

## Hard Winter Consumes Half Of '96 Street Funds

by Pat Henley

Mayor Jennifer Comfort presided over a brief village council meeting on Tues., Feb. 13. Since no residents appeared with either questions or problems, the agenda was addressed in record time.

Because of the unusual amount of snow and ice since the first of the year, about half of the 1996 street maintenance budget funds have been spent, according to Dan Startzman, Public Works Chair.

Councilman John Finnigan had received new information from Warner Cable regarding the fiber optic installation. This was delayed until Feb. 20 and 21. December is the revised target date for subscribers to receive hook-up of cordless remote equipment.

Police Chief Bob Bacon asked residents to be aware of a rash of car break-ins. These have happened in late evening hours to unlocked cars parked on the street. Because of the profile of what has been taken, he implied that juveniles are probably involved. Police are doing extra patrolling, and according to Bacon, "To be pro-active, not reactive."

Bacon commented with respect to the 1995 Police Department's annual report, that only 17 felony arrests were made in the village, compared to 52 in his first year (1982) on the force. Citations on Wooster Pike are also fewer, making Mayor's Court receipts considerably lower than in the past.

Funds will be available this year to address the serious needs of updating the facilities at the Commu-

nity Building. Building and Grounds Chair Julie Rugh has started action to bring the restrooms into line with the standards of the American Disabilities Act. In addition, the auditorium needs new flooring and improved lighting.

Solicitor Bob Molloy and Planning and Zone Chair Dan Keefe each requested an "executive session—legal." That meeting was held after the regular council meeting.

Building Official Tim Harth reported \$15,000 in permits for January.

## Polls Open March 19 6:30 am to 7:30 pm

Terrace Park voters on Mar. 19 will answer with a Yes or No the ballot question "Shall the resolution of the Board of County Commissioners of Hamilton County enacting a one-half of one percent sales and use tax be approved?"

Registered Republicans, which is the majority of voters in Terrace Park, will also have the opportunity to cast their ballot for Terrace Park resident Rob Portman who is unopposed in the primary race for U.S. Representative to Congress for the Second District.

Candidates for Supreme Court, the Court of Appeals and the state central committees are generally uncontested, as is the race for State Representative for the 36th district.

There are, however, three Democrats and five Republicans vying for the two positions on the Hamilton County Commission.

## Merit Finalists

Terrace Park residents Betsy Overbey and Nick Zdeblick are among the one half of one percent of the nation's high school seniors to be named National Merit Finalists. They now qualify to compete for more than 7,000 scholarships in the 1996 National Merit Scholarship Program.

Overbey, who has acceptances from SMU and Illinois, is waiting to hear from Virginia, Wake Forest, Vanderbilt and Miami, before deciding where she will study English. It's obvious she hopes to continue her studies at a university with an agreeable climate. A member of the Key Club, AFS and National Honor Society, Overbey also plays tennis. Overbey is one of two Mariemont seniors named Merit Finalists. She is the daughter of Lynette and Terry Overbey, 4 Denison.

Zdeblick is leaning toward Rice, which has accepted him for next year, but he is waiting to make his final decision until April when he hears from additional schools. He is one of 23 seniors at St. Xavier High School to be named a Merit Finalist. Zdeblick coordinates the Big Brother Program at St. X, where he is active in the Model United Nations. He serves as an aid in the office of Cincinnati Council member Tyrone Yates and tutors in the inner city. He would like to combine a career in medicine and politics. He is the son of Joy and Bill Zdeblick, 917 Poplar.

## 3 TP Students Swim At State

Senior Shelley Eaton led the Mariemont High School swimmers whose performance at Districts last weekend qualified them to compete at the Ohio High School Swimming Championships opening Feb. 23 in Canton. Eaton finished first at Districts in both the 200 and 500 free style. At state last year she won a gold medal for the 200 and a silver medal for the 500 free style.

Terrace Park residents Leah Ross and Leslie Lakamp also qualified at Districts to swim relays at State along with Eaton. Ross's third place finish in the butterfly also qualified her for state competition in the 100 butterfly.

Mariemont High School sent the swimmers off to state in grand style with a Pep Rally on Wednesday.

## Tim Chin Is First TP Officer Nominated "Officer of Year"

Terrace Park Police Officer Timothy Chin, left, receives a Hamilton County Police Association Special Commendation for Distinguished Law Enforcement Service and a Letter of Commendation from Chief Bob Bacon at the February council meeting. Chief Bacon said Chin is the first Terrace Park officer nominated for the annual award based on his distinguished law enforcement service. The Chief commended Chin's efforts in organization, community relations and praise from other police departments. Bacon also commented on Chin's personal strengths recently displayed when his wife Deborah gave birth Dec. 20 to Brian and Brittany Chin. A graduate of St. Bernard High School, Chin, 34, earned his certification at Scarlet Oaks Police Academy and joined the Terrace Park police force part time in 1989, moving to full time in 1991.

## Views Account Dismays Reader

This letter is with regard to two articles found on the first page of the January issue of the Village Views. I was dismayed to read of an account of an alleged assault involving children from Terrace Park. I was even more dismayed to read that those involved were actually named. In the adjoining article two drug searches, which took place recently in our neighborhood, were reported and neither of the children involved were named, although one was a minor. When did the Village Views decide to do this kind of police reporting? How is it determined who is named in a news article and who is not? Allowing this type of news on the front page, or any page of the village paper is inappropriate and should be avoided. The Village Views should be used to report positive, constructive information about our residents, not sensationalize the mistakes of a few.

Sincerely,  
Jill Crowell

## Milford Women Walk 505 Miles On Bike Trail

We are two Milford women who waved goodbye to 1995 after walking a total of 505 miles on the Milford-Xenia Bike Trail. We walked three or four times a week with Xenia as the goal. My 81 year old friend Ethel Daniel and I vowed the postman's creed "neither rain, nor sleet nor snow" shall keep us from our walk. This trail is a blessing for this area with its rare wild flowers, birds, animals and gigantic trees.

## Editor's Response

As to the specific question why some names are printed and others not— Names of minors arrested by the police are not released to the public. Names of those involved in an on-going investigation are not released to the public. The article in last month's issue on the drug searches involved a minor and an adult. The adult's name was not published because Police Chief Bob Bacon said the investigation was not complete as they were attempting to secure another warrant.

According to the first issue of the Village Views a Village Forum was conceived Feb. 2, 1969 "to determine what steps might be taken to correct and clarify certain acts of juvenile delinquency here in the Park." The Forum recommended the establishment of a village newspaper, the establishment of adult-teen activities, the publishing of the agenda and results of meetings of Village council, and the passage of a glue sniffing ordinance. The Forum also suggested, "Mental and physical health education should begin in grade school with attention to the topics of sex, alcohol, tobacco and drugs."

It appears that life in Terrace Park has not changed that much in 27 years, nor has the Village Views. It is a newspaper, not a public relations vehicle, for the village. The Internal Revenue Service granted the Village Views 501c(3) status qualifying it for charitable deductions, based on the fact that the newspaper printed news and facts that are not available to Terrace Park residents in any other form. We publish all the news both good and bad. Thankfully, the great majority of the news is good, which accurately reflects life in this village.

## Local Students Earn Collegiate Honors

Ian Ross, a junior at Tuft's University has been named on the Dean's List of students earning a GPA of 3.5 or higher for the first semester. The son of Laurel and Mike Ross, Ian swims for Tufts.

Both Brad and Chris Dahlmeier were named to the Dean's List at John Carroll University for the first semester. A GPA of at least 3.5 is required for including on the Dean's List. Sophomore Brad and Freshman Chris are the sons of Jim and Crystal Dahlmeier.

## Lt. Hayhow Explains Cadet Sponsorship

Lt. Jerry Hayhow clarified Terrace Park's sponsorship of police cadets after a police cadet was indicted by a Clermont County grand jury. Brian Woermann of Milford, who was indicted Feb. 16 on two counts of rape and one count of corruption of a minor, had been sponsored by Terrace Park Police Department to attend Clermont College police academy. Woermann, who attended the academy for two weeks, has now been suspended.

Hayhow explained that in the state of Ohio you have to be sponsored by a police department to attend a police academy. Hayhow noted the village police have sponsored a number of cadets over the years, including himself. When Hayhow was sponsored Ron Potorff was chief.

When cadets are sponsored by Terrace Park they understand they should have no expectations of a job offer or an auxiliary position. Hayhow noted that the system does give the police an opportunity to see if a cadet fits the mold we want on the Terrace Park Police.

# St. Thomas Church Elects 1996 Leaders

by Elinor Winchester

On Feb. 4, The Rev. J. Donald Waring presided over the first Annual Meeting of St. Thomas Episcopal Church since he came here in June. It was the church's 120th meeting. Among the attendees was his wife Stacie, who is an engineer with General Motors in Dayton. Don and Stacie were married over a month ago - Dec. 30 - at St. Thomas. Both came here from the Detroit area. Don replaces The Rev. Robert D. Gerhard, who retired almost two years ago, after 25 years service. Interim Pastor Stephen Bolle shepherded the church through the year long search for a new rector.

At the meeting, Senior Warden Chris Smith and Junior Warden John Long were re-elected for second one-year terms. New members elected to the church's 12-member Vestry for three year terms are: Bill Drackett and Grace Holmes of Terrace Park, Faye Barbeau of Mariemont and A.K. Carey of Mt. Camel. Offgoing Vestry members honored at the meeting were Helen Barnett and Beth Kauffman of Terrace Park and Louis Prince of Indian Hill.

In his report to the meeting, Smith reviewed the financial picture as drawn up by Treasurer Tom Hodges, and pronounced the church "fiscally sound." The new Rector echoed this, saying the church has concluded "the best pledge campaign it's ever had." He added that two of the main challenges ahead are finding both an assistant rector and a new music director to replace Pat Matchette, who will retire in June. The Rector sees tremendous potential for the

church's ministry in the years ahead.

Following the church's Annual Meeting, new officers were elected at the Annual Meeting of St. Thomas Housing Corporation. They include: President Nancy Harvey, Vice-President John Eberhard, Secretary Adrienne Bente, all of Terrace Park, and Treasurer Sidney Hunt of Indian Hill.

Jud Gale presented a silver bowl to offgoing Precedent Terry Smith, with thanks for his two years service. Gale was the first president, followed by Pierson Davis and Flach Douglas.

The Housing Corporation was formed in 1988 by concerned church members and leaders to tackle the shortage of low-income housing in Clermont County. The result was the construction near Amelia of Thomaston Woods, a 100-unit, 4.5 million dollar townhouse project completed in 1991 and virtually full since. Unique features of the project are the church's continuing interest through support and volunteers, and the many programs offered to residents and the surrounding community under the direction of a Coordinator of Resident Services; examples are Head Start, budgeting classes, and the Y's Prime Time program for children before and after school.

This Annual Meeting marked a step toward merging the Housing Corporation Board and the Thomaston Woods Operating Board. Members of the combined board are: Chris Baucom, Martin Bente, A.K. Carey, Norah Clark, Joe Dehner, Betsy Ecker, Kay Everhart, Jud Gale, Dick Jamieson, Dick Palmer, John Picton, Julie Seta, Linda Smith, Tom Terbruggen and Elinor Winchester.

## ODOT Unlikely To Widen Pike

The Ohio Department of Transportation ranked widening Wooster Pike between Mariemont and Ohio 126 near Milford 146th of 200 projects in the state. The selection system is newly based on objective criteria, such as traffic factors, local public or private funding and economic development.

Although \$378 million is anticipated by ODOT to be available statewide this year for right-of-way purchase and highway construction, the funds are expected to decrease to \$215 million by 2001. More than \$2 billion in proposals were so low on the list, they are not likely to be completed due to a lack of funds. The \$7 million needed to widen US Rt. 50 is not likely to be funded by ODOT.

## Julie Smith, Kathy Thoman Join TP Rec. Committee

by Sandy Wittman-Shell

At the Terrace Park Recreation Committee's February 12 meeting, newly elected President Bill Drackett welcomed Kathy Thoman to the board as secretary. Later in executive session Julie Smith was elected as Summer Fun Commissioner. She is now looking for someone to head the outdoor portion of the program.

Vice President/Basketball Commissioner John Finnigan said the season is within three weeks of completion. He is looking into changing leagues for next year as grades 4-6 are currently in the Queen City League which has more than 500 teams and a number of scheduling problems. All teams in grades 4-6 participated in the Mariemont tournament. The committee discussed the new backboards to be installed at the school over the summer and the commitment of the school board to pay a portion of the cost.

Baseball Commissioner Skip Kirby reported 113 boys signed up and he will attend a league meeting Feb. 27 to set schedules. Any boys interested in playing baseball this spring are encouraged to call Kirby (831-1791) as soon as possible. Kirby is also looking for a head umpire to coordinate and oversee Knothole umpires.

Softball Commissioner Steve Wilson had 90 girls sign up to play softball. There were only seven girls to sign up from the seventh and eighth grades. Girls of all ages interested in playing softball are encouraged to call Wilson (831-7666) as soon as possible. Team schedules were set at a Feb. 19 league meeting and new hats and balls have been purchased.

### Lenten Series Scheduled

St. Thomas Church will offer a Lenten Series on Wednesday evenings Feb. 28 to Mar. 27 from 7:30 to 9 p.m. in the undercroft. The topic will be "Loss, Grief, and Hope: The Process of Holy Week in Our Daily Lives."

Each evening a knowledgeable guest speaker will examine a particular loss and the process of moving through grief to hope. Topics will include chronic illness, the loss of dreams, the death of a family member, and aging.

Child care will be available, and members of the community are invited. For more information, call the church office (831-2052).

Soccer Commissioner Jaime Egasti pleaded for any soccer uniforms still out to be returned to his home (606 Floral), no questions asked. This year Mariemont is fielding spring soccer and any Terrace Park child interested in playing should call Egasti (831-7637). Practice and home games will be played in Mariemont.

Egasti is working on scheduling a soccer camp in late August in addition to the coaches and goal keeper clinics. He is also considering a tactics clinic. Jack Herman will still host a clinic in early June.

Drackett reported for Field Commissioner Jack Forbes that the planned field work from the fall will be done this spring. Steve Smith of Camargo Landscaping is ready to start work.

New Labor Day Commissioner Larry Williams has reviewed the files and is looking for suggestions for this year's event.

Fundraising Commissioner Laurie Heffner discussed the annual raffle and is considering making some minor changes with prizes.

TPRC has moved its storage room at the elementary school and discussed painting and new shelves for the room.

Drackett asked each commissioner to review safety procedures for their respective area of responsibility and to give their comments to Heffner by Feb. 21.

The committee meets publicly the second Monday of each month at 7:30 p.m. in the St. Thomas Church Guild Room.

# Eagle Court of Honor Includes Matt Buban

Matthew Buban receives the highest honor earned by only 2% of the nation's Boy Scouts at the Eagle Court of Honor for the Dan Beard Council of Boy Scouts of America Feb. 25. Terrace Park resident Tom Petry, a member of the council's executive board, is the chairman for this year's Court of Honor to be held at the Landmark Baptist Church. Buban, a freshman at Cincinnati Country Day School, will also be honored March 10 at a local ceremony in the undercroft at St. Thomas Church.

The son of Eileen and Ed Buban, 323 Harvard, Buban swims for the Anderson Baracudas. He recorded his best ever time in the 500 free style at last week's Districts. Buban also competed in the junior olympics for swimming in the 14 and under category. This summer he plans to compete in the Y Nationals in Florida, which he

passed up last year to attend Philmont Scout Camp in New Mexico.

Buban earned Honors for the first semester at Country Day where he is also a member of the JETs, the Junior Engineering Team, competing with other schools in science bowls. He got the idea for his Eagle project when he visited Stepping Stones with his school's advisor group.

Aided by his entire scout troop, Buban renovated and restored the out-door stage at Stepping Stones. The first step was to haul away the growth from the hill side and clear the railroad ties that create the amphitheater style seating along the hillside. He then prepared the stage, which is layers of rock, sand and mulch retained by railroad ties. The entire area was then mulched including the stairs down from the office and the wheel chair path up from the roadway.

Friends, family, scouts and the maintenance head at Stepping Stones all played significant roles in completing his project. Architect Robert Dornan helped with the project design, while Drackett - Harth provided gravel and Davey Tree supplied mulch. Addison Maupin volunteered his trucks to haul brush and mulch and Brian Critchell of Clermont Lumber provided the railroad ties.

## TP Boy Scouts Prepare For Canadian Adventure

The Boy Scouts of Troop 286 are getting ready for their summer canoe trip to Canada. Thirty men and boys are preparing for the ten day trip through the Quetico Provincial Park, north of Ely, Minnesota. On Sun., Jan 14 the group heard about the trip from their outfitter, who showed slides and a video at the Log Cabin. To prepare for the trip, the Scouts have planned several canoe trips this spring as well as camping and hiking, mainly to get the fathers in shape.

The Scouts and scouters going on the trip include: Alex and Mark Cestator, Neil and Jeff Krueger, John and Tim Harth, Mike and Jeff Carle, Jeff, George Jr. and George Kipp, Kurt Gertner, David and Roger Winters, Dan, Creigh and Bruce Long, C.J. and Riley Humler, Matt Grelle, John Bowers, Bryan, Grady and Dave Randolph, Jon and Gerry Malotke, Chris Hogue, Kal Davis and Jim Greiner.

There is room for a few more people (fathers and sons) on the trip, which leaves Terrace Park July 25, returning Aug. 4. Cost is approximately \$600 per person. Scouting experience is a plus but not mandatory. Call Tim Harth at 831-5400 for more information.

To prepare for the trip, the Scouts are asking to BORROW as many canoes and/or paddles as they can find for practice this spring. If you can help, please call Harth. The Scouts will gladly store your canoe for you and even shine it up.

### Scouts To Sell Mulch

To help finance the trip the Scouts will be taking orders in March for garden mulch to be delivered the end of April. The profits will also finance equipment purchases.

In preparing for the mulch sale and the trip the Scouts set the following goals:

- \*Learn leadership.
- \*Draw younger boys into scouting.
- \*Improve Scout-Community relationship.
- \*Not lose money.
- \*Earn badges in marketing, consumer buying and computer spread sheets.

They also had a choice of two hands-on workshop sessions, complete with science kits to take home for further exploration. They were transported to an area recreation center for a good night's sleep and returned to COSI for a bright and early breakfast followed by further exploration of COSI's four floors of first-hand science exhibits. The troop includes Patty Amis, Charlotte Bain, Katy Keffer, Claire Keys, Sarah and Susan Kipp, Jessica Pardue, Allison Rice, Brooke Richart, Lizzie Smith, Katie Troller, Amy Wilson and Anna DeDiemar. # Harth's Eagle Scout Project Outlines Preserve Boundaries

John Harth, left, gets a little help from fellow Scout Matt Buban in posting the boundary signs for the Wilderness Preserve. Harth explained his Eagle Scout project was designed to help users of the Wilderness Preserve actually stay in the preserve and not wander on to surrounding properties privately owned by Terrace Park residents. The entire troop helped Harth before Christmas when, close to 100 signs were erected. Another 50 signs were made to use as replacements, when needed. The boundaries are accurately marked thanks to surveys provided by George Kipp.

**TP Police Continue  
DUI Breath Testing**

Police Chief Bob Bacon said the Terrace Park breath testing program for DUI has not been affected by the recent confusion over chemical solutions used to test the instruments used to measure alcohol levels. Bacon reported Terrace Park had not received any of the bad solution batches.

The Chief added that the test is just a tool the officer uses to confirm what he has already observed. He explained the officers arrests the suspects and then the test is administered, so the officer must have probable cause when the original arrest is made.
