## Mariemont School Board approves new facilities plan

By Betsy Porst

At their October 20th meeting, the Mariemont City Schools Board of Education voted unanimously in favor of adopting the comprehensive district facilities plan recommended by School Superintendent Paul Imhoff at the previous month's meeting. The plan includes economizing from five school buildings to four and relocating the junior high. The eight-point plan promotes the following facilities changes and next steps for implementation and financing decisions:

building systems. The district has been working with school facilities professionals SFA Architects and Turner Construction throughout the planning process.

"I am pleased with the very thorough and engaging process we have used to get to this point. I have confidence that our decision phase will help give us even more definition to our plan," said Board of Education president, Marie Huenefeld. "It is the right thing to do."

Mariemont Schools Super-

### School Building Configuration & Construction:

- Construct a new 7-8 junior high school on the current Fairfax Elementary site and integrate the current cupola into the new structure.
- Utilize the composite approach (combination of new construction and building renovation) for Mariemont Elementary School (K-6) and, at a minimum, save the front facade of the current school and the auditorium. Students who currently attend Fairfax Elementary would attend Mariemont Elementary.
- Utilize the composite approach for Terrace Park Elementary (K-6) and, at a minimum, save the front facade of the original portion of the building.
- Utilize the Dale Park (current junior high) building as "swing space" to house junior high and Mariemont Elementary School students during the construction/renovation of those buildings, thus saving the district money on modular classroom rental fees.
- Relocate the Board of Education office to Mariemont Elementary School.
- Explore "green" technologies and design buildings that are energy efficient.

### Next Steps in Planning Process:

- Engage the community and research possible options for the Dale Park Building after the completion of all projects.
- Appoint a Financial Advisory Board comprised of district residents from each community to study financing and implementation options for the needed facilities. The committee would be asked to submit a report to the Treasurer and Superintendent regarding the draft district plans prior to the December Board of Education meeting.

The Board-approved plan is the product of a 14-plus month process where the district engaged feedback from community, parents, staff, students and school facilities professionals. The plan will provide a framework to guide long-term decisions as the district deals with aging buildings with failing infrastructure and

intendent Paul Imhoff added, "Blending our financial needs with our building needs is our next major and important step. I'm confident that together with the expertise of our Financial Advisory Board, we'll develop a complete plan that works best for our community."

### Girl Scout Coat Drive

Now that the cold weather is here, people who can't afford coats are freezing!

You can donate your outgrown and gently worn coats to the Girls Scouts' 4th Annual Coat Drive.

#### Drop-off sites:

- TP Elementary School
- TP Police Station
- 220 Cambridge Ave

The drive ends December 4th.

Questions? Please call Sarah Harrington at 576-6112. Thank you for supporting our cause!

### Please note these VV changes

Due to the holidays, the December deadline has been moved ahead to December 3, @ 9 p.m.

Send submissions to [tpvillageviews@fuse.net](mailto:tpvillageviews@fuse.net)

Please do not send submissions to [pfindley@fuse.net](mailto:pfindley@fuse.net)

Please do not e-mail files larger than 4 MB

Please submit all ad and fundraising information to Gerri Kennedy, 831-2388.

Join with family and friends  
to celebrate the Annual Tree Lighting  
on the Village Green  
Sunday, December 6th 2009

Carriage Rides provided by Fletcher Homes!

Caroling with some of TP's finest singers and musicians!

Hot cocoa and cookies to warm your holiday spirit provided by the 5th grade girl scouts!

Santa's elves with trinkets for all the good little girls and boys!

6 p.m. light luminaria!

6:15 p.m. Carols begin!

6:30 p.m. Lighting of the tree!

6:45 p.m. Santa arrives!!!

Thank you to those who generously support this tradition!  
To make a donation to the Tree Lighting Fund, please contact Amy Lothmann 228 Harvard.

## Eureka! TPE celebrates science lab

The new Terrace Park Elementary science lab celebrated its official opening on September 30 with a Family Science Showcase evening event. Students engaged attendees in such experiments as the Balancing Butterfly, the Noisy Balloon, Huff 'N Puff and No Exploding Allowed!

The new lab was funded through the support of the school's PTO, family donations and assistance from The Oxley Foundation. New resources in the lab include a SmartBoard, electronic microscope, sink, cabinets and lab tables.

The Terrace Park Elementary PTO recognized principal Linda Lee, parent Sybil School and teachers Heather Alexander and Tom Zaya for their work in making the school's new science lab a reality.

### Boy Scout Toy Drive

Help needy children in the Cincinnati area by donating new, unwrapped toys to Boy Scout Troop 286. As a community service project, the scouts will be wrapping the donated gifts that will then be distributed by the Cincinnati Post Office throughout the city.

#### Drop off locations – new unwrapped toy for any age

- Post Office or 704 Franklin between November 27 – December 12
- Village Green during tree lighting
- Log Cabin Open House December 13 from 1 – 3 p.m.

**INSIDE STORAGE (boats, cars, trailers)**  
 Store your "toys" in our warehouse for the winter.  
 Close to Terrace Park.  
 Almost ANYTHING will fit inside.  
 (in and out...OK)  
 Rates vary depending on size.  
 \$50 - \$100/mo.  
**831-1111**

*Village Views* welcomes reader mail. Signed letters to the editor must be received by 9 p.m. on Thursday, December 3rd. **Please limit length to 350 words.** Letters over 350 words will be published as submitted subject to space availability. All signed letters will be printed as submitted; however, minor editing for grammatical and typographical errors may be necessary. Content will not be edited. Any questions should be directed to the editor. See below.

*Village Views* welcomes readers to submit their ideas for articles: promotions, awards, school activities, engagements, weddings, births... things you think people would like to know and read about.

**Village Views**  
 Subscriptions are a thoughtful and inexpensive holiday gift for a friend or relative who has left the village. A yearly subscription is only \$18.50 per year. A gift card will be sent to the recipient upon request. To subscribe call **Gerri Kennedy @ 831-2388.**

## R. Walters remembered for art, helping others

Richard Walters of Boone, NC passed away on Sunday, September 27, 2009 in the Watauga Medical Center due to diabetes related complications. Richard was the son of John and Mary Anne Walters who lived on Douglas Avenue in Terrace Park from 1965 through 1981. Richard lived with his parents while attending Mariemont High School until his graduation in 1967. Following his graduation, he was a part-time Terrace Park resident while he attended Kenyon College in Gambier, Ohio and The Ohio State University in Columbus, Ohio. He was born in 1949 in Lima, Ohio. He advanced through the Lima City School system through 9th grade when the family moved to the Cincinnati area, living first in Mariemont for a brief time and then relocating to Terrace Park. Prior to moving to Boone in 1982, he lived and worked for several years each in Newberryport, MA, Jonesboro, TN and Asheville, NC. In Boone he pursued his love

for sculpture, collaborating with other artists to create many pieces of art in the Boone area. When failing health forced him to give up sculpting, he turned to painting as his favored form of creative expression. He will be remembered most for his work helping those suffering from alcoholism to find sobriety, and to live happy and fulfilling lives. He will be missed.

He is survived by a son, Jesse Walters of Boone; a brother, David Walters, and wife Lonnie of Hendersonville, NC; a nephew, John Walters of Hendersonville, NC; and a maternal aunt, Nancy Dawe of Lima, Ohio. Services are to be announced.

Memorials may be made to the American Diabetes Association, Attn: Memorial Donations, PO Box 11454, Alexandria, VA, 22312.

# Music lovers of all ages treated to stylings of two British bands

TP residents offered a warm welcome to two British "indie, folk, rock bands" touring the United States on Monday October 26th in the Terrace Park Community Building. Concert goers were offered free admission to hear Sky Larkin and Peggy Sue as they offered two sets of music from 7:30 p.m. to 9 pm. The concert was performed with very little notice, or publicity as they contacted Joe Austin, 825 Princeton Drive, late in the week of October

they had done, 300 days of performances in the last 365...they had never been treated with such warmth and hospitality by crowds. Peggy Sue lead singer, Katy Klaw stated, "Most concerts have been fun, but nothing like this, where everyone was engaged and having fun with our music. For such short notice, I am not sure we have ever almost sold out of our cds and tee shirts. A big thank you to the people in Terrace Park, Ohio."

20th to say they would be coming through the area and would love the opportunity to expose residents to their music. Over one hundred residents of all ages stopped in to enjoy the show.

Music and t-shirts were available, and more than one resident approached Joe Austin to see if he would consider retiring from his practice of nephrology to become a concert promoter. Both bands remarked that in all of the touring

Following the concert, David and Marcia Moyer held a very impromptu dinner and birthday celebration for one of the band members, Nestor, as he turned 22 at midnight following the concert. They feasted on Lori Frey's pasta recipe and salad and birthday cake. After freshening up and piling back in to the larger than life band touring RV they honked and waved as they departed yelling, "We loved Terrace Park, Ohio."

At the end of the show, Joe remarked, "Not only was there wonderful sense of community in the building Monday evening, it was a great way to expose residents to music they may, in fact, have little access to. It showed Susan and I the power of the internet as the Terrace Park List Serve was our mode of communication to the residents when we were notified with so little time to promote the concert."

Colaw and Gardner

Mariemont High School Homecoming King Josh Colaw and Homecoming Queen Laura Gardner were crowned at halftime of the Warriors' 54-13 victory over Finneytown on October 9. Laura is the daughter of Ted and Juliann Gardner of Terrace Park.

## HAPPY 25th ANNIVERSARY KINDERVELT 76!

In 1984, women from Terrace Park got together and formed a chapter of Kindervelt, a volunteer auxiliary of Cincinnati Children's Hospital Medical Center dedicated to "having fun while raising funds."

It's a mission we've certainly taken to heart.

With a little hard work and, yes, a whole lot of fun, Terrace Park's Kindervelt 76 has raised over \$275,000 for Cincinnati Children's through a variety of community events. And we're proud to say, those funds have supported cardiovascular research, asthma research, the Trauma Center, Critical Care, and much more.

Of course, none of this could have been accomplished without the foresight of our founders, the dedication of our alumni, the continuing commitment of our current members, and, most importantly, the generosity of the Terrace Park community and everyone who has supported Kindervelt 76 over the last 25 years. To you we say, "Thank You."

So, Happy 25th Anniversary Kindervelt 76! May we "have fun and raise funds" for 25 more years!

KINDERVELT

# Neighbor to Neighbor

## TPRC year recap

www.TPRC.net

The funds for TPRC raised from sports, Labor Day weekend and Monte Carlo night have been put to great use this year. A survey done earlier this year among parents with kids in Rec sports indicated desired improvements. Some of the projects completed :

- **Widening of the back road**

If you've recently been down to Drackett Field to watch a soccer game or pick up a child from practice you should have noticed that parking and driving on the back road is no longer akin to doing an obstacle course in a dust bowl. The back road improvement project included removing the wooden posts, adding a total of 9ft of road to widen the existing road (some of which had been limestone gravel), and then tarring and chipping the surface. Under the leadership of Tiger Nelson and with the help of Sy Swart and the rest of the TPRC, bids were collected and evaluated and the final bid for the road improvement awarded to TowneScapes. Thanks also to

Reed Peterson and Alex Mitchell for their work on removing the stumps close to the road.

- **Drinking fountain upgrades**

Replaced the existing fountain by the back shed with a new handicap-accessible model and also tapped into the existing lines for a new pump valve. Thanks to Nelson Stark for their support on the project and Steve Vianello at Lawscapers for the pavers around the fountain.

- **Bathroom enclosures**

Spearheaded by Bren Fries, the facilities at Drackett were enclosed to be more "user-friendly" and aesthetically pleasing for players and families alike. A second, larger unit was placed in a convenient location to soccer and lacrosse events.

One other big accomplishment for the year was getting background checks on coaches. With the help of Chief Jerry Hayhow we are able to do this now in a discreet and professional manner. We want to thank

Tricia DiMichele for seeing this important task through. Also for her completed term as president, previous committee position and ongoing support of TPRC. She has been a true asset to the committee.

A couple of items to look forward to in 2009/2010 are new basketball uniforms, reinstatement of the 3-on-3, tournament (November 22nd) and our annual Monte Carlo night (January 29th, 2010). Thanks for your continued support.

# Police report

The Terrace Park Swim Club manager reported apparent criminal damaging to the concession area at the pool. There had been an attempt to break a side window and to push in a screen. Nothing was reported missing.

A tree on Park Avenue fell on a vehicle. The fire department removed the tree and police took a report of the incident.

A resident reported that the hood and trunk of a vehicle parked on the street were keyed. No suspect was seen but police took a report concerning the damage to the vehicle.

Police checked several unlocked vehicles - one with a door open wide. No items were taken.

A resident reported that a motion sensor light was repeatedly blinking on and off. Investigation

revealed that wind was blowing a flag in the yard. The owner of the home removed the flag thus solving the problem.

A parking complaint was registered concerning a horse trailer. Police determined that it was not parked in violation of any ordinances.

Police were asked to check on several vehicles which were deemed suspicious. None posed threats.

Two welfare checks were performed.

Mutual Aid was provided to Fairfax and Milford.

Five EMS runs and five fire department runs were reflected in the log.

# Burchenal playing on national soccer stage

By Bill Holloway

It happened one day on the Village Green. Ray Normile was watching from his front window as a bunch of four or five year olds were playing and he noticed one little girl with her brothers and their friends. She was playing her heart out and beating the other members of the bunch at their own game. He noticed because she was the only girl, Elizabeth Burchenal. She is a grown up young lady now, a senior in high school on her way to college next year.

She is still playing hard ... at soccer. She is not only playing hard but extremely well. That little five year old is now on the soccer national stage. ESPN Rise magazine has dubbed her "Elizabeth the Great."

She was very down to earth in our recent discussion and spoke

articulately about how she became a member of soccer "royalty." We talked about her growing up with a house full of boys, her three brothers, and playing with them in several sports. She enjoyed all sports, but soccer was special. With soccer, something "clicked" and she knew that would be her game. I asked her why and she said, "It felt right." She enjoyed working hard and the learning was fun.

She began to play high school soccer at Country Day in Indian Hill. She discussed her playing with her father and decided to transfer to St. Ursula Academy. They both felt this decision provided more opportunity and it has certainly worked out that way. As reported in the Eastern Hills Press she has made history at St. Ursula by scor-

ing 98 total career goals, a school record. She has 37 goals so far this season. The school record is 39. St. Ursula is the reigning state champion and has been for two years, and Elizabeth has been a forward on the team for both.

For the past two years, she has played on two premier club teams. This very young athlete is playing with professionals and some of the best college players. She joined the Boston Renegades this summer, after the season had begun, and still tied for the team lead in scoring. She has been a stand out performer and has played in their national finals.

Remember, folks, this youngster is still in high school. Next year she heads for the University of North Carolina. That university's soccer team is an outstanding winning team and has been for years. The coach has a record of over 600 wins with only 28 losses. With Elizabeth on board who knows where that record will go. Onward and upward, Elizabeth!

St. Ursula senior Elizabeth Burchenal (right) has been proving her prowess on the soccer field since the age of five.

**SPREAD THE HOLIDAY CHEER!**

For over 40 years, the Kiwanis Club of Mariemont has served our neighborhoods, brought programs to our schools and scholarships to its graduates. Please support this valuable local resource through the Annual Kiwanis Nut Sale.

We have just what you need for holiday parties, hostess gifts or to show your appreciation for the many people who help you and your family throughout the year. What a tasty way to spread the holiday cheer to everyone from your teachers and coaches to your babysitter, the paperboy and the delivery man.

The variety includes Honey Cocktail Mix, Salted Almonds, Large Cashews, Cinnamon Almonds, Deluxe Mixed Nuts, Bridge Mix or Fancy Holiday Mix - right on time for the season's festive get-togethers and for spreading holiday goodwill. A great value at just \$5 or \$10, each package is sealed for freshness.

Business gifts, personal gifts or to just to snack on at home or work, these are fresh as can be and seriously delicious! And the best part is that the money we raise makes a difference right here in our own backyard!

Kiwanis hopes this will be their best Nut Sale Program ever. At just five or ten bucks, Kiwanis Nuts are the gift that gives twice. Once by showing your appreciation and a second time by saying you care about our kids and our community! Now we all can feel good about that!

To order nuts just ask any kiwanian, visit Marielders or call John Wenstrup 248-9242!

**Sunday,**  
**December 6th**  
**6 p.m.**

The Terrace Park Historical Society has a new board member and program chairman. Elaine Fening, who lives at 615 Miami Ave., will use her extensive knowledge of Terrace Park and Greater Cincinnati to create innovative quarterly programs of interest to people of all ages.

A design and decorative painting specialist, Elaine enjoys making her artistic talent available to community groups; most recently, she pieced together the Treasures of Terrace Park quilt created by local schoolchildren. Her husband Tim, owner of Cause Agency that specializes in medical and pharmaceutical advertising, is responsible for the newly redesigned TPHS logo.

Elaine Fening

The couple moved to their Terrace Park home 18 years ago. They have three children: Joe, who attends Mariemont High School; Grace, a Mariemont Junior High School student; and John, a Terrace Park Elementary School sixth-grader.

"I grew up steaming wallpaper off walls, so I have always liked older houses, preserving them and maintaining the integrity of them," Elaine says. She's looking forward to sharing her passion for "the older things in life" as program chair and welcomes program suggestions. Her phone number is: 831-8371.

# Terrace Park Sports

**Mariemont boys celebrate with Coach Timmers**

Two Saturdays of extreme weather with wind, rain, lots of mud and mushy courses gave cause for Warrior fans to cheer all that much more when the men's Mariemont High School Cross Country team won the District Championship in

races but often Mariemont runners would give the crowd races to cheer about. This fall, however, the crowd roared most weekends. Terrace Park residents Brian Austin, Andy Gorman, Ben Gorman, Luke Porst, Bryan Routt,

onship, where an opposing team fan was heard to say, "Gee, Mariemont has five guys running under 18 minutes this year...no way will they not advance. What an amazing team they have!"

Jeff Timmers, Head Coach of both the men's and women's Cross Country teams, could not contain his excitement over the success of the team this year, "We knew we had something special with all the runners returning from last year and expected a good season, but it just kept building more and more to a great season. Each week they kept rising to the occasion even when there was adversity in the weather. I can't be any more proud for their dedication, improvement, and sense of team. What's next?"

What's next was being the second Mariemont cross country team ever to advance to the State Championship in Columbus, held at Scioto Downs on November 7th. The team finished 16th in the Division III championship race with Andy, Brian, Ben, and Luke all contributing points as four of the top five finishers on the team, along with team captain Tim Kuck.

Congratulations to all the runners and their families for being part of what may be the finest cross-country team in the history of Mariemont High School.

**Team with trophy**

**Left to right: Front: Bryan Routt, Ben Gorman, Coach Jeff Timmers, Brian Austin, Brennen Warner**

**Back: Carl Freeman, Tim Kuck, Andy Gorman, Nathan Kuck, Luke Porst**

the OHSAA Tournament series opener, and then advanced to Troy, Ohio where they took 2nd place at the Regional Championship on Saturday, October 31st.

For years MHS has been the underdog in many cross country

and Brennan Warner all contributed to the amazing District win and Regional performance with grit, determination and an amazing amount of school spirit.

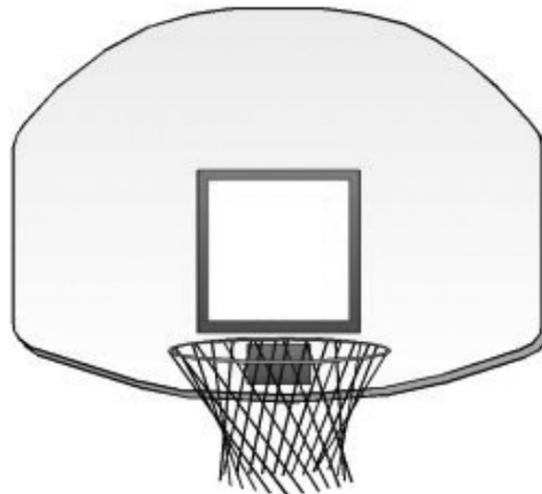

End of season activity began at Sharon Woods with a victory in the CHL conference champi-

## TPRC 3 on 3 Basketball Tournament

Sunday November 22

1:00pm

Mariemont High School Gym  
Boys and Girls 3rd – 8th Grade

**Open to all students in the school district.**

Teams consist of three players and will be divided by grade (kids may play up). Teams are guaranteed to play at least two games and each player will receive a tournament t-shirt.

Food and drinks will be available for purchase, so bring a large cheering section! There will also be free throw and 3-point shooting contests. Winning teams receive trophies and championship t-shirts.

The entry fee is \$60 per team and the **entry deadline is November 20th.**

Additional info is available at [www.tprc.net](http://www.tprc.net) or you may call Branden Fisher with questions at 248-1279. **See you there!**
