## Garden Club Ready for May Flowers

Submitted by Frances Stafford

Now is the time to order beautiful color for your garden. In case you misplaced the order form in the January issue of Village Views, there is one at the back of this issue as well. Also, Lois Knox will have some additional order forms available for pickup on her porch at 800 Park Avenue. You can also email Lois at [knoxlh@gmail.com](mailto:knoxlh@gmail.com) and she will send a printable copy to your email.

If you are new to our village, you may not know that the Garden Club sells annual flowering plants as the major fund raiser of the year. These plants are of the best quality supplied by "The Olde Garden Shack" in Batesville, Indiana. To avoid being disappointed, order now and get your plants delivered! Everyone who

buys is entered into the lottery to win a beautiful hanging basket – a \$48 value.

If you have any questions about suitable plants for your site etc., you can call Lois Knox at 513-831-0338, or Frances Stafford at 513-831-3175 for advice. Dates to Remember: March 3 - Deadline for Pre-orders, May 5 - Delivery of Pre-orders, May 6 - Same-Day-Sale at the Village Green, 10am to 2pm.

Thank you all for your support of the Garden Club. We meet on the 1st Tuesday of each month at the Community House at noon for refreshments and a program. All gardeners, novices and experienced, are cordially invited to come. We sometimes take field trips so please call ahead. Lucy Maish, President at 513-310-1492 or Tina Hesser, Membership Chair at 513-520-8912.

## Dear Neighbors,

With the valentines already in the mail and the Bengals roaring through playoffs, it's got to be February in Terrace Park! The holiday decorations are all put away now and your neighbors are already dreaming of Spring Break. It's really just around the corner, and warm weather will be too, so don't forget to order your flowers and plants from the Garden Club today. The order form is in this issue and they even deliver right to your door. It's a great way to support the organization that keeps our village beautiful while making your own porch ready for the summer sunshine.

We are also saying goodbye to a nearly life-long resident and wonderful friend to the village, Jim Porter. Jim grew up in Terrace Park and raised his own family here too. You can read his full obituary in this issue. If you've lived in the village for a long time, you'll remember Jim's fantastic annual Christmas tree. It welcomed the holiday season at the corner of

Wooster and Orchard Hill, delighting passing motorists with strings of the large, old-fashioned lights. It towered far above the Porter's home and the surrounding trees, and was topped with a four-foot star, which Jim made himself. The tradition started in 1981, and continued for decades.

"People we didn't even know came to our door to say thanks," Jim told the Village Views in 2016, "then we started getting Christmas cards with nice notes about the tree. Someone even jokingly sent us a couple of dollars for electricity." This was undoubtedly a long (and dangerous) job for Jim every year, and all for nothing more than the delight that the tree brought to children at the holidays. Let that be a reminder to us all of what a good neighbor with a good heart really looks like.

Until next month I remain,

Your Editor,

Steve Early

## Farewell, Money Bush

If you are over the age of 25 or so in Terrace Park, you probably have no idea what the recently removed "money bush" was, but it is a village tradition you should know about. For years, the children of the village have been operating something of a public fund for the candy-

needy outside of our local UDF.

The system worked like this: After leaving UDF with a little change from their purchase, kids would throw those coins into a designated bush near the seating area outside of the store.

# Obituary

## Jim Porter 1947-2023

James H. Porter died January 13, 2023 following a lengthy illness. Jim was born in 1947 to George and Violet Porter and spent most of his life as a resident of Terrace Park, Ohio. Jim's love for animals began as a child, caring for his pony Topsy and a menagerie of pets, and later developed into a rewarding career in veterinarian pharmaceuticals. He graduated from Mariemont High School, where he was inducted into the Hall of Fame in 1972. Jim used scholarships for football and wrestling to earn a degree in biology at Defiance College, and was inducted into DC's Hall of Fame in 2019. As a college student, he earned room and board as a firefighter for the city of Defiance. While in Defiance, he met his future wife, Sue, whom he married in 1972. He was a loving father to their three daughters: Julie (Erick Koehler), Katie (Gretchen Johnson) and Caroline (Joshua Moshier); and a fun-loving grandfather to: George, Sadie, Porter, Sam, Lucy and Davis Koehler, and Rae Porter. Jim retired from Merck in 2015, having earned national and international awards in his industry. Throughout his life,

he invested in his community in a variety of ways, from annually decorating a 65-foot Christmas tree to developing Terrace Park's Orchard Hill Subdivision. Jim regularly volunteered at Armstrong Chapel, coached his daughters' teams, and enjoyed motorcycles, boating and golf. Jim is deeply beloved by his family and friends, whose first word to describe him is typically "kind." In addition to his wife, children and grandchildren, Jim is survived by his sister Betty (John Fortune) and brothers Tom (Susan), Dan (Anna), Bob (Kim), Bill (Amanda) and Richard (Meg); in-laws Tom and Jackie Mangas, Jim Mangas, Judy and Bob Damman, Linda and Doug Brelsford, and John and Ann Mangas; 24 nieces and nephews and 27 great nieces and nephews. A visitation was held on Friday, January 20, 2023 at Armstrong Chapel United Methodist Church and burial followed at Armstrong Chapel Cemetery. In lieu of flowers, the family suggests donations to the Humane Society for Hamilton County or Armstrong Chapel. Evans Funeral Home in Milford, Ohio served the family.

# Law & Order

Submitted by Eric Schmidt

On the evening of 12/8, an officer pulled over a vehicle due to a license plate violation. As the officer approached the vehicle, he detected a strong smell of marijuana. The officer proceeded to ask the driver about the marijuana and the driver then retrieved two joints from the center console as well as four additional partially smoked joints. The Officer also noticed a seventh additional joint

in the ash tray.

During the evening of 1/1, an officer was dispatched for shots fired in Terrace Park. Shots fired in our little village by the river?! As the officer arrived, he found two male juveniles setting off fireworks in a rear yard. The officer advised the juveniles about the minimum age requirements and time frame for setting off fireworks on New Years Day.

Later, another child would come along with an undeniable need for candy or ice cream but have no money. All they would have to do is check the money bush and take whatever they needed. The communal system went on this way for years- make a deposit in the money bush when you're flush with allowance, and make a withdrawal in leaner financial times when snacks are

still desperately needed. A recent expansion to the outdoor seating area at UDF required the removal of the original money bush and there's no word on whether coins were discovered during removal. As of this printing it is not known if the youth of TP have designated a replacement shrub to hold the money going forward, but the Village Views will certainly keep readers posted.

The total sales were down by 20 homes in Terrace Park in 2022 compared to 2021. We heard from many home owners that were not ready to move just yet. Terrace Park is an outstanding place to live~ with three team members that reside here, we couldn't agree more! But it is very much a seller's market going into 2023.

Looking at our numbers in comparison to others, our selling price per square foot is higher. 8 of our 9 sales sold for list price or higher! It's important to work with an expert on the listing side who can help sellers get these types of results. We have proven methods that we'd love to share with you to help you achieve results like the above. All the best in 2023, Team Reed and Roe.

## It's all right here if you need it.

Knowing she is safe, secure and engaged means less stress on our family and more quality time with Mom. She is surrounded by a compassionate team who really care about her. The specially trained staff offers a suite of holistic, individualized memory therapies that are designed to engage and stimulate her mind through art, music, cognitive exercises, physical well-being activities and socialization opportunities. And it's even more comforting to know Mom will always have a home here even if she outlives her savings.\*
