

Former Resident To Appear on Jeopardy!

A former Terrace Park resident and MHS Alum Ryan Wenstrup-Moore will appear as a contestant on an upcoming episode of the Emmy award winning game show Jeopardy! with host Alex Trebek. Ryan had an in person interview with producers in September 2018 and was afterward selected to appear as a contestant on the show. She flew to L.A. just before Thanksgiving 2019 to tape the episode.

Ryan is the Associate Director of Social Media at gyro and lives with her family in Hyde Park. She grew up on Wrenwood Lane and graduated with the Mariemont High School class of 1998 before graduating from The University of Cincinnati and later earning her

masters degree from the University of Strathclyde in Scotland. Ryan was also a contributor to the Village Views during her high school years and covered news at MHS for the paper. She is the sister of Terrace Park resident and contributing Views photographer, Alison Fopeano, so in a way, she is where she is today because of The Village Views. Or at least that is what we tell ourselves.

The game show, created by Merv Griffin in 1964 is formatted as quiz competition where three contestants are presented with clues in form of answers and must phrase their response in the form of a question. Ryan's episode will air Wednesday, January 29 on Fox19.

Dear Neighbors,

Happy Valentine's Day from your favorite neighborhood paper! If the village was quiet in January we are making up for it in February. It's time to start thinking about the plant sale, FAB Affair, and spring sports. We have TP alums out in the world publishing poetry, appearing on Jeopardy and two of your neighbors just bought a great new business that you are going to want to check out. It's all in this issue of the Village Views! We also have updates on the Garden Club, the Historical Society and other wonderful volunteer organizations that help make Terrace Park such a distinctive and charming hamlet. We are also saying goodbye to Len Goorian, a Cincinnati legend and former TP resident who passed away at 100. Len was one of the

most interesting individuals I will ever have the pleasure of knowing. He was friends with four generations of my family from my great grandfather to myself and talking to him was like a walk back through the twentieth century with someone who remembered it well. We are always looking for updates on your children, your dogs, your garden and your neighbors. This is the stuff of small town life and it is the tiny moments and accomplishments that in the end make up our year in this little village by the river. So keep your submissions coming! That's all for now; I have to call The Birch and make Valentine's Day reservations before they are sold out. Until next month I remain,

Your editor,
Steve Early

Local Couple Purchases Tasty New Business

Terrace Park residents Missy and Brian Holliday are proud to announce the beginning of a new adventure as small business owners of Bubba Rub LLC. The BubbaRub cooking seasoning and rub recipe was created by Andy Newman in 2003. He and his wife Becky formed the business in 2014 after an overwhelming demand from family and friends. In 5 short years, they created a strong fan base and grew the business from a presence in small craft shows to larger craft shows, and finally, to multiple stores in the local area.

In 2018, Andy and Becky were introduced to Missy and Brian through family friends who had "fallen in love" with the BubbaRub brand. Since then, BubbaRub has become a daily "guilty pleasure" in the Holliday household! In December, 2019, Andy and Becky posted a message on their Facebook page stating that they would be "shutting down" their business and focusing on Becky's health, while working to find a cure for Muscular Dystrophy. "We had such a respect for both of them, the products they had created, and the business they had built. We just couldn't imagine life without BubbaRub. So... we reached out to Andy and Becky, started conversations about our interest in buying their small business, and a few days before Christmas, finalized plans to purchase their small business", Brian said. "It's exciting and terrifying at the same time," Missy added. "We committed to honor Andy and Becky's dream by giving this all we have and by continuing their efforts to share this product with as many

Your neighbors Brian and Missy Holliday with BubbaRub sauce and seasoning.

people as we possibly can."

Bubba Rub is a blend of brown sugar and over 10 spices. It can be used as a marinade or seasoning on anything from chicken, beef, pork, and fish, to asparagus, baked beans, green beans, mac and cheese, mixed vegetables and even popcorn! From crock pot to smoker, and anywhere in between, Bubba Rub will add a unique flavor to any dish. Whether you are a master of your grill or a novice in the kitchen, BubbaRub will help your food taste its very best. All BubbaRub products are free of Gluten and MSG.

You can find BubbaRub on-

line at www.ruburmeat.com and at many local stores across the tristate including Ace Hardware, Lehr's Meats, Holzman Meats, R&R Meats, Humbert's and both Jungle Jim locations. For a full list of stores, please visit our website. Missy and Brian plan to grow the business by increasing online marketing and sales, expanding the number of larger craft show opportunities in the Midwest United States and working to get BubbaRub on the shelves of a national grocery chain.

Mayor Tepe Sworn In For 2nd term

Submitted by Christy Hampton

The January 2020 meeting of the Village of Terrace Park Council was called to order by Mayor Tepe. He began by congratulating council members Pax Lindell and John Gaskey on their recent re-election to council and official swearing ins on January 1, along with Mayor Tepe.

Mayor: Mr. Tepe noted there are a few changes to the council committee chairs: Buildings & Grounds is now chaired by Regina Sharp. Planning & Zoning is now chaired by John Gaskey. Public Safety is now chaired by Lauren Ingebritson.

Police Chief/Village Administrator: Chief Hayhow indicated he is working with Hylant for our liability coverage and the storm water management team from Hamilton County regarding our maintenance area storm water plan and permit compliance. He will soon be identifying the project areas for sidewalk and street repairs in the village. He also noted we had 92 truckloads of leaves picked up this fall, which is slightly down from previous years (due to trees that have been cut down).

EMS Chief: John Maggard reported 9 EMS dispatches since the first of the year. The current EMS-

cruit class has 3 members – thanks to them for their commitment!

Finance: Jeff LeMay presented Resolution 1-1, 2020 authorizing continuing insurance coverage for the Village of Terrace Park under the Ohio government risk management plan and authorizing payment. The amount is less than previous years because of continued risk management programs the village has put in place. The resolution passed. He then reviewed the annual financial report, which shows the village is fiscally sound. If we continue at this spending & revenue stream, we could probably go another 6-8 years without putting a levy on the ballot.

Public Works: Pax Lindell presented Resolution 1-2, 2020 adopting amended article I, III and V rules and regulations for the Hamilton County storm water district (HCSWD). This is a continuation of Terrace Park being a part of the HCSWD, and so we get amendments as HCSWD approves them. The resolution passed.

Public Safety: Lauren Ingebritson presented Resolution 1-3, 2020 authorizing and directing the village administrator to enter into an emergency medical services

contract with the Miami Township board of trustees for paramedic services and declaring an emergency. This is a continuation of a longstanding contract, and the resolution passed. She then presented Resolution 1-4, 2020 appointing Lauren Ingebritson and Jeff LeMay to the volunteer firefighters' dependants fund board. The council members take turns serving on this board, and we hope it's something that we never need in Terrace Park. The resolution passed.

The Mayor gave a brief sewer update to Council. He has heard that the MSD director has received the report from the consultant but has not read it yet. Mayor Tepe will continue to ask MSD for updates and will advise when he does.

With no new business, the Mayor adjourned the meeting.

Police Report

Submitted by Andrea Barter

Police would like to remind residents that dogs must be under the owner's control while at the nature preserve. Per village ordinance, if an owner cannot control their dogs verbally, then the dogs must be kept on a leash. Residents have the right to walk through the

preserve without being accosted or bitten by someone else's animal.
Police investigated a report of a suspicious person in a resident's yard two nights in a row at 2:30am. This is a situation where neighbors with security cameras can prove extremely useful. Please let your neighbors know if you have such resources available.

In Memory: Zeus Ricketts

A fixture on the 700 block of Miami for the last eleven years, Zeus, the black lab passed away peacefully in his sleep on January 13. He will be truly missed by his family and friends (people and dogs). He was such a cool dog and thought he was the king of the neighborhood. He is in doggie heaven chasing squirrels, bunnies and an occasional deer with his friends. RIP Zeus, thank you for 11 years of love. Tom, Suzi, Turp and Sami Ricketts.

Terrace Park Garden Club Has a Deal For You

Submitted by Frances Stafford

The members of The Terrace Park Garden Club are very excited about their annual Plant Sale this year. As in previous years, we are offering the beautiful, well grown Olde Garden Shack plants from Laura's farm in Batesville. Please find the order form in this Village Views. In the new layout of the form, plants are listed in three groups according to packaging. First are 5-inch pots for \$4.25, then flats with 18 plants in 4-inch pots for \$18 and finally, baskets and miscellaneous plants which are priced individually. We hope that you find this layout helpful but if you have any questions or problems, Lucy Maish lucymaish@yahoo.com is available to help you. This is our major fundraiser for the year and we gratefully accept donations. Because Laura has closed her local Olde Garden Shack, we aren't selling certificates this year. We encourage everyone to pre-order their plants on this form. We will be phoning those who have ordered or have bought certificates previously to be sure that no one misses the chance to have all their selections of these colorful flowers in their garden this summer.

.New this year, we are running

a raffle.

WIN A LARGE FLOWER BASKET VALUE \$48

1 Ticket for each \$10s of purchase - 3 Tickets per \$10 Donation

You will receive your tickets on the Green, with your plant order, in May.

All the plants you have loved in previous years are on the form plus some beautiful new offerings. For the first time we are selling herbs. These are organically grown, high quality plants that are often hard to find in spring. Best to order yours now. Also new this year are pink, red and white Baby Angel Wing Begonias and purple Torenia. They are great in containers to brighten shady areas. Marigolds re-

turn this year; golden and hardy in the sun while discouraging rabbits and we have lantanas in 2 heights adding orange in the taller group to the usual mixed berry, yellow and white. The 10-inch patio geraniums that we always sell are the very best deal as one plant fills a large container and blooms profusely though summer and into fall.

Whether you are a novice or an experienced gardener, if you love gardening and meeting other enthusiasts, we cordially invite you to come to a meeting and consider joining our club.

Len Goorian Dead at 100

Former Terrace Park resident and Cincinnati television pioneer Len Goorian died on January 20th at the age of 100. He was born in Brooklyn in 1920 and as an Arthur Murray trained dancer he entertained troops during the War, danced on luxury ocean liners, and eventually parlayed his onstage presence into a career in the pioneer days of television in Cincinnati. Goorian worked with all of the great names from the early days of broadcasting including Ruth Lyons, Paul Dixon, Bob Schreve and Dottie Mack. He was perhaps the last of this generation of Cincinnatians who ushered in the new medium of television. He hosted his own show on WKRC in the late 1960s, interviewing celebrities and politicians

from around the country. Senator Robert F. Kennedy was a guest on Goorian's show shortly before he was assassinated in 1968. "Goorian was one of those TV pioneers who helped make up TV as they went along, and he was still on the air into a new century," said John Kiewetter, longtime local TV-radio critic and historian, first for The Enquirer and now for WVXU. In 1959, Len and his wife Myrrl purchased 907 Elm Avenue and raised their daughters there, making Terrace Park their home for the next twenty five years. Myrrl passed away in 2009. Len Goorian was an extraordinary individual, having witnessed a century of history first hand with a mind sharp enough to recall it all until the end.

Thank-you Coaches!

Fab Affair Returns: A FABulous Night of RetroFun!

Submitted by Kristen Van Scoy

The tenth anniversary FAB Affair will take place Saturday, March 14, at the Cincinnati Music Hall Ballroom. Keeping with the grandiose setting and FAB's 10-year milestone, this year's theme is "Retro Prom." The event features a buffet dinner, live auction, basket raffles, transportation and a DJ spinning retro hits! So dust off your prom dress (ONLY if you're into that sort of thing) and get ready to relive your glory days!

Hosted jointly by the Mariemont School Foundation (MSF), Arts Association (MAA) and Athletic Boosters organizations, the FAB Affair packs three fund raisers into one spectacular night. Funds raised are split

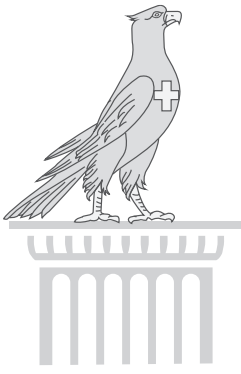

equally between the groups, funding critical school district needs in the areas of education excellence, athletics and arts.

This fun event is a great way to catch up with friends throughout the school community. It has become such a popular way to give back that tickets regularly sell out. Not much of a "going out" person? You can also contribute by purchasing raffle tickets for some amazing packages.

Tickets are on sale now! To reserve your seat and/or purchase raffle tickets, visit FABtix.org. To become involved as an event sponsor, contact the MSF office at info@mariemontschoolfoundation.org.

About FAB Affair: The

Mariemont City Schools "FAB Affair" (Foundation Arts, and Boosters) is an annual fundraising event to support three organizations: the Mariemont School Foundation (MSF), the Mariemont Athletic Boosters, and the Mariemont Arts Association (MAA). The event features dinner and drinks, basket raffles, and a live auction, during which time high-dollar packages are sold. Event planning responsibility rotates between the three benefiting organizations, with MAA overseeing the 2020 event.

Riverside Ghazal

A poem by Henry William Motto
reprinted with permission by Z Publishing House

(Editor's note: This poem was one of two written by former Terrace Park resident Henry Motto selected for publication in Vermont's Best Emerging Poets 2019, an Anthology. He is the son of Todd and Tracey Motto of Floral Avenue and a graduate of Mariemont High School and the University of Vermont. He currently resides in New Hampshire. A ghazal is poem formed by a chain of couplets where each couplet is in itself a complete poem. The form is ancient, traced back to seventh century Arabic poetry.)

Baseball was played in the streets, summer was in full swing.
Hell was a swirling turbulent darkness, carving the riverside.

Baseball gloves of leaves plastered to sunken branches
we build forest fires next to stolen saws along the riverside.

Blue bomb pop runoff burgeoned in Beelzebub's belly button
mud was collected for finger-painting by the riverside.

The police chief sent out an email addressing the fires
the only way to Kentucky crosses the riverside.

Neighborhood gorillas matted mud into their fur
we caught fishing hooks with fishing hooks on the riverside.

Kentucky was where the dead bodies roamed
amongst iron runoff and the rats that got caught in the riverside.

He was hooked by a willow root as he drifted down the river
His back fluttering against the current, against the riverside.

The exposed vertebrae was the underside of summer's snare drum
Brother, why is it so hard to breathe down by the riverside?

TPE Spelling Bee

The annual Terrace Park Spelling Bee was held on Friday, January 10, 2020. We had a variety of participants from grades 4th to 6th and they all were amazing. We also had a big turn out from families. The participants had the courage to stand up to the mic as they spelled the words they were given. There were 25 rounds in all. Everyone that participated was magnificent, and brave enough to stand in front of the crowd.

Each person received a certificate for participating. They also received a certificate for participating. They also received high-fives from their classmates and teachers. Congratulations to our 2020 Spelling Bee winner Marissa Murphy in fourth grade and to her understudy Camdyn Bogle in 5th grade.

Changing of the Guard

One of the most important functions of the Village Views is to keep residents abreast of the latest news from our village council. Their monthly meetings usually dictate the deadline for the paper as we try to keep council minutes on the front page of every issue. In the last thirteen years those council minutes have been brought to you by two wonderful ladies, Vivian Kreuger and Martha Lewis-Rassi. For the last 156 council meetings these two have taken turns attending, taking notes, and turning those notes into the articles you see every month. After so many dedicated years of service to their neighbors, Vivian and Martha have decided to turn the council coverage over to someone else. We at the Village Views thank them both for all of their hard work over the years.

"Vivian asked me if I was interested in splitting the job with her after I moved to Terrace Park in 2008 from Arizona," Martha told the Village Views. "Since I was new to the Village it was a good way to learn about Terrace Park plus I was new and had little to do. Vivian welcomed me with open arms and helped me get involved." Vivian herself had only started the

year before when her son Jeff was the second youngest member of council ever elected at age 27. Both she and Martha have seen a lot of changes over the years. "I think the most exciting thing for me," Vivian said, "was seeing the bike trail become a reality after so many years." There have been lots of topics that dominated village attention since they started including the Anderson Township limestone mine, lots of tree concerns including Emerald ash Borer and Asian Longhorn beetle, and the long awaited installation of a sidewalk on Indian Hill Rd. "Over the years it was a pleasure to work with different mayors and members of council," Vivian said, "all very qualified people."

The Village Views is excited to announce that going forward the council minutes will be covered by another wonderful neighbor of yours, Christy Hampton., who also serves as Clerk of Council for the village. As you can see from this month's council coverage, Christy is excellent at what she does and we are really happy to have her on board. If you are interested in contributing to the Village Views or editing articles for upcoming issues, please contact us at tpvillageviews@gmail.com.

Terrace Park Historical Society: Looks Forward to New Year

The Terrace Park Historical Society would like to thank all our new and returning members for their generous contributions.. We are especially grateful to our Lifetime members and are pleased to announce the recent addition of three new Lifetime Memberships: Burke and Kelli Neville , Robin Bente Murphy in Memory of Adrienne J. Bente, and Mike and Lori Frey. Much thanks to you all!

With your support, we can continue to provide our programs and services and to maintain and preserve the resources entrusted to us.

Our activities during the previous year included publishing the 2019-2020 Terrace Park Phone directory, digitizing our extensive

Oral History collection, providing two college scholarships to graduating Mariemont High School students, sponsoring the annual Third Grade Village Walk, presenting a program on the Miami Grove Nature Preserve, hosting visitors and researchers at our facilities, and providing another selection in our series of Terrace Park themed puzzles – an image of St. Thomas Church.

Our plans for the new year include upgrading our facilities to provide the appropriate environment for preserving our growing collections and making more of them available to the public as museum displays.

Upcoming programs will include a visit to the Promont House in Milford on May 23 and

the Biennial House Tour in the Fall. Stay tuned as we work on our Museum upgrades and feel free to stop by and see what we have to offer. Our facilities on the lower level of St. Thomas Church are open on Thursday afternoons from 1-4pm, but other times can be arranged by appointment.

Our phone number is (513) 248 – 1777 and our email address is: tphistoricalsociety@gmail.com. You can learn more about us and about the history of our Village at tphistoricalsociety.org.

If you would like to become a member of The Terrace Park Historical Society, you can join online at tphistoricalsociety.org/become-a-member, or mail in the following form.

Bob and Bea Matthews,
residents since 2016

So glad we didn't wait.

We thought we were too active and independent to move to Deupree House. What were we thinking? Now we actually have more opportunities for making new friends, staying healthy with our individualized wellness programs, socializing and volunteering. Also, the fun things like weekly bridge games, cocktails across the hall, fine dining right downstairs, entertainment, seminars and movie nights. We are *Living well into the future*®. And that future is secure because even if we should outlive our savings, we will always have a home here.*
