

# STATE CHAMPS

Photo Credit - Steve Spooner

Members of the Boy's and Girl's Mariemont Lacrosse Teams gather for a group picture after their State Championship wins on Saturday, June 5th.

## Coach P Looks Back on a Fantastic Season

Submitted by Steve Peterson

On Saturday June 5, the Mariemont High School Boys Lacrosse team won their 5th State Title, which made history as they became the first team in Ohio DII High School Lacrosse to win five state championships. This puts Mariemont in the company of (DI) lacrosse power Upper Arlington (UA) who has long been the gold standard for Ohio boys lacrosse. Both schools now own the record for the most state titles in their respective divisions. That is pretty darn cool considering Mariemont just completed our 20th season as a varsity program this year.

Additionally UA and Mariemont are also the only two schools to have both the boys and girls win lacrosse state titles in the same season. This is something everyone is very proud of in our program.

Bringing a championship home to Mariemont was our fo-

Senior Seth Greene celebrates Mariemont's win over Indian Hill with youth lacrosse players.

cus all year long, and our team did it for the community and for Coach Graham Harden. We all wanted this for Graham, our families, our school and for each other. This win meant a lot, especially being the fifth since no other school had done this before in DII and no other Mariemont team has won 5 titles. We did indeed make history!

How Did We Do It?

Having a good faceoff unit, a strong defense, solid goaltending, and lots of guys that can score goals was the trademark of our team this year.. Faceoff specialists Seth Greene and Mac McLelland dominated

## A Memorable Year for Girl's Lacrosse

Submitted by Kevin Ferry

After the heartbreak of missing the 2020 lacrosse season, there was much uncertainty about how the 2021 season would go while still coming out of a global pandemic. Despite a year of setbacks, the Mariemont Varsity Girl's lacrosse team came out on top of the state for the second time in 3 years.

Led by seniors Marley Megowen and Sophie Toman in the midfield, Marah Campbell, Abbie Lyons, and Hailey Zobrist on attack, and Chloe Telgkamp, Claire Soller, and

Mckenzie Zobrist on defense, with Olivia Simpson in the goal, we built confidence and found our stride through the heart of the season.

In the playoffs, the Warriors enjoyed a #1 seed and a bracket in which most who could, tried to avoid running into Mariemont. We breezed through the Regionals with wins 24-0 against Miami Valley School, 13-2 over Cin-

cinnati Country Day, 18-4 over Seven Hills School, and 16-6 over CHL rival Wyoming in the Regional Finals. The first close contest was in the State Semifinals when Mariemont held off a late charge defeating Bishop Watterson for the second time this season 14-13.

In the State Championship game, after a tightly contested 20 minutes, the Warriors' athleticism won out and they were able to stretch out a comfortable 10-5 lead by halftime on their way to a 16-6 victory. In a strange pause during the second half, a swarm of bees invaded the Mariemont goal and after a great deal of effort led in part by the Warriors' resident beekeeper/goalie-coach Dan George, we were able to finish the contest. Senior Marley Megowen led the Warriors with 5 goals in the championship game, falling just one goal short of the OHSAA

Girls cont. Page 3

## Dear Neighbors,

Summertime and the living is easy... cicadas are gone, graduation is over, and with COVID in the rear-view mirror I am ready to drop a line in the Little Miami and enjoy it!

We are celebrating double state championships this month as both the boys and girls lacrosse teams from Mariemont High School brought home another round of state titles! I've said it before and I'll say it again- this is truly incredible! Remember that we are a public school made up of three very small communities. We can't re-

cruit and we can't expand. As a result our players work harder, smarter and longer than anyone else out there. Our coaches put in 200%, on the field and off, to help our student athletes achieve their very best. Through a combination of raw talent, incredible dedication to hard work, and unyielding support and guidance from coaches, this program consistently produces champions.

We are also saying goodbye to our neighbor, Graham Harden, who passed away just a week after the lacrosse cham-

pionships. Graham was an integral part of the TP and MHS lacrosse programs for many years and his daily perseverance while living with ALS set a standard of character that helped shape a generation of young athletes in this school district.

July is usually a quiet month in the village; lots of your neighbors are off to Michigan or some other relaxing locale and here at the Village

Dear cont. Page 2

## Letter to the Editor

Dear Terrace Park Community,

The entire Harden family has been overwhelmed by the extraordinary outpouring of support for Graham and his family over the past five years as he courageously battled ALS. We want to thank all of the friends and neighbors who have dropped off food and sup-

plies, run errands, done repairs, organized fundraisers, kept us company, and made us laugh and smile throughout this journey. What would we have done without you all? You are in our hearts forever.

With love and gratitude,  
 Dawn, Kendall, Lindsay, and Cole; and Graham's siblings, Shea, Boyd, and Holmes

## In Memory

After a 5-year battle with ALS, Graham Harden II, 52, passed away peacefully on Saturday, June 12, 2021 at his home in Terrace Park, OH.

Graham was born on July 15, 1968 in Newport News, VA to Holmes and Gail (Elder) Harden and grew up in New Canaan, CT. Graham attended New Canaan High School, Deerfield Academy (class of '87), UNC-Chapel Hill (class of '91), and the Kenan-Flagler Business School (class of '00). He was a multi-sport athlete at New Canaan and Deerfield and an all-American D1 lacrosse standout at UNC. In 1991, Graham co-captained the UNC men's lacrosse team to a historic 16-0 season and an NCAA championship and won the coveted Schmeisser Cup as the national defenseman of the year.

After years of athletic success as a player and a reputation as a relentless and merciless competitor, Graham found his true life calling back on the field as a highly successful youth and high school boys and girls lacrosse coach at Mariemont High School and the Royals Lacrosse Club. Graham's gift was the ability to teach his young players about integrity, compassion, sportsmanship, teamwork, and life values through sports. Through his personal struggle with ALS, his endless hours training and volunteering as a local firefighter and first responder, Graham enabled and inspired youth athletes to be more than just a good player... be a good citizen.

In August of 2016, Graham was diagnosed with Amyotrophic Lateral Sclerosis (ALS or Lou Gehrig's disease). Graham quickly decided he was going to tackle ALS with the spirit of a competitor and, along with his legion of supporters, established a movement called GForce to build awareness and effect progress in developing treatments for

this currently incurable disease. His motto became "Game On, ALS".

Graham always had a passionate commitment to family, friends, neighbors, teammates, and youth. His community influence expanded outside Terrace Park to southern Ohio, Connecticut, North Carolina and beyond. He taught us all the importance of being humble and living for others.

Graham is survived by his extraordinary and mutually devoted wife, Dawn (Adler) who he met while at UNC and married in the summer of 1992. He is also survived by his daughters, Kendall and Lindsay; his son, Cole; his mother, Lucy Gail; his brothers, Boyd (and Keri) and Holmes (and Blake); his sister, Shea (and John Naporano); and numerous nieces, nephews, aunts and an uncle. Graham was preceded in death by his father, Holmes.

Plans for an additional celebration of life in Terrace Park, OH and in New Canaan, CT will be posted on <https://www.facebook.com/gforcegameonals> when details are available.

In lieu of flowers, donations may be made to:

(1) Non-tax deductible: Graham Harden II Family Trust (donate at [gforcegameon.org](http://gforcegameon.org) or mail check addressed to the Trust to P.O. Box 1411, Los Altos, CA 94023). All proceeds from these donations will be used to pay outstanding ALS medical bills.

(2) Tax deductible: Cincy Royals, a 501c3 non-profit organization (mail check to Cincy Royals, 6675 Wyman Lane, Cincinnati, OH 45243). All proceeds from these donations will be used to establish a boys and girls lacrosse student scholarship at Mariemont High School in Graham's name.

His legacy continues...  
**GFORCE GAME ON!!!**

## Hello Neighbors!

I would like to introduce myself. My name is Paula Fitzpatrick and I manage Salon 2200 located at 453 Main St. in downtown Milford. I am a 20+ year hairstylist who would like to welcome you to our New Salon by offering a \$10.00 off discount to anyone who mentions this ad.

You may book online at:

## Dear from Page 1

Views we are taking the month off too. Your next paper will be coming out in late August just before (sorry kids for even saying this in June) but just before we head back-to-school. Enjoy your July wherever you are. Take a great family pic and send it to me at [TPVillageViews@gmail.com](mailto:TPVillageViews@gmail.com). We'll be publishing your summer fun photos in the next issue and you'll want to get your return-to-vacation documented! Until then I remain,

Your Editor,  
 Steve Early

# SPORTS

## Mariemont Athletes Earn All-American Awards

Senior Jeb Lindell, Senior Marley Megowen and Junior Max Tepe received their All-American plaques on Saturday, June 12th at The Ohio State University in Columbus, Ohio.

### Girls continued

record in the Championship game set by Courtney Robinson in Mariemont's 2018 victory. Marah Campbell added 4 goals, Sophie Toman and Delaine Oliveira contributed 2 apiece. Marley Megowen was later named 2021 USA Lacrosse All-American for her remarkable play this season. I was very impressed by the determination of our team and our ability to overcome adversity throughout the season. As I mentioned earlier, who could possibly know how things would go after a year off due to a global pandemic? To the girls' credit, led by their seniors, the team did a great job preparing for the season and helping their underclassmen get prepared. As an example of our ability to deal with difficulty, senior Abbie Lyons shattered her kneecap during Mariemont's successful soccer season which ended in the Regional Finals. Abbie worked like crazy, pushing her body to get back into playing condition for lacrosse and leading us at practice in her role as captain.

Despite frustrating setbacks and missing the first four games, Abbie came back in our game against Sycamore, a team with three Division 1 State Championships whom the Warriors had beaten only once in the history of the rivalry. Abbie paced the Warriors with six goals that evening, leading to an 18-10 victory.

Finally, in light of the passing of our coach, Graham Harden, one week after our championship game, it is hard not to find some inevitability in all this. It was Graham's living example of how to deal with adversity that was such an inspiration for all of us in this community, and more specifically, on our team. While we are all heartbroken at his loss, I think there is a feeling among us all that this season and this championship was our opportunity to say goodbye to Graham in the language of our relationship, our joyful embrace of life in a sport we all love. Our team is proud that Graham was able to see us through to our second state championship.

Midfielder Seth Greene wins a faceoff during the State Finals game against Chagrin Falls.

### Boys continued

faceoff possessions; with the help of strong wing play from Connor Souders, Jeb Lindell, Luke Rubin and Barrett Lindell. Goaltending was also outstanding by our keepers, led by sophomore starter Luke Brenneman, with help from Theo Christopher and Angelo Mendez along the way.

This year's team also had many scoring threats, as was exemplified in the first half of the championship game, where tallies came from six different players; Max Tepe, David Dorsten, Holden McCord, Evan Morgan, Sam Ciolino, and Boden Gall; all who scored in the first half where the Warriors led 7-5 at the break. Pinpoint passing, great sticks, and accurate shots all around.

Our team captains Holden McCord, Jeb Lindell, Seth Greene and Max Tepe did an excellent job providing leadership both on and off the field, which was certainly another big key to our success.

Seniors McLain LeMay, Angelo Mendez and Mac McLellend all played big roles in games and in practice as well, with McLain and Mac both earning Region 8 Honorable Mention. Attackman McLain LeMay, this year's team's most improved player, also exemplified the traits of a great attackman that: "goes full speed, dodges with their head up, and throws the ball hard". Good job McLain, Boden and Max.

How do we look next year?

Although we are losing six seniors, we believe that we will be strong and will again compete for a state title. Faceoff duties will transfer to Jack Mileham, Griff Beyers and John Baumgartner to replace Seth and Mac. We return two of our three starting attackmen, our starting goalie Luke, two of our starting defenders Barrett Lindell and Mark Morgan, as well as 1st Team All Region LSM Luke Rubin, and outstanding faceoff wing and D-mid Connor Souders. Junior Sam "Chi" Ciolino and Sophomores David Dorsten and Evan Morgan also return as starting midfielders, where combined they scored 6 goals in the title game. Lots of firepower, hustle and positive energy from our players returning.

This team made history in another way too. It was our smallest roster (36 players), since our inaugural season (2002), so all of our younger players participated (and played) in 3 or more tourney games for the first time ever. This gave them experience playing in the postseason, and an extra month of practice where they all grew a lot (this year) in preparation for next year.

Lastly, thank you to everyone in our lacrosse family for your support, and just like these boys who are moving on after winning their title, someday our youngsters in the stands will be playing for a title themselves.

So take a minute to smell the roses, have a good summer and know that...

The future is bright!  
Coach P

# MHS Graduate Raises \$13,000 for GForce

Marimeont Senior lacrosse face-off specialist Seth Greene pledged his face-off wins this past lacrosse season in support of Coach Graham Harden beginning with the first home game against Sycamore. Every face-off win by Greene for the Mariemont Warriors raised funds for G-Force. Greene won 204 this past lacrosse season raising over \$13,000.

"The whole community made this happen and I can't thank them enough for their support for me, the Face-Off Against ALS campaign, and most importantly for Coach Harden and their family. You can't put a dollar amount on coach Harden's value to the community, but the way so many people whole heartedly supported the cause was priceless. Everyone was so enthusiastic and willing to give and I can't thank you all enough for that. It means the world to me and all of us who knew coach Harden," explained Greene.

Greene is committed to play for the Division 1 Jacksonville University Dolphins and was named 2021 USA Today Cincinnati Boys Lacrosse Player of the Year.

Sherry Kiffmeyer and Ron Rieddy presenting the Kenny Kiffmeyer Foundation Award to Seth to apply to the Face-Off Against ALS. The award honors the memory and legacy of Kenny Kiffmeyer a football player and coach in Mt. Healthy. Like Graham Harden, Kenny had a passion for his chosen sport and was dedicated to using that passion and strength of character to shape the lives of young players. Kenny passed away from ALS in 2018.

# Willet is First Local Female to Achieve Eagle Scout

Mariemont BSA Troop 1149 is pleased to announce Ella Willett as their inaugural Eagle Scout! It marks the first time in the history of our troop that a girl has joined these illustrious ranks.

Ella joined Scouts back in 2019 when females were first invited to join Scouts BSA. A friend had encouraged her to try it, and the minute she joined, she knew this was for her. From caving and ziplining to her National Youth Leadership with NAYLE, NYLT and Kodiak Challenge she has loved her experiences. She has completed 30 merit badges with her favorites being kayaking and horsemanship.

For her Eagle Scout project, Ella planned and led the construction of a blessing box to provide non-perishables to clients of IPM Food Pantry in Newtown. With donations from two local businesses who provided the wood and shingles, she was able to complete the blessing box, fill it with food and even plant beautiful landscaping for IPM. It takes a village and so many individuals were quick to step up with materials, tools, non-perishable foods, monetary donations and support!

This summer she is going on a 12-day backpacking trek at Philmont in New Mexico and

Ella Willett

was selected as NAYLE staff for the 2 weeks prior at Philmont.

Eagle Scouts represent extraordinary dedication, hard work, integrity and character and Ella is proud to be part of this group as the first female Eagle Scout from Troop 1149. It's never easy to smash through a glass ceiling, but Ella has shown it can be accomplished. Ella is the daughter of Jason and Leslie Willet of Circus Place. Congratulations, Ella!

## Garden Club Debuts Autumn Bounty Sale

Submitted by Frances Stafford

On the Village Green Saturday 9/25 9:00am - 2:00pm Checks/Cash and Carry

Pumpkins, gourds, cornstalks, and both large and medium sized mums will be available all from Laura who supplied the beautiful plants for our sale in May. The profits will benefit our five gardens which add to the beauty of our unique village including the original Memorial Garden to remember our departed members, the Wooster/Elm bed by the TP entry sign at the west end of the village, the Wooster/Miami bed by the entry sign at the east end of TP, and the three boxes on each side of the bridge over the bike trail. The bed at Given Road also celebrates village homes across Wooster Pike.

Members volunteer each year to plan, plant and maintain the gardens so there is always something new to catch the eye. Occasionally a bed will need a complete overhaul. On one occasion a particularly persistent, ugly grass took over a bed and another time it was wildly overgrown old taxus. Knockout Ros-

es were spectacular for several years and then collapsed. The Memorial Bed required all fresh earth, mushroom compost, and fertilizer to support the abundance of flowers that beautify it today and in the coming years. Funds raised pay for these extra expenses. The members of the Garden Club hope that you will enjoy these colorful displays as you drive and walk about the village.

Whether you are a novice or an experienced gardener, if you love gardening and meeting other enthusiasts, we cordially invite you to come to a meeting, when we are permitted to meet, and consider joining our club. Please contact: Amy Evans, President at 513-403-6180 or Tina Hesser, Membership Chair at 513-520-8912.

# TNT Celebrates 40 Years

Submitted by Frances Stafford and Julie Northrup

On a July Sunday in 1981, a group of twenty or so Terrace couples carpool to Hawk's Head State Park near Anstead West Virginia. The trip was to raft the New River with Doug and Jeff Proctor's Class VI River Runner. Avid tennis players, they brought their rackets and drew couples for the planned mixed doubles tournament. The winners received "crystal" plastic glasses with the park emblem. Arriving back home, they continued the fun with tennis at the TPSC. This evolved into the Tuesday Night Tennis or TNT which met every Tuesday evening followed by supper at the Wooden Nickel (now gone) or the Millcroft (shortly to become a distillery). In winter, tennis was abandoned for gathering outside St. Thomas to walk to the Wooden Nickel to eat together. Next, Ted Northrup organized a tournament for Jan 14th 1984 at the French Lick Resort in Indiana. A chartered bus was hired taking the 40 participants, reveling all the way, to arrive in time for Friday night supper.

Mixed doubles were played on Saturday morning and afternoon and then on Sunday morning before departure. Some energetic folks also found time for bowling. A few, with more curiosity than energy, attended the spa soaking up to the neck in hot spring water that smelled of rotten eggs (sulphur) and which left a grey, gritty ring around the tub. This was followed by a massage and a clean shower. Bliss for aching muscles! More sleeping

than reveling took place on the drive home. These trips continued through 2003. Some made a trip in 1997 to Pipestem State Park in West Virginia.

It took a world pandemic to close us down – but only briefly. When the powers that be and the weather conspired against us, we tried Zoom meetings but that didn't last. Now with the end of the harsh lockdowns and the coming of warm evenings, we are each bringing our own supper to meet at the gazebo on the green. We hope that Covid-19 will be gone before winter and we will be going back to hosting the group in our own homes.

Age, health concerns and moves to warmer climates have reduced our ranks thought some are still playing tennis. Mostly, we take turns in hosting the group for dinner in our homes with occasional restaurant dining. We have celebrated happy events and supported each other when there is loss or sadness.

In 2003 we planted an oak tree near to the swim club entrance in memory of Shirley Brown. Now a plaque hangs on the trunk memorializing TNTers Jane Pendl, Roger Belanger, Bob Grund, Fred Graumlich, Jackie Thompson, Ted Northrup (our "founding father"), Ann Gilchrist, Joyce Van Epps, Jack Breslin, Bob Belliveau, Stan Brown, Jim Ryan, Stan Brown, Helen Gilchrist, Tom Proctor, Joe Grano, Punkie Boylan (who built Miami Woods), MaryAnn Proctor, Jeanne Belliveau, Leland Cole, Jo Breslin, and John Crouse. Since our last effort at keeping it current, more names need to be added.

We have a photo album recording our many events, begun by Ann Gilchrist and now kept safe by Jim. Since that 1st one in July, 1981, with few exceptions (Christmas, New Year's Eve, Covid, etc.) we have met every Tuesday. Our numbers are fewer but our camaraderie remains strong – this very special group called TNT.

## The TRY the TRI is back!!

**When:** Sunday August 28, 2021  
Race time 8:00 a.m. with a staggered start for ages groups.  
**Where:** Terrace Park Swim Club  
**Who:** Anyone ages 6 and up **Must be able to swim without flotation aids and ride without training wheels.**  
**Cost:** \$30.00 for youth / \$50.00 Adult (T-shirt to all participants registered by August 4th.)

### Events Classes /Distances

**Ages 6-8:** 50 meter swim, 1 mile bike, 1/2 mile run  
**Ages 9-11:** 100 meter swim, 2 mile bike, 1 mile run  
**Ages 12-15:** 200 meter swim, 3 mile bike, 1.5 mile run  
**Ages 16 and up :** 300 meter swim, 5.5 mile bike, 2 mile run

Start your training now and you will be ready to TRY the TRI. Any questions please contact Amy Carlier, amy.carlier@gmail.com or Erica Moore, 4ericamoore@gmail.com

If you are not interested in participating in the TRY the TRI, we would love for you to volunteer! It takes at least 30 volunteers to make the day successful! It is an easy way to get volunteer hours completed!

Terrace Park, OH

# MHS Grad Joins The World Race

In the charming, quaint town of Terrace Park, it is often easy to forget the rest of the world around us. After recently graduating from Mariemont High School, I found myself stuck after what I consider to be an unsuccessful college search for the upcoming school year. Luckily, I had options, but heading off to college became more and more difficult for me to accept as the next chapter of my life. I was struggling with it. I realized I needed to listen to myself and make some tough choices on what my "next chapter" should be.

I had a strong urge and a deep desire to make a difference. I wanted to make a positive impact on people and communities that were struggling. Especially since we just experienced a world-wide pandemic. Maybe because I knew last year was a really hard year for so many people. I started thinking about exciting opportunities of how I could help others.

Over the last few months, and lots of thinking, my decision came to me, and I feel really good about it. I want to give back. I want to make a difference and help others around the world.

I have made the decision to travel, this September, with The World Race, an organiza-

tion that puts together mission trips for people to serve communities around the world that need it most. Some services for these communities may include building shelters or schools, organizing sports camps, or educating children and families. I will be participating in their Gap Year program, traveling to 3 different continents for 9 months, visiting Guatemala, Cambodia, and Eswatini, South Africa.

I had first heard of The World Race during a previous service trip to Nicaragua, organized by a local TP family, the Poindexters. My experience in Nicaragua was life changing. I felt an overwhelming amount of gratitude for my family and friends - my community. All of the gifts surrounding me: sports, school, food, health, healthcare...so many people around the world do not have access to this, like we do.

The World Race believes in sharing our stories and connecting with people. To honor their mission, the program requires me to raise funds to cover all of my trip expenses. For example, for those of you who know me, and my 7 year lawn-service business, these monies earned are not applicable. The World Race requires me to raise new funds just for my trip.

The Terrace Park community has contributed so much to me and my family over the years. THANK YOU for this. I am asking you to continue your generosity, and consider donating any amount of support to help me cover my trip expenses. \$16,000 by mid September is my fundraising goal and timeline.

During my travels and the many people I meet along the way, I will be sure to make our community proud! I plan to update my blog regularly, sharing my most profound experiences, in hopes it will inspire others, while giving you a glimpse into how other communities live throughout the world.

Check out my trip, follow my blog or donate here <https://philforbes.theworldrace.org>

My email is philforbes2@gmail.com if you have any questions.

**HELP ME MAKE A DIFFERENCE IN THE WORLD AROUND US**

**HI, I'M PHILIP FORBES**

The next chapter of my life has led me on a journey with *The World Race* to make an impact on those that need it the most, around the world.

My voyage begins in September '21. Please visit my fundraising page to help me make a difference.

## Council Reviews Plans for New Restaurant in TP

Submitted by Sue Porter

Queen City Hospitality Group, a brand with six restaurants in Over-the-Rhine and Blue Ash, has plans for a Southern California-inspired restaurant at the former Bucks BBQ site in Terrace Park. Village Planning and Zoning officials will conduct a public hearing June 21 on a variance to revise parking space and signage restrictions for the property at 704 Wooster Pike.

If approved, owners Daniel and Lana Wright will be offering tacos, salads, ice cream, beer, wine and margaritas at their newest venture by year-end. Their other restaurants include Senate Over The Rhine, Senate Blue Ash, Pontiac, Abigail Street, Holiday Liquor Bar and Forty Thieves.

In his report at the June 8 Village Council meeting, Mayor Tom Tepe said plans for the restaurant may be viewed by the public at the village office. He further congratulated members of the Mariemont High School men and women's lacrosse teams for their history-making Division II state championships, and also congratulated Terrace Park's recent high school graduates and the sixth-grade winner of the annual Memorial Day essay competition, Elle Seichter. The mayor expressed gratitude to Mark Holcomb, Jack Smith and Ray Normile for conducting the community's Memorial Day observance on the Village Green.

In Council action:

- The first reading of the 2022 annual tax budget was approved. The \$2.05-million proposal closely resembles the \$2.06-million 2021 budget and

will be offered to the public for comment June 29 at 7:15 p.m.

- A resolution that places the remaining \$5,273 COVID relief funds in the 2021 appropriations budget was approved.

- An ordinance giving the Ohio Department of Transportation authority to maintain, repair and remove ice and snow from the Terrace Park corridor of Wooster Pike was approved. Resurfacing bids will be invited in 2022 for work in 2023.

In other village news:

- An outdoor water fountain is being installed at the Log Cabin with CARES Act funds.

- Labor Day festivities will resume after a COVID-year hiatus. The new tower clock on the Village Green will be dedicated during the program.

- Street resurfacing and sidewalk repairs have been completed for 2021.

- The Finance Committee will meet with Frost Brown Todd Attorneys June 14 regarding the firm's retainer for interpretation of Ohio's septic system law that goes into effect in 2025 and affects about 600 Terrace Park homeowners. (Background information has been provided in previous editions of Village Views and is available on the village website [www.terracepark.org](http://www.terracepark.org).)
