Mayor Gohman welcomes new Fire Dept. member; extends thanks to all involved in Village operations

—submitted by Martha Rassi

The December 9 Council meeting of the Village of Terrace Park was called to order by Mayor Gohman. The first order of business was the appointment of Mr. Paul Flynn as a member of the Village Volunteer Fire Department.

The Mayor's Report began with a big thank you to all of the members of Kindervelt #76 who assisted with the lighting of the Christmas tree ceremony on the Green.

Mayor Gohman then stated, "At this time of the year, it is important to give thanks for the wonderful friends who make our Village special." They are as follows:

EMS and Fire Department chiefs: John Maggard and Luke Frey for their dedication and service.

The POD 94 Crew members: Tina Hesser, Tammy Fisher, Judi Lehman, Sally Gaburo, Lisa Bucher, Amy Lothman, and Emily Parker.

The Zoning Board of Appeals members: David Moyer, David Brittingham, Amy Nisonger, Doug Burgess and Steve Holmes.

The Planning and Zoning Commission members: Walt DeWess, David Moyer, Tom Tepe and former resident Jason Flynn.

Magistrate member: Tom Longano for his duties as Magistrate of the "In the Village" Juvenile Court.

Village Operations members: Mark Holcomb, Pat Wirthlin, Katie Lyons and Melanie Stutenroth.

The Village Council members: Lee Cole, Holly Purcell, Jeff LeMay, Judy Lehman, Rick Tripp, and Tom Tepe.

The Families of all of the above listed for their continued support.

Maintenance Crew members: Dave Evanchyk, Tim McLeMore and Steve Fuhrman for making our Village such a beautiful home. Village Court member: Bob Barket for day to day operations of the Village Court, Bob Malloy for his counsel, John Hester for work with the Village building department, and Mark Castator as Village Arborist.

Police Department members: A special thanks to the force led by Chief Jerry Hayhow for their dedication to the Village including Lt. Tim Chin, Sergeant Jim Pruitt, and Officers Jill Blanton Mathews, Larry Johnson, Doug Sowders, Mike Hooven, Dennis Smith, and Kevin Rogers

Village Officials and Committee Reports:

Fiscal Officer: The bond refinancing is now complete with a \$111,000 interest expense savings to the Village.

Solicitor: It will be approximately two weeks before it will be known if Martin/Marietta will file an appeal on the last ruling that was in the Village's favor.

Life Squad: For the year

2014, there have been a total of 126 runs. There are four new members in the training class. Mr. Maggard gave a special thank you to all residents who participated in the recent Pancake Supper that raised over \$4,000 for Village departments.

Buildings and Grounds: The announcement was made that once again the Village of Terrace Park has received the national tree award.

With no further committee reports or new business, the meeting was adjourned.

They light the night, bring magic our way; luminaries, what a nice way to say "Happy Holidays Terrace Park!"

Luminaries brightened many a path and driveway Sunday evening, December 7, thanks to the efforts of Kindervelt #76 and their annual luminary kit sales. The winning street with the most luminaries on display was Miami Avenue.

Kindervelt #76 also spearheaded a "Turn the Lights on" raffle for the honor of being the person(s) who got to flip the switch and light the new Christmas tree

on the Village Green. The winning family was Brett and Heather Deters and their three children Julia, Mitchell and Zachary.

Other festivities were held on the Green as well, including carriage rides, holiday treats and, of course, a visit from Santa!

Over \$4,500 was raised through these festive activities and will go to benefit Cincinnati Children's Hospital.

New tree on the Green ready for the holidays.

Looks like someone's been very good this year!

Coalition Corner

On May 27, 2014 an 18-year old high school senior in LaGrange, Ohio, died suddenly of a caffeine powder overdose. According to CBS News, the Lorain County Coroner found that the senior had ingested a toxic amount of the white powder suffering cardiac arrhythmia and a seizure resulting in death. As a member of the high school wrestling team, he reportedly used caffeine powder as a pre-workout supplement. His death has raised awareness of the risks of caffeine overdoses, particularly powdered caffeine, which is highly concentrated.

Recently, there have been quite a few reports on the health benefits

of caffeine. As with most things, health benefits are only reaped with small to moderate “doses” like the morning coffee ritual.

Caffeine can be found naturally in plants such as cacao, coffee and tea. It is a stimulant that affects the central nervous system and brings desired affects such as mental alertness. Even the relatively small amount in coffee is considered addictive and can come with potential side effects such as nervousness, insomnia, headaches, and increased heart-beat. When ingested in excess, caffeine has a very dark side. Powdered caffeine lends itself to misuse because it is almost impossible to portion out properly with

typical kitchen utensils due to its concentration.

Powdered caffeine can be very alluring to young people. Not only is it used as a workout supplement to boost performance in the gym but also as an aid in weight loss as it does boost metabolism. Teenagers may also be tempted to use powdered caffeine to stay alert during late night study sessions. Unfortunately, powdered caffeine is easily accessible online. It is not an illegal substance and there are no age requirements for purchase. Furthermore, it is labelled as a supplement and not currently regulated by the FDA. The chart below compares the caffeine content of popular beverages and supplements:

Beverage	Serving Size	Caffeine (mg)
Starbucks Coffee	Grande, 16 fl. Oz.	330
Dunkin’ Donuts Coffee	Medium, 14 fl. Oz.	178
Starbucks Espresso	Doppio, 2 fl. Oz.	150
Decaf Coffee	16 fl. Oz.	15-25
Green Tea	8 fl oz	30
Mountain Dew, regular or diet	12 oz	54
Diet Coke	12 oz	47
Coke	12 oz	35
5 Hour Energy Drink	1.9 oz	208
Red Bull	8.4 oz	80
No Doz or Vivarin	1 caplet	200
Caffeine Powder	1/16 tsp	200

New lounge in Cincinnati to be named after Tillie the elephant

*Excerpted from the Cincinnati Business Courier

A new lounge named for perhaps the most famous pachyderm in Cincinnati history is being planned for Northside.

Tillie’s Lounge is expected to open to the public at 4042 Hamilton Ave. in February 2015, with soft openings in December and January. The bar is named for Tillie the elephant, the most famous of the exotic animals that traveled with John Robinson’s Circus in the early 20th century. Terrace Park was the winter home of the circus for three generations and there are numerous stories about the star performer, Tillie.

Robinson’s circus performed at the intersection of Blue Rock and Hamilton in Northside, and Tillie was a main attraction,

“There’s a lot more to her than

just a performer. She performed a heroic deed too: she stopped an elephant stampede once, and she also stopped a derailed streetcar,” Diaz said. “When she passed, the city closed down all the schools so the children could attend the funeral.” A private plane dropped flowers and the Cincinnati Enquirer had an obituary for Tillie.

Tillie’s Lounge won’t be circus-themed but will be period-themed. Diaz and co-owner Nigel Cotterill are working with Dwellings on Madison to design an early turn-of-the-century/1920s-themed look for the bar. Tillie’s will have a state-of-the-art music parlor with a baby grand piano – Diaz hopes to book local and national acts at the bar – as well as TVs that will air sports, music videos and select TV events.

Terrace Park Boy Scout Troop 286 has busy fall

By Troop 286 Scribe Scott Overbey

The Scouts of Troop 286 have been very busy since the start of the school year with 22 eager Scouts with aspirations of reaching the rank of Eagle.

On the 28th of September, our troop elected new officers for positions in the troop. Our new officers include: AJ Walter as Senior Patrol Leader, Sean Holcomb as Assistant Senior Patrol Leader, Matthew McGrory as Patrol Leader for the Bears, James McGrory as Patrol Leader for the Ghosts and Walker McManus as Patrol Leader for the Pine Trees. Other newly elected positions include Scott Overbey as Scribe, Bren Findley and Jeremiah May as Quartermasters, Neil Findley as Webmaster, Matthew Burgess as Chaplain Aide, Ted Lizak as Historian, and Henry Wagner as Den Chief.

Our new Scouts have been diligently working on their First Aid merit badge, which is an Eagle required merit badge. In addition, they have been receiving rank requirement instruction for

advancement to the next rank from senior scouts and adult leaders.

On October 9, the troop was asked to prepare, cook and serve a Dutch oven meal and dessert by Dan Beard Council at Camp Friedlander to thank individuals who have graciously donated to the 2nd Century Campaign.

Sunday, October 12th, the troop collected trash along the Little Miami River from the Milford bridge to the end of Miami Avenue. It was a huge success, collecting over 201 large bags of trash, along with odd items like tires and broken chairs that didn't fit into bags.

A camping trip to Hocking Hills State Park from October 24-26 was a beautiful weekend with sunny skies and warm temperatures. It seems that we broke the jinx of foul weather that we usually experience on camping trips!

Our fall Court of Honor was held at St. Thomas Church on November 9. Scouts earned 95 merit badges from summer camp

and merit badge challenge. The following Scouts were awarded merit badges: Matthew Burgess, Jonathan Cooper, Bren Findley, Neil Findley, Phillip Forbes, Luke Gaskey, Wyatt LeMay, Ted Lizak, Jeremiah May, James McGrory, Matthew McGrory, Sam Reid, Jon Michael Senes, Zane Stephens, Adam Takas, and John Welch.

The following Scouts received a rank advancement - Tenderfoot: Luke Gaskey, Bren Findley, Sam Reid, Adam Takas; Second Class - Bren Findley and Sam Reid; First Class - Ted Lizak;

Star - Matthew McGrory; and, Life - Sean Holcomb.

Troop 286 encourages all residents to donate a new, unwrapped toy for their annual toy drive, which is a community service project of the troop for more than 20 years. Troop 286 partners with the Cincinnati postal workers "Dear Santa Letters" program to collect, wrap and deliver toys to the main post office on Dalton Avenue in downtown Cincinnati. The toys are individually delivered by letter carriers to children who have sent a "Dear Santa Letter" and without this program would not receive a cherished toy for Christmas.

You may drop off toys at the following locations:

Post Office - November 28 - December 12 during normal business hours

Village Tree Lighting on December 7 606 Miami Log Cabin on December 14 from 2-4 p.m.

We hope that the village helps us with our goal to collect more toys than last year.

Many thanks for your support of Troop 286.

What's the difference? TerracePark.org is the official Terrace Park government website and is operated and funded by the Village. TerracePark.com is a community website that is independent and supported by sponsors.

The TerracePark.com site was created about 15 years ago and at that time was one of the only community websites in existence. Because it was so unique, Cincinnati TV Channel 12 News came to Terrace Park to do a special feature about how a small community was using the internet to communicate information. The company that provided server space for the website also offered the option of providing a listserv, so the TPList was started shortly after the website was created.

The TerracePark.com website has been redesigned several times over the years. Today it primarily

serves as a portal to other community sites.

The Clubs and Organization section provides links to the following sites: TP Garden Club, Village Views, Kindervelt #76, TP EMS, TP Historical Society, TP Recreation Commission, TP Environmental Group, TP Swim Club, St. Thomas Church, and TP Country Club. Other local clubs and organizations can have their site linked here by emailing gjm@terracepark.com. The Links section provides a listing of the surrounding communities' sites including: Mariemont, Indian Hill, Milford, Camp Dennison, as well as Grand Valley and Valley View Foundation. The Sponsors section lists the companies and individuals that make the site possible.

Faith, Family and Future Initiative at St. Thomas Church

By Patti Normile
St. Thomas Episcopal Church began its ministry in Terrace Park about 140 years ago. Through nearly a century and a half, many have thought of it as the Village Church , a sanctuary where people have come to pray when times were troubled or a place to visit to give thanks in happy times. Even driving by the church offers a lovely view of architectural beauty and a reassuring reminder that there is a spiritual heart to Terrace Park .

The congregation of St. Thomas wants to maintain that beauty and presence. A church is not unlike a home. A roof may need replacing; air conditioning and heating systems fail; old windows need replacing. Even an old organ begins to creak and falter. While the yearly budget takes care of routine maintenance and repairs, sometimes a fundraiser is necessary to cover the cost of major updates and repairs. With that in mind, the Faith, Family and Future Initiative is underway.

Faith. No matter where your faith home is, the people of St. Thomas hope you also find a center of faith, hope and prayer at St. Thomas . All are welcome to worship with us, to enjoy the beautiful music of Bach Vespers with members of the Cincinnati Symphony Orchestra and the College Conservatory of Music or the calm of Taize worship. Youth activities bring young people from surrounding communities together to serve others and to worship with their peers.

Family. Summertime’s Vacation Bible School and the St. Thomas Nursery School strive to bring to children values that sustain and enhance family and community life. CCMPrep’s music lessons conducted at the church are available for all ages. Book groups, Sunday morning programs for both adults and children, programs for busy families, special gatherings for Moms are open to all. You don’t have to join

St. Thomas in order to “belong.” Future. To insure the future of educational and spiritual programs, inspiring music, and the physical structure of St. Thomas, the leadership has created an Initiative to reach out to members, friends and neighbors of the church to support the Faith, Family and Future Initiative. Those who appreciate the presence of

St. Thomas Church in our Village of Terrace Park are invited to contribute. For further information, contact the church office at 831-2052. Contributions can be sent to St. Thomas Church , 100 Miami Ave. , Terrace Park, OH 45174.

News from the Terrace Park Historical Society

Some Unusual Items in our Archives

Some of the most interesting items in the TPHP archives are not even from Terrace Park, but were souvenirs brought home by Terrace Park travelers. One example is a beautiful gold-embossed book of engravings from the 1904 "Universal Exposition" in St. Louis Missouri.

According to the title page, "The feast is spread. The greatest of the World's Fairs is in full swing. More than three years of unflagging labor by an array of earnest workers are embodied in the completed Exposition."

Then follows page upon page of architectural marvels. According to Wikipedia there were over 1,500 buildings, connected by some 75 miles of roads and walkways. "It was said to be impossible to give even a hurried glance at everything in less than a week. As with the World's Columbian Exposition in Chicago in 1893, all but one of the grand, neo-Classical exhibition palaces were temporary structures, designed to last but a year or two. They were built with a material called "staff," a mixture of plaster of Paris and hemp fibers,

Charles Meurer painting of Terrace Park

on a wood frame."

This makes our book of engravings a real window to the past, as these amazing structures are no longer standing.

If you are clearing spaces in your home and find any of forgotten treasures from long ago or far away, please consider them to the Terrace Park Historical Society. The passage of time only makes them more interesting and valu-

able to the current generation.

Charles Meurer Paintings in Terrace Park

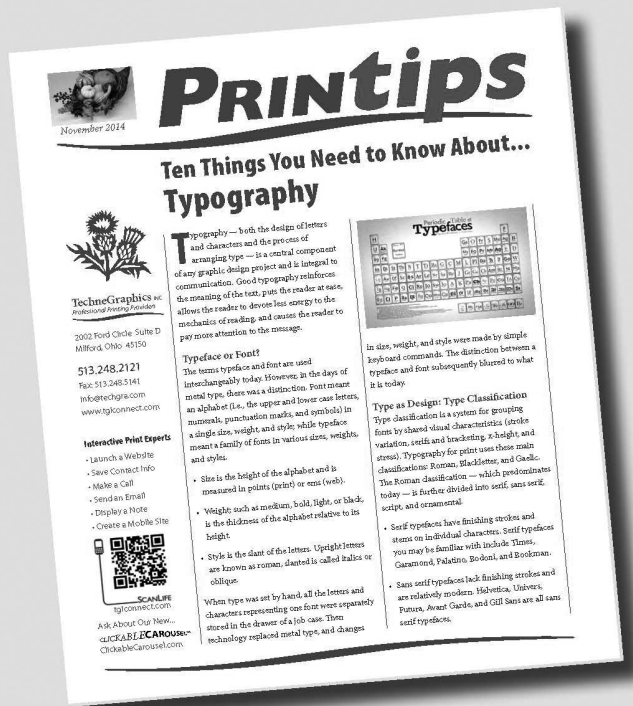

We would like to know of current Terrace Park residents who may own original works by Charles Meurer and whether they would allow us to make photos for our collections. We have one of these paintings on display in our Gallery, donated by Virginia Fenton, and we are aware of several more in Terrace Park homes. To respect your privacy, we would not list the owner or the home, but just save an image. If you are interested, please contact us at (513) 248-1777 or by email at tphistoricalociety@gmail.com. You are always welcome to visit us at our offices in St. Thomas Church, lower level, on Thursdays from 1-4pm.

Join our Board!

Would you like to help us with some of our many projects and activities? Please consider joining our Board. We will have elections for 3-year Board member rotations at our first program in 2015. Look for an announcement in the next issue of the Village Views. Be a part of history!

Living well into the future.

That describes our life here. It's so much more than the incredible staff & friends, educational opportunities or wellness programs. It's also knowing our future is secure even if our financial resources run low or our health care needs change. It's in writing, there are no long-term commitments and you can choose a no entrance fee option. Backed by a substantial endowment and sound financial management, it's a promise they have kept for over 60 years. Contact Gini Tarr at 513.561.4200 or visit www.deupreehouse.com/maechlings.

We provide the options, you make the choices.

Deupree House in Hyde Park is a community of Episcopal Retirement Homes, where all faiths are welcome.
