

Village Operations Thank You List Surpasses 100

Submitted by Sue Porter

It takes a village of dedicated people to keep Terrace Park operating smoothly, and at Village Council's Dec. 14 meeting Mayor Tom Tepe thanked each of the 110 paid and unpaid individuals with a reading of their names.

He does that annually to enter their names into the official record, bring attention to the many volunteers required to conduct village business, and publicly recognize both those whom residents see and the majority who work in obscurity. It's also an opportunity for him to encourage more volunteerism. Police Chief and Village Administrator Jerry Hayhow received special recognition for his leadership from the mayor and council members. The names of those recognized can be accessed online at www.terracepark.org.

In council business, a resolution was passed to transfer 2021 allocations from one account to another. Finance chair Jeff LeMay noted that this year's budget was prepared 18 months ago and this is only its third minor adjustment. A proposal for two new benches on the Village Green was presented by Terrace Park Garden Club members Ogle Annett, Lucy Maish and Lois Knox. Steve Smith, longtime local resident and owner of Smith's Camargo Landscape, distributed design and installation information. The new benches would complement two other benches also

donated by the club and will commemorate the organization's 100th anniversary. Council members expressed gratitude for the club's generosity and Mayor Tepe provided guidelines for the public grounds approval process.

In other action:

Mayor Tepe congratulated recently re-elected council members and said he would swear them into office sometime prior to the next Village Council meeting Jan. 11. The four are: Lauren Ingebritson, Judith Lehman, Jeff LeMay and Regina Sharp. John Gaskey, councilman who oversees Planning and Zoning, thanked committee chair-David Moyer for his leadership and presented the committee's recommendation for zoning code edits pertaining to fences in a rear yard on a corner lot, uniform openness for fences facing a front yard and guidelines for parking trailers in a rear yard. A public hearing on the changes will be scheduled.

Of note: Councilman LeMay hopes to bring updates from sewer negotiations with Hamilton County officials to the January council meeting. EMS Chief John Maggard and Fire Chief Steve Dronsfield confirmed the annual Pancake

Supper fundraiser, cancelled last year due to Covid, has been cancelled again this year. As a safety precaution, Chief Dronsfield asks residents to make sure their chimneys are clean and in good working order before using their fireplaces.

BEST WHITE LIGHTS- The Minors at 211 Oxford

The Heises at 307 Oxford

Dear Neighbors,

Happy New Year from everyone at the Village Views! 2021 was another year under the shadow of COVID but that didn't stop Terrace Parkers from making the best of it. In this months issue we are taking a look back at some of the moments that defined 2021 while also getting ready for a fantastic new year ahead. Believe it or not, it's already time to start thinking about spring sports sign-ups and garden club flowers!

With the craziness of the holidays behind us, January can be a quiet and peaceful month in the village. The days are short but the sunrises and sunsets are some of the most beautiful during the winter months. It's also a great time to catch up with neighbors around the fire and enjoy life in the little village

by the river. I can't wait to see all of the amazing things that you and your children accomplish this year and you know you can read about it all every month right here in your favorite neighborhood paper. Until next month I remain,

Your Editor,

Steve Early

White Christmas?

The Boshells received a holiday visitor at their Princeton Drive home this December... no, he wasn't dressed in red- this guy came all in white! Terrace Park's white squirrels are truly a rare breed. They aren't albino but instead a rare strain of the common Eastern Gray Squirrel that is as white as Santa's beard. Terrace Park is not the only place they can be found in America but it is the best place.

Law & Order

Submitted by Eric Schmidt

'Twas the month before Christmas, when all through Terrace Park,
Not a creature was stirring, not even a white squirrel;

The 31 foot Santa was blown up by the Mertens with care,
In hopes that no other big Santa would even compare;

The children were nestled all snug in their beds;
With visions of Nick Castellanos leaving the Reds.

When out in the Village there arose such a (November) clatter,
We all sprang from our Zoom call to see what was the matter...

- Multiple car accidents!
- A golf cart accident with juveniles being treated for injuries!
- Human poop (not a typo) covered in toilet paper left on a doorstep!

When what to my wondering eyes did appear,
Old Saint Nick providing our sweet children with much needed cheer;
While we sat at The Birch for just one more beer!

Ruthven Mural Beautifies Area

Submitted by Steve Earky

If you’ve made the drive to Milford in the last few months you have surely seen the beautiful mural that now graces the bike trail retaining wall. It features the work of internationally renowned wildlife artist and area resident, John A. Ruthven who passed away in October 2020. Mr. Ruthven was the modern day John James Audubon, and his incredibly detailed depictions of flora and fauna can be found in The Smithsonian, The White House, and even on a United States Postage Stamp.

Ruthven was trained at the Cincinnati Art Academy, served in the Second World War, and was a prolific painter for decades at his beautiful Georgetown Farm and later his residence in Mariemont. Perhaps the pinnacle of his career came when he became a recipient of the 2004 National Medal of Arts, presented to him by President George W. Bush. Mr. Ruthven was a renaissance man, a wonderful story teller and an incredibly interesting person.

ArtWorks partnered with the Judy & John Ruthven Foundation to employ ten local youth apprentices to work under the direction and mentorship of four teaching artists to create the 2,500 square foot mural during the summer and fall of 2021. Terrace Park’s connection to the mural is even stronger as Ruthven’s grandsons, Adam and Matt Weissman are MHS graduates and both live in Terrace Park with their families today.

Boy Scout Toy Drive is a WRAP!

Submitted by Tina Turner

A long standing tradition, December brings the Boy Scout Toy Drive to Terrace Park each year like clockwork! Right after Thanksgiving, the plea for toys begins. Everyone makes their holiday list and many put an extra toy or two on it. The Lighting on the Green got a little wet this year, but it didn't stop the Scouts of Troop 286 from collecting the most generous gifts from Terrace Park residents. The looks on the faces of the newer Scouts were great when they were given the donations directly from TP residents. You could feel the excitement and holiday spirit rising with each gift given to the cause.

We want to say a HUGE "Thank You" for cutting paper, tearing tape, and all of the busy hands wrapping toys for needy children of Cincinnati. Boy Scouts of Troop 286 prepared donations at the Log Cabin where a mountain of toys was collected, sorted wrapped and tagged for deserving children. The boys and their parents had a lot of fun bustling around, listening to holiday music, and finishing the task at hand of wrapping everything that needed their attention. The toys donated were appreciated and impressive.

After the job was done, it was time for treats and the boys enjoyed a White Elephant gift exchange. The whole event was a big success! The grand total of wrapped toys was 217!!! But a last minute donation bumped the total to 240!!! The

toys will be delivered to the Post Office and they will be distributed to children around Cincinnati. How great it will be for needy children to have a little something to open during Christmas and the holidays! Congratulations to everyone who

participated and donated! The Boy Scouts and our TP residents are truly amazing and generous people. From the Boy Scouts and their families, we hope you all celebrated Christmas and the holiday season well!

Spring Baseball Is Coming!

Baseball registration is now open for all of our youth baseball players. We hope to continue the program's success and build our future. Baseball is open to all children ages 3-14. You can register your child or coach at: www.Mariemont-Baseball.com Based on our tremendous growth last year, we expect very competitive recreational and

All-Star teams. We are also offering early-season training sessions as noted on the website.

Most importantly, our program is about developing children to understand that failure and success are both equally important. Baseball is the only sport where professional athletes who fail 2/3s of the time are All-Stars. This sport

develops children into superior citizens and enables them to handle success and failure throughout life. Our league stands for fair play, development, and respect. Please contact Max Kinman with any questions at maxwdk@gmail.com.

Terrace Park Woman's Club

The TPWC has resumed meetings with a year of exciting programs and events planned. The October gathering took place at the Community House with guest speaker, Executive Director Mary Laymon of Tikun Farm. Located in the neighborhood of Mt. Healthy, the urban farm offers a place of healing, restoration, and repair through meaningful work and spiritual practice. Pastor Mary gave us a wonderful explanation of how this ministry is helping so many families in the surrounding

community.

In November, Sandy Wittman-Shell gave a program on the life and music of Carole King. Later in the year, we will have a book review of "Untamed" lead by Janet Sarra and a presentation from a staff member of La Soupe in mid-April. Our meetings take place on the third Monday of the month from October through May, starting at 12:30 p.m., generally in a member's home. If you might be interested in attending one of our gatherings, please contact Steph

Jones at sbjones@fuse.net.

Terrace Park Garden Club Hot News

Submitted by Frances Stafford

The Garden Club is already planning for the Annual May Plant sale. It is time to start thinking about gorgeous blooming plants in our currently bare beds. Use your imagination and you will get help from the order form in this Village Views which provides our current list of available plants. Delivery dates are May 5th and 6th and the sale on the Green is May 7th.

+ Again, the plants will be ordered from Laura’s farm in Batesville.

+ Best prices for the best quality you know and love.

+ Delivered to your door!

+ Available again - last year’s new offerings of Mounding Vinca and Baby Dragon Wing Begonias.

+ New this year – an assortment of new colors of Lantana, Petunias, and Impatiens.

+ You won’t find a better deal than this one.

Don’t miss out on these great offers. We encourage everyone to pre-order their plants to avoid disappointment. Look for the order form in both this and the February issues of the Village Views. This second form will reach you just before the March 5th deadline for

getting your orders to Sandy Brendamour. So as the scouts say, “be prepared”. Don’t forget, everyone who orders plants or donates will be entered in the drawing to win a beautiful hanging basket to light up shade or sun (your choice). This year, our funds will go to buy and install 2 new benches on the Village Green. They are like the Garden Club bench that is close to the flagpole and cannons. It was given by the Club several years ago and is still in great condition. Check it out for comfort while you take a rest on your walk. The new ones will be installed shortly. Of course, our members will continue to prepare and plant our five beds just as beautifully as in this photo of the Bridge Boxes.

If you love gardening and talking with other enthusiasts, we cordially invite you to come to a meeting. Please consider joining the longtime members and the several new members who have joined our club this year. Novices and experienced gardeners are all very welcome

A look back to 2021 in Terrace Park

It was all smiles for the cameras on Wednesday, August 25th during the annual Terrace Park Elementary Back to School kick off morning. Parents of current 6th grade students captured a group photo.

Laser focus in the pool during the swim section of the race. On Saturday, August 28th, 63 athletes participated in the annual Terrace Park Triathlon, TRY the Tri.

A neighbor's drone captures the Labor Day Festival from above.

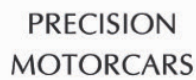

The last day of January brought the first snowfall of the year. It was late morning when the flakes started flurrying and in the kindergarten at Terrace Park Elementary that meant one thing... emergency recess! Mrs. Merten's students are seen above with tongues out to catch the fun. We are fortunate to have a village school where spontaneous joy and an appreciation for the natural world are a part of a child's education.

In late December, TP EMS received some of the first doses nationwide of the new Moderna Covid-19 vaccine, as part of Ohio's "Phase 1A" priority group: medical first responders, health-care professionals and congregate care facility residents/staff.

It's all right here if you need it.

When it's time for long-term skilled nursing care for you or a loved one, Marjorie P. Lee continues to raise the bar with three household options. Berghamer House for those with physical challenges, Amstein House for those living with Alzheimer's and dementia, and Romney House offering an intimate setting within an elegant, catered-living environment in a studio, alcove or one bedroom floor plan.

For more information about long-term skilled nursing care options for you or a loved one contact Karen Immell at 513.533.5000.
