

Terrace Park Swim & Tennis Club honors past, looks forward to 2022 season

Submitted by Marcia Moyer and Marcus Relthford

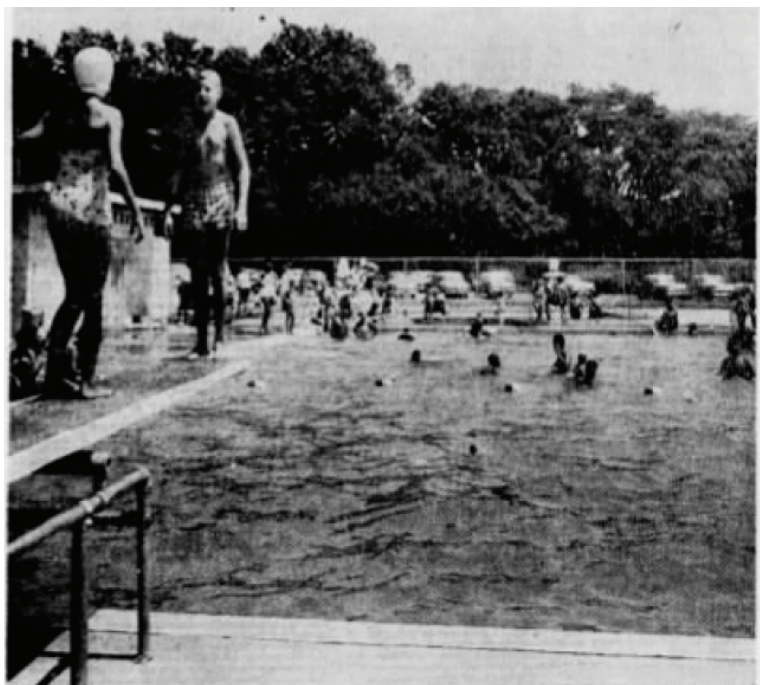

Hi TP Community! As flowers start to bloom and birds begin chirping, that could only mean that an important part of the year is just around the corner – the arrival of another great season at Terrace Park Swim & Tennis Club (TPSTC)!

This year, the Club opens on Friday, May 27th and remains open through Sunday, September 11th. Yes, this means the Club will be open the full week following Labor Day weekend!

In preparation for the Club's 66th season, we are pleased to share that the TPSTC Board has made several key investments in the Club as a result of the tremendous support from our members. Key upgrades for 2022 include:

- Completely new furniture, including new dining tables, chairs, and chaise lounges
- Renovated bathroom and changing facilities
- A resurfaced main pool deck
- Expanded shade options with additional shade coming mid-season
- An updated snack shack menu that keeps our current classics and adds some new items. Don't worry, we'll continue to have Ring Pop's!

Tennis and other racquet sports (e.g. pickleball), as well as swimming, are, of course, at the

core of TPSTC. With that, we are thrilled to announce that Sara Watson joins the Club as new tennis director. Sara and our veteran assistant pro, Will Sultan, bring a great deal of coaching experience to TPSTC and both are already busy running group and individual lessons and classes at

the Club. This year, all tennis-related sign-ups and payments will again take place via the Court Reserve app. For more details, and to download the app, please visit <https://app.courtreserve.com/>

It's In The Cards

Did you know?... Sometime in the 1990's there was a set of "baseball cards" created featuring the Terrace Park police officers. If anyone has a set, the Terrace Park Historical Society would love to add them to our collection! Email moyer.marcia@gmail.com

Dear Neighbors,

As winter refuses to give up without a fight, spring has taken its time getting here this year. An occasional warm day will be followed by snow and many beautiful spring buds froze and withered before they could bloom. It's special kind of weather we like to call "Ohio". Still, lacrosse has started, the elementary school talent show has come and gone, and TP List is full of garage clean-out items for sale, so you know warm weather is on it's way.

Speaking of warm weather, it always leads to an increase in river traffic so if you and your family are out enjoying the Little Miami

River (and I high encourage you to do so), be safe, never get in the water without a personal flotation device, and never when the river flowing faster than normal. It is a beautiful and special resource but the calm, creek-like appearance can be deceiving. It's not a reason to stay away, but remember to always use caution.

On other warm weather topics, we are talking about the swim club this month, as well as an update on our village trees. But perhaps most important of all, we have a solution to the ongoing

Village Council Finalizes Septic Agreement with Hamilton County Board of Health

Submitted by Jeff LeMay, Terrace Park Village Council

The Mayor and Terrace Park Council finalized an agreement on 4/11/2022 with the Hamilton County Board of Health (HCBH) to amend requirements related to replacement of traditional dry well septic systems. This agreement allows residents to continue operating these systems until 12/31/2045 and changes the requirements for system replacement associated with material or meaningful home improvements.

There are two issues addressed with this agreement: 1) The State of Ohio banned traditional drywell septic systems and gave enforcement responsibility of the same to HCBH effective 5/11/2015. This 2015 deadline was then extended to 12/31/2025 (+10 years) to allow Terrace Park and other localities to evaluate alternatives (i.e. sewers). This

Terrace Park Swim & Tennis Club Fun Fact

If you think pedaling up Elm Avenue after a hot day at the swim club is difficult – it might have been worse. In early 1956 when the Swim Club was first being organized, there was an attempt to purchase property at the very end of Miami Avenue, down the steep hill where it becomes Edgewater. But the property near the tunnel became available and the 75' by 35' aluminum pool and 20' by 20' wading pool were constructed for \$25,000.

Tourney Champions

Congrats to the Terrace Park First Responders who won the The Indian Hill Rangers Hockey Tournament on Saturday, April 30th at the Indian Hill Winter Club. The tournament featured 16 first responder teams from around the country.

Law & Order

Submitted by Eric Schmidt

On March 12 an officer was dispatched to a home on Wooster Pike where a black SUV was seen turning around in a resident’s driveway. The homeowner followed the criminal to Walgreens and was able to obtain the criminal’s license plate number. The Officer stated that he would

attempt to speak to the owner of the SUV and advise them not to use this driveway again in the future.

On 3/19, an officer was dispatched to Indian Hill Road where a subject was seen jaywalking by a resident. The Officer arrived and was not able to locate the criminal. I’m not kidding.

Sara Watson

well as a new daytime cardio tennis class Thursdays 9-10:30am.

Sara Watson joins the club this summer as the new TPSTC Director of Tennis. Sara was born and raised in Georgia where she first picked up her racquet at the age of 8. Sara went on to play four years of collegiate tennis at the University of West Georgia (D2).

While at West Georgia, Sara and her doubles partner broke the all-time wins record.

At 26 years old, Sara already has over 8 years of teaching experience in a variety of settings. She is also PTR certified (10 & Under). Sara has taught in both private and municipal tennis programs previously. Additionally, her collegiate summers were spent teaching in Maine as both camp counselor and tennis instructor at two 7-week sleep away camps, Camp Kippewa and Camp Cobbossee.

Sara moved to the Cincinnati area October 2020 and began working at Eastern Hills Indoor Tennis Club, where she continues to teach in the winter season. During the summer of 2021, she rekindled a junior program at Cincinnati Tennis Club that had been absent for over five years. Sara hopes to continue this momentum at Terrace Park this upcoming season.

The club's new Assistant Pro

is Will Sultan. `Will is currently attending DePauw University majoring in Public Health/Communications. He plays tennis for DePauw with his favorite shots being the serve and forehand. Will's favorite drill is Running Doubles.

Email Sara Watson (swatson4041@gmail.com) if you are-

interested in joining the pickleball ladder (day tbd) and ladies daytime fun and relaxed matchplay (on Friday mornings).

The Terrace Park Swim & Tennis Club is thrilled to welcome Sara Watson as our 2022 summer Tennis Pro! Sara and her assistant Will Sultan will run group and private tennis lessons and clinics from April 16 through Labor Day.

Please visit TerraceParkSwimClub.com for more information and a link to Court Reserve where you can download the app, set-up an account and sign up for sessions throughout the summer.

Warriors for a Cure Raise over 100,000

Submitted by Carrie Carothers

Team Warriors for a Cure was named Runner Up in the Leukemia & Lymphoma Society's 2022 Student of the Year fundraising competition. The team raised just over \$100,000, earning them the Top Campaign Fundraiser Impact Award. Team leaders Patrick Crowley, Graham Kempiners, Sadie Kohlman and Ryder Osgood pitched and received several local sponsorships during the campaign, including sponsorships from the Oliver Family Foundation, United Dairy Farmers, ENT & Allergy Specialists, the Cyclones Foundation and Snow Commerce. The team sent out over 1800 letters and held successful events, including a bake sale and a community open mic night. Terrace Park Elementary sixth graders generously contributed by organizing a fund drive at TPE. This was a record-breaking year for LLS Student of the Year with a grand total of \$743,000 raised, shattering the previous record by \$100,000. Warriors for a Cure would like to

thank its sponsors and the Terrace Park and Mariemont communities for supporting their efforts and for giving hope to blood cancer patients worldwide.

Team leaders would like to thank their hardworking Mariemont HS team: Timmy Ackerman, David Andrews, Griffin Byers, Hadley Dickinson, Lucy Dorn, David Dorsten, Evan Ekouevi, Camryn Estep, Reed Gearhart, Piper George, Clara Hampton, Jackson Hampton, Macy Hampton, Ava Hoffer, So-

Beyond swimming and racquet sports, the Terrace Park Swim & Tennis Club proudly sits at the heart of social and cultural life in our beloved Village. Since the Club opened its doors on August 5, 1956, a moment captured by the Cincinnati Enquirer (see photo), TPSTC has been the place where kids bond, where friendships among neighbors are formed, and where this community slows down to enjoy special times together.

With this great tradition, we want to thank you for your ongoing support of the Club, par-

ticularly during these challenging times of pandemic and other uncertainties. We also want to extend a very special thank you to those volunteers - past and present - who have guided the Club over the generations. What started as a dream of a small group of determined TP residents in early 1956, when land was bought and the Club was built (rather quickly, we might add), we are not sure they could have imagined the lasting contribution of what was originally called Terrace Park Swimming, Inc. (see photos) We are incredibly proud to be a part of this tremendous legacy and we look forward to seeing you at the Club this summer!

Nathan Turner Soars to Eagle Scout Rank

Congratulations to Nathan Turner! On Sunday, April 3rd at St. Thomas Episcopal Church, friends and family gathered to celebrate Nathan Turner, Boy Scout Troop 286, rising to the rank of Eagle Scout. Receiving your Eagle Scout rank is the highest achievement attainable for a Boy Scout. Only 4% of Boy Scouts achieve this honor.

It has been a journey that includes completing an Eagle Scout project to benefit a group outside of Scouting. Nathan's project was building a firewood shelter at Valley View as part of a campsite project for the Buckeye Trail. He had to raise funds, plan, budget the project and lead a group of workers to build the project. The scout acts as project manager. He also raised funds for

another project, which he plans to complete this summer. He will be donating a buddy bench to Terrace Park Elementary, in memory

of his kindergarten teacher, Jane Concanon. He is still collecting recyclable lids/caps for this project (goal of 200lbs).

Nathan also earned a total of 26 merit badges and was Senior Patrol leader for his Troop. He has been a part of scouting since 1st grade. This achievement is one of the few things that people use on their resume throughout their adulthood. Nathan Turner is a senior at Mariemont High School and will be studying Mechanical Engineering in the fall at Colorado Schools of Mines. He would like to thank everyone who helped him on his Eagle journey, his parents, his family, his Troop Leader – Marty McGrory, and his fellow scouts of Terrace Park Troop 286. A well-deserved honor and his parents couldn't be prouder!

Sticks Up!

Congrats to the Mariemont Junior High lacrosse team who went undefeated at the Kentucky Country Day Lacrosse Jamboree last month in Louisville.

Terrace Park Council Provides Updates on Village Trees

Submitted by Regina Sharp, Terrace Park Village Council

We provided the following update on the village tree maintenance program at the April Village Council meeting:

We are moving non emergency tree removal to the following schedule: tree cutting in August, stump grinding in September, and new planting in October. This enables us to shorten time between cutting and stump grinding and trees have a better chance of survival being planted

in the fall. We can still get better pricing during this time period.

As for an update on the current status of the scheduled tree maintenance, we have 2800+ village trees, all are cataloged in a master spreadsheet by health and species. Each year we have trees that have to come down due to health issues with a danger to person or place. 50+ years ago the village planted over 900 maples trees that have an estimated life span

of 50 years. The village increased the tree budget a few years back knowing we were going to have to cut down and replant more than average trees per year due to these maples. In addition, we had been taking down the Ash trees due to the Emerald Ash Borer infestation.

Each year we take down 40-50 trees towards this goal of replacing these trees. This is outside of any other trees that may have to be trimmed or come

down and how much it may cost to take down a tree based on size and location. As of right now we have about 119 trees classified as Poor(104), Critical(15) about half of which are the maples. Of the Maples we have about 640 in total left but many are still in Fair or Good condition so do not need to come down this year. Our annual budget for the tree program is \$92,000 (which we get in two payments in May and September).

So at any point in time

Mark Castrator is working with his contractors to identify, classify condition of, maintain and take down or trim the 2800+ trees in the village that help make this a great place to live. If you have questions about the tree program please contact Mark Castator, Village Arborist or Gerald Hayhow, Village Administrator Their contact information can be found on the village website.

Tour the Gardens of Terrace Park

On Tuesday, June 7, 2022 from 1-3 PM the Terrace Park Garden Club will sponsor a "Barefoot in the Park" Garden Tour open to all Terrace Park residents, your family and friends. Some of the most beautiful Ter-

race Park gardens will be featured. Pick up a map at 822 Yale Avenue and begin the tour. Refreshments and beverages will be served at the last garden located at 110 Marion Lane. Please join the fun and plan to attend. In the event of rain, the garden tour will be cancelled.

St. Thomas Nursery School Diaper Drive Gets to the Bottom of It

Submitted by Michelle Randall

St. Thomas Nursery School recently held their first diaper drive, setting a goal of collecting 1,500 diapers for the Sweet Cheeks Diaper Bank. The school was delighted to surpass that goal handily by collecting over 2,500 diapers! And they were so proud to bring the large load of diapers to Sweet Cheeks, getting them

into the hands of those in need. With this success, St. Thomas intends to make this an annual event and hopes to raise their goal and surpass it for years to come as they help the many families in Cincinnati that rely on Sweet Cheeks services.

Stepping Stones to Put On 21st Annual Golf Classic

Submitted by Adam Hasselbeck

Stepping Stones will host the 2022 Golf Classic on Monday, June 6 at the O'Bannon Creek Golf Club in Loveland. The morning flight will tee off at 8 a.m. and the afternoon flight will tee off at 1 p.m. Stepping Stones and event chair Steve Mennen invite you to enjoy a beautiful day with exciting hole challenges, course tastings, premier raffle prizes and more.

The Golf Classic benefits Stepping Stones' mission to build pathways to independence and promote inclusion for people

with developmental and physical disabilities. Show your support by starting a team or becoming a sponsor; spots are limited! Following the afternoon flight, golfers will relax in the clubhouse where food and drink will be provided and awards will be handed out for top golfers and the day's winning teams.

"Stepping Stones plays such an integral role in our community," said event chair Steve Mennen.

"Funds raised from the Golf Classic go a long way to support

their much-needed programs for people with disabilities."

Event tickets are \$200 for a single and \$800 for a foursome. The O'Bannon Creek Golf Club is located at 6842 Oakland Road in Loveland, Ohio. To buy tickets or become a sponsor, contact Sara Schaser at 513-965-5103 or email Sara.Schaser@Stepping-StonesOhio.org. Volunteers are needed for the morning flight (7 a.m. - 1 p.m.) and the afternoon flight (1 p.m. - 6 p.m.). Visit bit.ly/GolfClassicVolunteer to sign up. Visit SteppingStonesGolf.org for more event information.

Remembering a Special Lady

For those who grew up in Terrace Park, you may have had her as your 2nd grade teacher and fondly called her Mrs Harrier. To others she was a loving mom, doting grandma, animal lover, neighbor and friend.

Patricia Jane, who has always gone by Jane, was originally from Indianapolis, Indiana. Her Mother, Ruth Freeny was an accomplished pianist and had studied at the Indianapolis College Conservatory of Music. Jane's father, William Freeny, had graduated from St John's College in Annapolis, Maryland and then received his Law degree from the University of Maryland Law school and had become a successful attorney.

When Jane was only 2 yrs old, her father was killed in a hunting accident. Her mother and grandmother chose to uproot and move to Phoenix for a new start, warmer weather and for her mother to continue pursuing her piano teaching career. Jane grew up in Phoenix, Arizona and attended Phoenix High School before going to College at University of Southern California where she majored in English Literature and graduated with honors. She met her future husband Stanley Harrier, in college and shortly after Graduation, they were married and started a life together in Southern California. Jane became a school teacher and Stanley was an engineer.

Stanley's career in research and development of aircraft engines for General Electric brought his family to Cincinnati in the mid 1960's. Stan and Jane, along with their 3 children Tim, Sue and Mary, Jane's mother Ruth, one dog and a parakeet, all made the trek across the country in two cars and many days later settled in Terrace Park on Park Avenue.

Jane resumed her career as a teacher and joined Mariemont City Schools, working mostly at the Terrace Park Elementary School and finishing at the Mariemont Elementary School. She loved her work and taught for Mariemont Schools for 19 years. Eight of those years were devoted to teaching children with special needs. Her concern for this area led her to pursue a Masters Degree in Education and Special Education.

Jane taught a total of 26 years and retired in 1985. She and Stanley enjoyed retirement with much travel to Europe, Hawaii and the Caribbean. Jane was an active member to a number of professional organizations as well as a member of St Thomas Epis-

Patricia Jane Harrier Master

copal Church, Woman's Club, and Garden Club. Jane loved the arts and regularly attended the symphony, opera, Theatre, volunteering at the Art Museum and would attend the Lecture Series at the Mercantile Library in Downtown Cincinnati.

After the death of her husband in 2000, a few years later, she was introduced to Hazen P Master, a retired manager for the Continental Can Company. She married Hazen and moved to Indian Hill. An article was written in the Cincinnati Enquirer about the newly married couple and how they had both been previously married for fifty years and then found happiness again at the ages of 75. After five happy years together, Hazen died and Jane moved back to her beloved Terrace Park to be close to her children, grandchildren and friends.

Jane loved her family and was devoted to them all and especially enjoyed seeing all her grandchildren and great grandchildren. She cared and loved so many animals throughout the years and most recently her Calico cat Paisley. She welcomed people into her home always with such warmth and hospitality. She was a woman of great intelligence and beauty. She had unfailing cheerfulness, amazingly great sense of humor and a contagious positive attitude about life. She always felt so blessed and mentioned it often, to have found the treasure of living and raising her family in Terrace Park. She will be deeply missed by so many.

She is survived by two daughters; Sue Harrier Dolan (Phil Dolan), Mary Harrier Arkeilpane, Tim Harrier (Sabine Flessa Harrier), step daughter Cici Master Grant (Peter Grant), six grandchildren; Paige Dolan, Liz, Kyle and Alex Arkeilpane, Sarah and Katie Harrier and six great-grandchildren; Lucy and Leo Arkeilpane Luna, Holland and Lennon Swift, and Iggy Davey.

A memorial service celebrating Jane's life will be held at St. Thomas Episcopal Church in Terrace Park on Saturday June 4th at 4pm.
