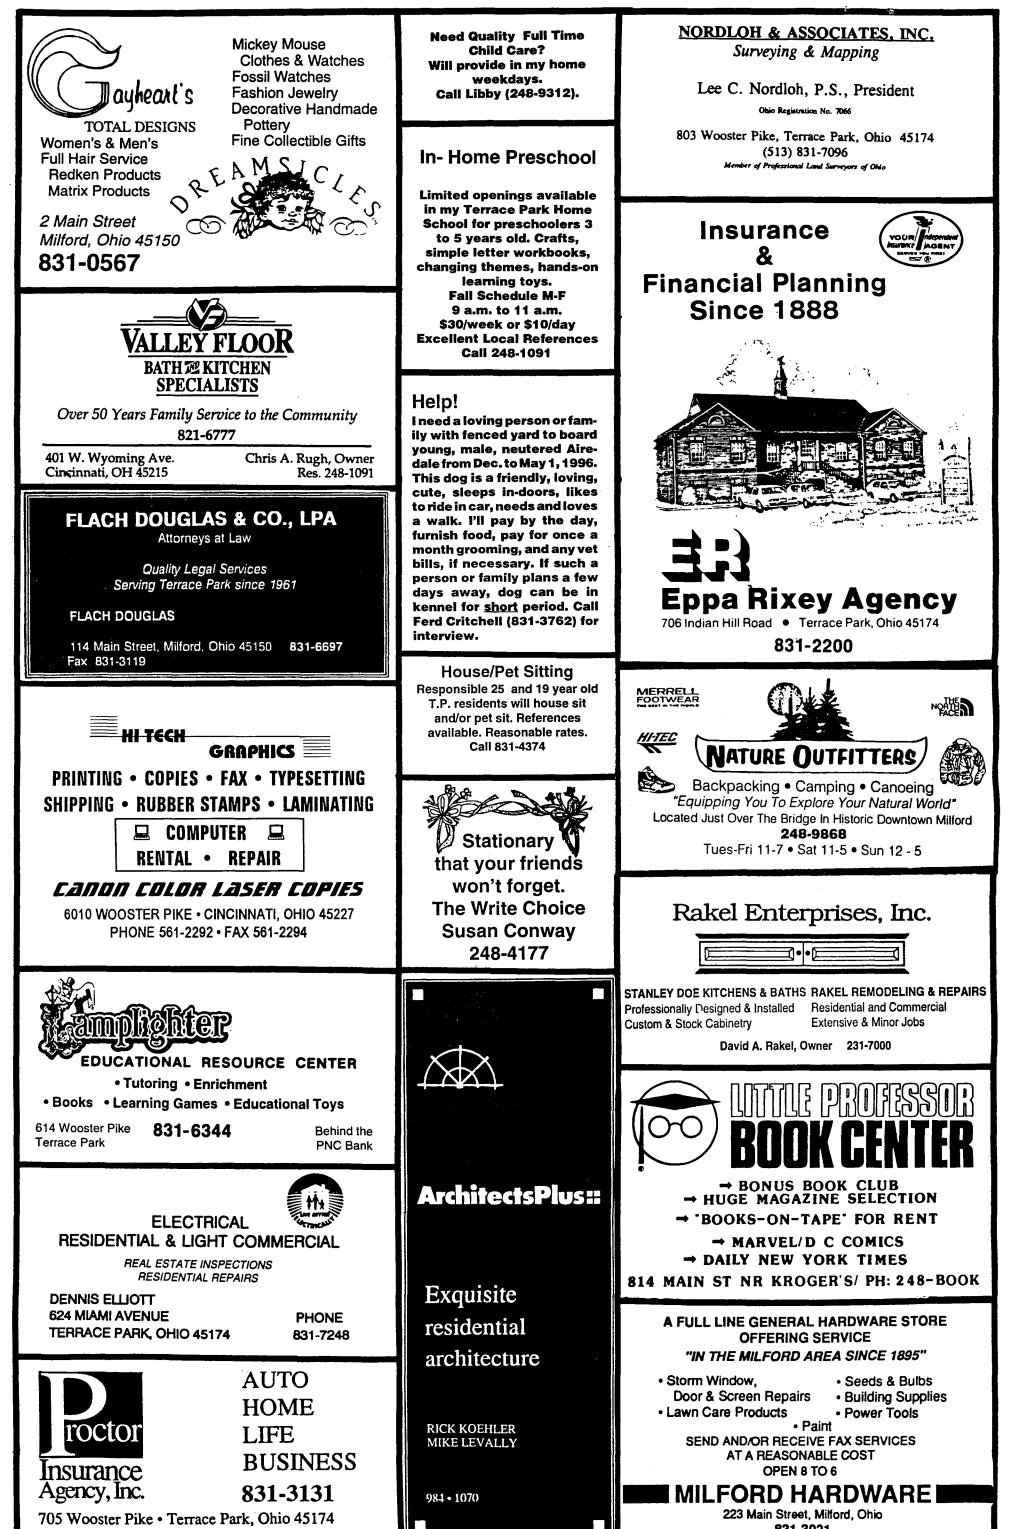

The volunteer fire fighters continue to test the fire hydrants in Terrace Park. Testing will mainly be on weekdays, but not during the evening hours. If you see brown water, simply let the cold water tap run until the water is clear.

#### Karen Martin Awarded Ashland's Golden Apple

Karen Martin, of 1430 Elm La., is among 293 Ohio teachers awarded the 1995 Golden Apple Achiever Award for excellence in teaching by Ashland, Inc. More than 8,000 teachers were nominated this year from a four state region and 1,192 applications were reviewed by judges. Those honored were chosen for their expressed teaching methods, philosophies and clear concern for the individual student's needs.

Martin just completed her first year teaching third grade at Indian Hill Elementary School. While teaching third grade in Northern Kentucky, Martin was honored by both The Post and the City of Cincinnati for Greater Cincinnati recognition of her teaching efforts.
