

## TP Considers Utilizing Hamilton County Building Official

Submitted by Christy Hampton  
The February 2020 meeting of the Village of Terrace Park Council was called to order by Mayor Tepe. Mr. Tepe said he still has not gotten information from MSD about sewers or the consultant's report, but he hopes to at least have some update by the March council meeting.

EMS Chief: Mr. Maggard reported that the current EMS class has 3 members and is in training. He also welcomed Jill McAdoo, a fully certified EMT who just moved to Terrace Park from Arizona.

Public Safety: Regina Sharp presented and council passed Resolution 2-2, 2020 to appoint Jill McAdoo to the volunteer emergency medical services department.

Planning & Zoning: John Gaskey presented for a first reading, Ordinance 2-1, 2020 authorizing the village administrator to enter into an agreement with Hamilton County related to services of the Hamilton County Building official. He explained that this would utilize the services that Hamilton County already provides versus Terrace Park continuing to employ our own building official. He will present it to council for a vote at the March meeting.

Finance: Jeff LeMay presented Resolution 2-1, 2020 requesting the county auditor to make tax advances during the year 2020 pursuant to Ohio Revised Code. This allows us to get our tax advances earlier. The resolution passed.

With no new business, the Mayor adjourned the meeting.

## First Snow of the Decade

The last day of January brought the first snowfall of the year. It was late morning when the flakes started flurrying and in the kindergarten at Terrace Park Elementary that meant one thing... emergency recess! Mrs. Merten's students are seen above with tongues out to catch the fun. We are fortunate to have a village school where spontaneous joy and an appreciation for the natural world are a part of a child's education.

## Saying Goodbye to Bill Pendl

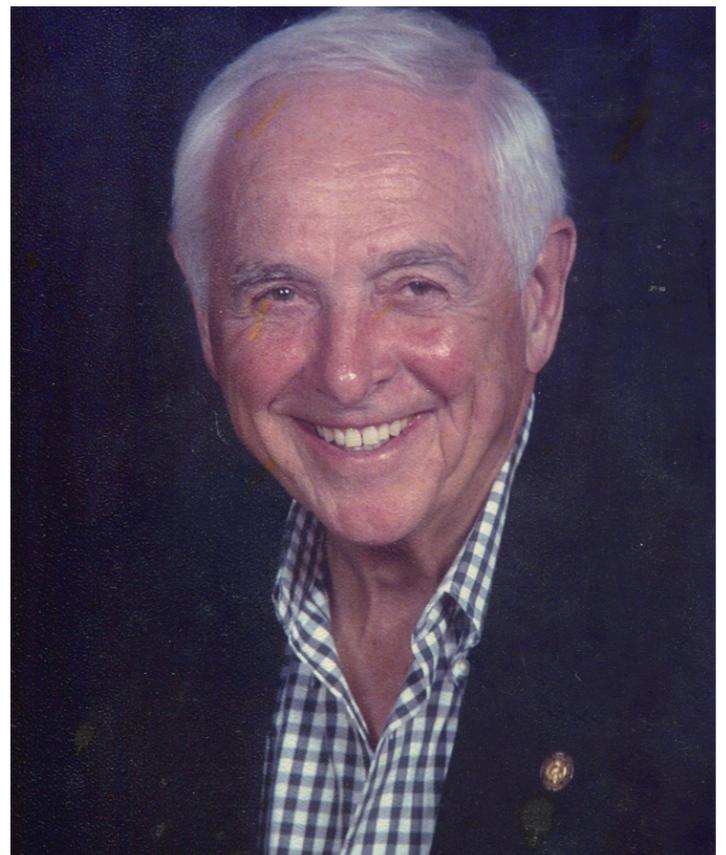

Submitted by Patti Normile

The community of Terrace Park said goodbye to one of its finest on February 3, as Bill Pendl was remembered at a Requiem Mass at St. Thomas Church. Bill died on January 22, with his children, David, Jeff and Holly Bortz and his wife, Debby, at his side at home in Terrace Park. Bill and his late wife, Jane, moved to Terrace Park in 1967 and raised their family here.

Bill touched many lives as colleague, neighbor, coach, mentor and friend.

He was born in 1932 in South Bend, Indiana, where there's a street named Pendl. He graduated from his much-revered alma mater DePauw University, served in the Air Force, and had a well-respected career with IBM. Tennis gave Bill his wonderfully unique outlook. More than simply a sport, it can be said that tennis was his way of life. His commitment, support and love of tennis became a driving force for much of his life and service to others, both for DePauw as a volunteer tennis coach until recently, and the tennis community itself.

Bill had two families, the Pendl family and the DePauw University Tiger tennis family. His accomplishments and devotion to tennis resulted in Bill's induction into the DePauw Athletic Hall of Fame and the Greater Cincinnati Tennis Association Hall of Fame among many accolades. The number of young

Bill Pendl

adults he mentored and his support of the sport itself were the source of much pride for Bill. He will be remembered for his kindness and compassion and a smile that brightened his way.

The family has requested

memorials be offered in thanksgiving for Bill to the "The Team Riggle Foundation for Parkinson's Disease," 860 Robin Wood Place, Greencastle IN 46135, St. Thomas Church, or a charity of one's choice.

## Dear Neighbors,

Well March has arrived. Always feel like we are through the worst of winter after March first even though a lifetime in Cincinnati tells me otherwise. We've seen snow on Spring Break here and frost into May but the groundhog said spring is on its way early this year and I choose to believe him. Speaking of spring, there is still time to order your flowers from the Garden Club and your mulch from the Boy Scouts so don't wait, order today. We have three new Eagle

Scouts in the village, it's time for March Madness, and we are saying goodbye to a longtime resident. It's all part of a new season in our quiet, shaded hamlet. Fifty years ago, in the March 1970 issue of this paper there was an article about our beloved white squirrels. Did you know they have been seen in Terrace Park since at least 1950? Let's hope they still are fifty years from now. Until next month I remain,

Your Editor,  
Steve Early

## Village Was Lit for Holiday Home Contest

The 2nd annual Holiday Home Decorating Contest brought out the inner Clark Griswold in many Terrace Parkers this past December as more than thirty households entered into the fun. The setup is pretty simple. On a designated night our out-of-town judges tour the village and check out each house that has entered the contest. Three winners are chosen and each winning households then selects a charity of their choice to receive a \$100 donation. The contest is brought to you by The Village Views and Steve Early with Sibcy Cline Realtors.

From inflatables and light projectors to LED lights and The wet Bandits, the judges had a hard time picking three top houses. The 600 block of Marietta avenue entered together and put on a display so impressive that the judges had to give them an honorary "Spirit of Terrace Park" award. We are lucky to live in a place where neighbors become close friends and working together exemplifies that true spirit of the village. Some of the judges' favorite sights included the Minor's home at 211 Oxford, which looked like the setting of a Christmas film, and the Roe's window boxes at 311 Harvard which highlighted this classic Victorian home. But after careful consideration the three winners selectee were "Best In Show"- the Heis family at 307 Ox-

ford, "Simple Elegance"- the Lyons family at 811 Douglas, and "A Classic Christmas"- the Steele family at 734 Park.

The Heis family, who won for the second year in a row, donated their prize money to GForce, a local charity helping one of our neighbors and his family who are living with ALS. Ken teold the Village Views, "We hope Rudolph and Santa brought a little joy to everyone who drove by our home. They certainly helped put our family in the Christmas Spirit." The Lyons family also donated their prize money to GForce and told us, "The Hardens are our friends and neighbors with Graham coaching all three of our kids in lacrosse at Mariemont." The Steele family sat down for a family dinner and had a discussion about which charity to give. Each family member said where they thought it should go and each had a different amazing idea and cause but in the end they decided on a donation to a local family who had touched their hearts.

The Village Views hopes this contest will become an annual holiday tradition in the village and we welcome any suggestions you may have on how to improve it. Feel free to email us at TPVillageViews@gmail.com. Some have suggested that we announce categories prior

# Police Report

Submitted by Andrea Barter

The theme for January is that UDF employees know what is going on in and around the store: They see you when you steal stuff, and are happy to let a judge decide whether "I need to know how stuff

works" is a valid reason for trying to break in through a locked door. Please tell your kids the UDF is not the gang clubhouse and to respect the employees.

# What's New at Kiwanis of Mariemont?

- JH Stock Market Game
- HOBY Leadership program
- Mentoring for Warriors Beyond

We have granted over \$250,000 in college scholarships over the last 2 decades (\$15,000 in 2019 alone). These efforts are supported by our fundraisers:

- Art & Craft Fair
- Holiday Nut Sales
- Golf Tournament
- Fairfax Fall Festival

Thank you for all you past support of these efforts!

What new?  
 • We now have a separate 501-C3 Foundation – Kiwanis of Mariemont Childrens Foundation - which is a fully tax deductible charity.

- Our website is being upgraded for ease of use and greater

functionality .

• We are adding a Texas Holdem Tournament fundraiser. Food and Drinks were sponsored by Jersey Mikes, 50 West and Woodburn Brewery.

Mariemont Kiwanis meets weekly at the Mariemont Elementary School cafeteria on Tuesdays from 7:40 to 8:30 AM. Weekly speakers provide insight into issues of local interest by leaders in business, government and education. Our membership is made up of those in the middle of their careers, retirees, men and women; all who share the common goal to help the kids of our communities.

You do not have to come to every meeting to be a member of Kiwanis. Some of our members that make the biggest contributions to our mission only come to a few meeting each year. If you have a suggestion on what might work for you, text a message to 513-404-1422 to reach our membership committee. So, if you are looking for a local volunteer group to join please consider Kiwanis. For more information please check out our website at [www.mariemontkiwanis.org](http://www.mariemontkiwanis.org). ## Win a Large Flower Basket From TP Garden Club

Submitted by Frances Stafford

In this issue of the Village Views, you will find the order form for the TPGC Annual Plant Sale on the Green on May 2nd. Please make your selection of healthy, beautiful plants on this form. They are supplied, as in previous years, by The Olde Garden Shack, now only available in Batesville. Add up the cost of your order and enter it into the Grand Total slot on the bottom, right-hand corner of the form. Send it, with your check, to Sandy Breamour, 975 Elm Court, Terrace Park 45174.

If you wish to donate without ordering plants, please use the form and enter your name etc. at the top and your donation amount in the bottom right-hand corner. Send it to Sandy and she will ensure that you get the correct number of raffle tickets and your chance to win the beautiful hanging basket.

All orders are due back to Sandy by March 5th. So please do not delay in ensuring your plants will be ready for you, on the Green, for your summer garden. The Plant Sale is our major fund raiser for the

year, and we thank you all most sincerely for your generosity.

We will not be doing a mail drop of the form, so you need to use the one here or the one from the January issue. They are the same. In the new layout of the form, plants are listed in three groups according to packaging. First (A) 5-inch pots for \$4.25, then (B) flats with 18 plants in 4-inch pots for \$18 and finally (C) baskets and miscellaneous plants which are priced individually. We hope that you find this layout helpful but if you have any questions or problems, email Lucy Maish at [lucymaish@yahoo.com](mailto:lucymaish@yahoo.com). She can also advise on which plants would be best for your beds.

Whether you are a novice or an experienced gardener, if you love gardening and meeting other enthusiasts, we cordially invite you to come to a meeting and consider joining our club.

# Boy Scout Troop 286 Honors New Eagle Scouts

Congratulations to Philip Forbes, Sam Reid, and Luke Gaskey, the most recent Terrace Park residents to attain the rank of Eagle Scout, the highest rank in scouts. Troopmaster Marty McGrory and members of Troop 286 held an Eagle Court of Honor on February 2 at St. Thomas Episcopal Church. Since the rank of Eagle Scout was created in 1911, only four percent of boy scouts have achieved this level. Past recipients include four Nobel Prize laureates, 11 Medal of Honor recipients and at least 40 astronauts including Neil Armstrong. Congratulations, gentlemen!

## Mulch! Mulch! Mulch!

Submitted by David Cooper, BSA Troop 286

It's March and that means MULCH! Terrace Park Boy Scout Troop 286 is once again sponsoring our annual mulch sale to raise funds to support our scouting activities. The troop started selling in mid-February, and will be tak-

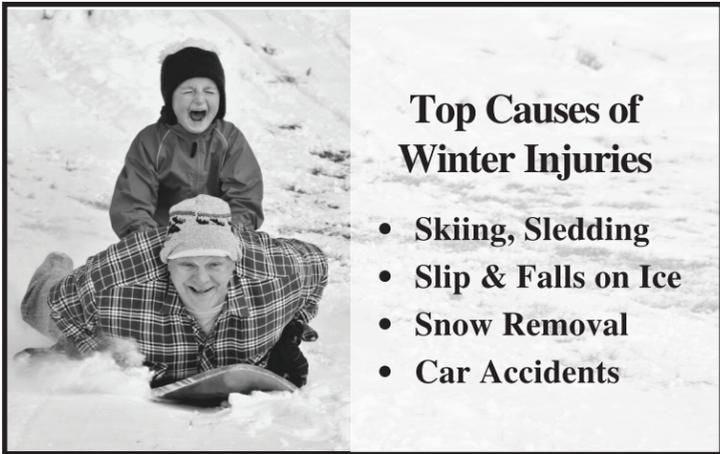

ing orders through March 8th, with delivery to your house scheduled for March 13th and 14th. Your purchase contributes to the following:

The Terrace Park Boy Scouts give back to the community in many ways. Recent Eagle Scout service projects have included: Improvements to the community Log Cabin (you should really go inside and check it out!), construction of storage shelves for the TP PTO, rain gardens at Terrace Park Elementary, refurbishment of most fire hydrants throughout the village, and many more!

In addition, every Christmas the Scouts collect and wrap holiday gifts to distribute to children in need through the Post Office Letter Carriers; we assist with the Pancake Supper, conduct a food drive on Super Bowl Sunday and periodically conduct clean-ups along the

bike trail and Little Miami River. Most of all scouting in Terrace Park provides a positive opportunity to develop skills and responsibility in our youth. There are local camping trips throughout the year (East Fork, Caesar Creek, John Bryan, Mega Cavern), and high adventure trips: backpacking in New Mexico, canoeing/camping the Canadian Wilderness, and this past summer - sailing and living on an 80' schooner off the coast of Key West. Several scouts have participated in National Advanced Youth Leadership Training, both as campers and as staff.

We hope you will support the Terrace Park Boy Scouts by purchasing your mulch from your local Scout. If you haven't heard from a scout by March 5th, and would like to purchase mulch please let me know and I will send a scout your way. Thank you, TP, for all of your support!

# John Robinson's Narrow Escape From Lightning

From The Cincinnati Post March 26, 1904

Escaping from death's jaws a half dozen times in his notable career, "Governor" John F. Robinson, veteran millionaire circus owner, was the target of a mysterious electric agency during the storm Thursday afternoon. He was sitting in his suite of offices in the

Robinson Homestead at the circus farm near Terrace Park when suddenly there was a frightening flash of lightning followed by a crackling and spitting of fire from the telephone battery. Governor Robinson ran to another room. Three telephones centering at one point

on the wall were demolished by the shock and the wainscoting in the office was set on fire. Governor Robinson shouted for help. Servants found the circus magnet bordering on nervous prostration from his experience. The fire was put out by a bucket brigade.

# Super Night for a Super Bowl

On Sunday February 2nd temperatures reached a balmy 64 degrees in Terrace Park. As the great weather fell on Super Bowl Sunday, some families came up with a plan to enjoy the weather and the big game. With a projection screen, grill and fire pit, the Village Green became a great spot for a pop up Super Bowl Party! BYOGC (golf cart).
