

Village Ends Year on Positive Notes

Submitted by Sue Porter

Terrace Park Village Council's final meeting of 2020, held online via Zoom, celebrated key wins despite a year complicated by a global pandemic.

On Dec. 8, council members passed a balanced budget for 2021 that requires no new taxes. The mayor recognized Mariemont High School's state championship soccer team, and also the staff and volunteers "who left the village in a better place than it was in January 2020."

The appropriations budget, presented by finance chair Jeff LeMay, received unanimous approval. Council also approved an \$11,000 adjustment that did not increase the overall budget but moved available money to areas where it's needed.

Mayor Tom Tepe thanked Col. Jerry Hayhow, village administrator and police chief, and Katie Lyons, chief fiscal officer and village clerk, for preparing the budget, which encompasses 200 cost centers.

In addition, Mayor Tepe declared Dec. 8, 2020 Mariemont High School (MHS) Boys Soccer State Champions Day and read a petition that will be made available to coaches, team members, and parents. It praises the team for completing an undefeated and untied season that culminated Nov. 14 in the school district's first state soccer title.

Mr. LeMay, whose son McLain was a member of the team, praised the champions for sportsmanship that was dignified, competitive, and reflected well on the school district and community.

"This is a classic example of why we like working in this district," said MHS head boys soccer coach Erik Vanags, who joined the meeting to accept the proclamation. "The level of community support we had this season was unreal. The deeper we got into the tournament, the louder the crowd became and the support lifted the team ... I can't thank you enough for the recognition, support and honor."

In his mayor's report, Mr. Tepe praised MHS football, cross country, tennis and golf teams for outstanding fall seasons and gave special recognition to the girls varsity soccer team, which finished their season as district champions.

Also receiving mayoral recog-

nition were the paid and unpaid individuals Mr. Tepe credited with "making a great community greater." He annually reads their names for the official record to thank everyone and to bring attention to the many volunteers required to maintain village operations. He said more volunteers are needed and specifically invited younger, newer residents and retirees to get involved. Among those named:

Elected Officials and their areas of service: Jeff LeMay, finance; John Gaskey, planning and zoning; Judith Lehman, rules and law; Lauren Ingebritson, public safety; Pax Lindell, public works; and Regina Sharp, building and grounds.

Village Staff: Col. Hayhow and Katie Lyons; police officers Lt. Chin, Sgt. Pruitt, Sowders, Williams, Johnson and Navarra; maintenance crew Steve Fuhrman, Dave Evanchyk and Tim McLemore; clerk of courts Bob Barket and urban forester Mark Castator.

A different but fun format for the Dessert Auction this year raised over \$2100! An online only format taking the Dessert Auction back to its dessert roots (and maybe some wine and TP collectables) paired with a Virtual Meeting and Terrace Park trivia. If you can answer what early pioneers called Terrace Park or what year the first telephone came to Terrace Park then maybe you can take on our first Dessert Auction Terrace Park Trivia Winner, Katie Waterson! Congratulations to Katie as she earned bragging rights until the next pandemic induced virtual game.

A HUGE thank you to the committee for your help in bringing to life a cherished tradition in such nontraditional circumstances.

What a magical evening for our community! Lighting of the Green took a different form this year to keep our community safe. After the Holiday Magic

Dear Neighbors,

Just writing "January 2021" here does feel strange. This is the first issue of the new year and with vaccines on the way we are hoping that by the time the pool opens we will be back to group lunch, packed sporting events and Terrace Park parties! In this issue we are taking a look back at a wild year in Terrace Park and one that won't soon be forgotten. We are also saying goodbye to three people who made a big impact on 20th Century TP and welcoming two new residents who will, no doubt, make a big impact on the twenty first century. As Rick says in the film, Casablanca, "That's

The Ingebritson Family

the way it goes. One in, one out." And one longtime resident we are saying goodbye to is former fire chief Pierce Matthews.

When I was growing up on Winding Brook, the Matthews lived across the street and it meant two things; we always had the snow on our street plowed first in case he had to get to an emergency, and if I ever tried to light fireworks in the summer, he was the first to call and let me know it was too dry for fireworks, not to mention illegal. One night in 1991, the house next door to the Matthews burned down in one of the worst unplanned fires in vil-

lage history, and it happened to fall on one of the few times in his career that Chief Matthews was out of town!

Enjoy this issue and the new year in Terrace Park. We are running the Garden Club's plant sale order form so shake off the January blues by ordering your summer beauties now. The year passes so quickly, it will be time for flowers and summer fun before we know it. Until next time I remain,

Your editor,

Steve Early

To Our Neighbors of Terrace Park,

We would like to offer our appreciation and gratitude for the Village's thoughtfulness over Thanksgiving. On Thanksgiving Day, we, and other health-care workers, were surprised and honored with HealthCare Hero packages. These included a yard sign, personalized cards, and gift cards as well. This was very touching and demonstrates how considerate and thoughtful all our neighbors are. This rep-

resents what a special neighborhood we live in and why we are proud and honored to be part of such a great community. While the COVID-19 pandemic has been hard on everyone, the recent uptick and stress at work from the most recent surge has been onerous. This really helped to uplift our spirits. Thank you.

Gratefully,

Brendan and Katie Sheridan

Law & Order

’Twas the month before Christmas, when all through TP Not a creature was stirring, not even a white squirrel;

The lights were hung by Brent Wise with care,

In hopes that no other house would be more festive than their;

The children were nestled all snug in their beds;

While visions of ding dong ditching danced in their heads;

When out in the Village there arose such a (November) clatter,

Police Officers sprang from their patrol cars to see what was the matter...

• Teenagers sitting in a car with an array of marijuana and paraphernalia!

• Teenagers driving on Stumps Lane at 2:12am!

• A mail carrier getting bit by a neighborhood dog!

When what to my wondering eyes did appear,

Old Saint Nick providing us with some much needed cheer;

And visions of 2020 being a pain in our rear!

Longtime Resident Helen Tollefsen Remembered

Helen Funke Tollefsen, a long time Terrace Park resident, died peacefully in her sleep on December 8, 2020. She was 92 years old. Helen was married to Ace Tollefsen for over 68 years and was a loving mother to Scott and Blake Tollefsen, and a proud and doting grandmother to Gabrielle and Caroline Tollefsen. She was very active in the community and a friend to many at St. Thomas and throughout Terrace Park.

Helen was born on April 1, 1928, in Cincinnati, Ohio. She was a Withrow High School and University of Cincinnati graduate and was a beloved 3rd-grade teacher at Terrace Park Elementary for over 20 years. She had many interests including gardening, flower arranging, knitting, playing bridge, reading, and traveling. Helen was very active in the Altar Guild at St. Thomas Episcopal Church, the Terrace Park Garden Club, the Terrace Park Woman’s Club, the T.T.T. Society, and her treasured “Teachers Group”. She loved children and read for many years to the children of St. Thomas Nursery School as the Christian Reader. She was

tireless in arranging the flowers for the church and passed on her love of making the altar beautiful by training many others in the congregation. One of her proudest achievements was attending a flower-arranging course at the National Cathedral in Washington, D.C.. Helen also loved the arts and enjoyed watching her granddaughters in ballet and theatre productions and attending the Cincinnati Opera. She took great joy in gardening and sharing tips, seedlings, and flowers with fellow gardeners. In pursuit of her many interests in life, Helen has touched many and will be long remembered by family, friends, neighbors and former students.

Due to the COVID-19 pandemic, to keep everyone safe, services were private for immediate family only. In lieu of flowers, memorials may be made to the National T.T.T. Society (6919 Vista Dr., West Des Moines, Iowa, 50266), which supports underprivileged children attending summer camp, or St. Thomas Episcopal Church, Terrace Park, Ohio. Condolences may be expressed online at www.craver-riggs.com.

Little ones were still able to enjoy Santa during the annual Lighting of Green.

Holiday cont. page 1

Santa Parade, Claire Hern & Ali Strohm met the Light the Tree raffle winners, the Ingebritson family, on the Green to light the Village tree. Thank you to Kyle, Lauren, Leland (8), Emilia (6), Louise (3), and Alexander (7 months) Ingebritson for kicking off this festive season. Reverend Darren Elin also provided a beautiful tree blessing virtually.

Holiday Magic

On December 13th, the magic of Christmas was seen and heard throughout the Village as our favorite Santa rode through the streets on a horse drawn carriage, visiting the eagerly awaiting children and their families. Santa stopped at 4 "watch spots," where he told stories of the North Pole, his reindeer, and yummy cookies to leave out on Christmas Eve. Kindervelt members had the option to purchase "Holiday Magic Care Packages" which included a book signed by Santa himself and a personalized ornament as a keepsake for the special evening. Our hope is to bring back Holiday Magic in full swing next year with the tradition of Santa visiting a lucky handful of families in their homes (as long as COVID cooperates!). Co-chairs Amy Tyson and Kathryn Gall want to wish you all a very Happy Holiday and hope you had a magical evening with your family!

Other items of note:

• Councilmember Sharp said 30 village trees will be removed to ensure public safety and action will be prioritized by risk assessment. Col. Hayhow said stumps will be removed in a timely manner.

• Mayor Tepe said sewer feasibility will be discussed in January during an executive session. He expects progress to slow due to the recent election of two new county

commissioners.

• The mayor also asked village residents to “stay safe, stay smart” and practice COVID-cautious behavior.

We love the mortgage work we do in our neighborhood and our clients do too.

I have the pleasure of talking with people from across our community every day, helping them get their mortgage to where they want it to be.

While low mortgage rates are holding steady, it's a great time to review and evaluate your current loan—It may be time to refinance for a lower rate, take cash out for a project (or many other good reasons) or to move on to your next home. My team and I will help you reach the best scenario for your financial situation and future objectives.

2020 - Year in Review

MARCH - Last month ended a little different than it began which includes the way Terrace Park children talk to friends. Residents on Amherst Avenue made sure to keep apart while catching up on life while quantined.

APRIL - First-graders at TPE were still able to have their weekly share time with fellow classmates, except sharing was done virtually though zoom.

MAY - Congratulations to the Marimeont Class of 2020! Graduation day was a little different this year including a parade starting in Fairfax ending in Terrace Park!

MAY - Over 35 magical fairy doors were scattered throughout the village organized by the mysterious Bramble Merriweather. Thank you Ms. Merriweather!

AUGUST - In a year full of "firsts" in Terrace Park, back-to-school 2020 was no exception as the continuing threat of the coronavirus led to a staggered return over three days at our village school. Though things may be different this year, the spirit of TPE remains the same as the unofficial start to autumn begins. Teachers, parents and students were all happy to see each other again after so many months away and the sight of the bike racks in use again brings a smile to anyone driving down Elm Avenue.

November - The Marimeont Warriros Men's soccer team captured its first ever state championship in November with a 4-1 victory over Youngstown Cardinal Mooney at Mapfre Stadium in Columbus. The win capped a perfect season for the Warriros who went 23-0!
