

Homecoming 2022

The Mariemont High School senior class took home the top prize for their Top Gun themed float for Homecoming 2022.

Design Cincy

Last month the Association of Volunteers held their annual Design Cincy event to raise money to benefit the Be.Well programming at Cincinnati Children's hospital. The event was held at the Kenwood Country Club and several residents of Terrace Park supported the event by attending.

Dear Neighbors,

The first of October hasn't even arrived yet but Terrace Park front porches are already decorated with mums and pumpkins. It's a yearly reminder that the village is ready for autumn and our holiday of holidays- Halloween! If you are new to the village, know that you should start investing in candy now because the night of October 31 will bring an endless parade of ghouls with their candy bags wide open. But before the big night, Pumpkin Fest will kick off the spooky season and it's always a fun night at TP Elementary.

Growing up in Terrace Park, I always loved Pumpkin Fest and the accompanying

"haunted house," which was set up behind the stage in the old gym. The 1913 space was creepy enough by itself and a perfect backdrop for some jump scares. If you attended school there in the 80s, you surely remember the morning announcements on the day of Pumpkin Fest... Halloween music came over the loudspeaker and a creepy witch's voice (Mrs. McClelland) invited all to the haunted house that night. I recently reached out to her about it and she told me that every year, as soon as she would start speaking through the P.A., she could hear echos of the kids screaming with delight throughout the entire school!

In a village full of old tradi-

tions, continuing to keep Halloween a magical night for the children is an important one. Weather permitting, there will be a costume parade around the school on the afternoon of the 31st and official trick-or-treat hours are 6-8pm that evening. Enjoy the crisp autumn October days ahead and the glorious, changing trees here in the little village by the river. It's a peaceful stretch before the craziness of the holidays begins! Until next month I remain,

Your Editor,

Steve Early

Council's Brief Meeting Packed with Information

By Sue Porter

Terrace Park Village Council met briefly Sept. 12. Here are highlights:

- The pedestrian path that connects Wrenwood and Denison Lanes is receiving short-term and long-term attention in response to residents' concern about its maintenance, safety and inadequacy to accommodate golf carts and double-wide strollers. For now, the path is closed to golf carts, the drop-off will be filled with asphalt and bushes along the connector have been trimmed. To

achieve a permanent solution, easement issues need to be addressed and the Ohio Department of Transportation (ODOT), Hamilton County Park District and local residents will need to be involved.

- Council passed a resolution to facilitate ODOT's resurfacing of Wooster Pike through the village most likely in 2023 and another resolution to repair the alley entrance at Terrace Place this fall by a contractor hired by the village.

Law & Order

Submitted by Eric Schmidt

During the morning of 8/3, an officer was dispatched to a residence because a resident stated that he saw two people fighting, breaking glass, and yelling at each other in the front yard. Subject 1 appeared to pull at Subject 2's shirt as he was trying to leave the residence and Subject 1 later climbed onto a truck parked in the driveway and subsequently fell off the truck and onto the driveway. The Officer met with both Subjects and both parties stated that they were not assaulted. After running a history check on both Subjects it was confirmed there were four open warrants between them, and it now appears that they have not obeyed the

law on multiple occasions.

During the evening of 8/8, an officer stopped a vehicle and while talking with the driver, detected a strong odor of marijuana. The officer proceeded to ask the driver how much marijuana was in the vehicle and the driver stated that she did not ever smoke marijuana. The officer advised the driver that he could smell marijuana and at that point the driver reached into her left front pocket and pulled out a clear bag containing some of that marijuana that she did not ever smoke. After issuing the driver a citation for expired license plates the driver was issued a citation for the marijuana that she did not ever smoke.

Terrace Park Woman's Club Update

The 2022-2023 TPWC booklets have been printed and the programs have been planned for the coming year. We have six programs each year, organized by a member who either gives a presentation herself or has asked a guest speaker to address the group. In November, an accomplished author and former Terrace Park resident, Louise

Borden, will speak to the club. Other scheduled programs include the Executive Director of the Haitian Timoun Foundation in February and a representative from the Little Miami Conservancy in March. TPWC member Ann Lindell will tell us how she has naturalized her back yard with thousands of

daffodils. A field trip in April will be to the LaSoupe kitchen in East Walnut Hills. All our meetings generally take place on the third Monday of the month from October through May. If you might like to attend any of these activities, please contact Steph Jones at sbjones@fuse.net or 513-831-4392.
