Council Report: Tree Program and Police Receive Recognition

Submitted by Sue Porter

The Village of Terrace Park has received Tree City USA status for the 38th consecutive year, making it the third most-honored municipality in Greater Cincinnati to be recognized by the Arbor Day Foundation in cooperation with the National Association of State Foresters and the USDA Forest Service.

The honor is bestowed upon communities that make extra efforts in their tree programs and Terrace Park was cited for its designated tax funding and the vigi-

lant work of urban forester, Mark Castator. Foundation officials said tree programs maintain and increase property values, assist with storm water flows, control erosion, produce shade thereby reducing energy costs, beautify neighborhoods and provide clean air.

In other village recognition announced at Village Council's May 9 meeting, the Terrace Park Police Department is being featured throughout the month of June at the Greater Cincinnati Po-

Council cont. Page 4

Congrats to the Class of 2023

Dear Neighbors,

With school finished and the Class of 2023 celebrating, you know it's June in Terrace Park. As you will see in this month's paper, from marathons to music, your neighbors have been busy this spring and the following pages of the Village Views should fill you in on it all.

This month's paper also features our family tributes to the Class of 2023. Each year I invite parents to send a photo and a few words of congratulations to their graduate. It's an impor-

tant milestone and for some, it's the culmination of a childhood spent here in the little village by the river.

As a kid growing up in Terrace Park, June was the most anticipated time of the year for me. I couldn't wait for Memorial Day weekend and the opening of the Terrace Park Swim Club. It was my favorite place to be every day until Labor Day. And I mean EVERY day. I don't know

Garden Club Plant Sale Success

Submitted by Frances Stafford

The Terrace Park Garden Club sends a great, big, "Thank You" to all those who bought plants from our big fundraiser this year! The number of pre-sales was second only to the record from the year of the Covid outbreak. This year, profits will go toward the planting and renovation of our five village garden beds.

The stars aligned to give us wonderful weather that was cool with clear skies on Thursday and Friday when we made deliveries of preordered plants. Our wonderful supplier is Laura of the "Olde Garden Shack" who not only grows premium flowers but also saves us a lot of work. She pulls together each order marking every item with the buyer's name.

Delivery was quick and smooth.

On Saturday, the day of the open sale on the Village Green, the weather was again gorgeous. Experts in green club aprons were available to help with advice. As always, we enjoyed meeting many village residents, club members and people new to the sale. A special delight are the young family members who make an early Mothers' Day gift (helped by members and provided free of charge) by decorating and planting a pot with a beautiful marigold.

This year we had help from various students from Mariemont Schools. Freshman Abby Connors of MHS was delightful company and did great work. Two

Law & Order

Submitted by Eric Schmidt

During the very early morning hours of 4/2, an officer found two Subjects sleeping in the rear cab of a truck on the driveway of Stumps Lane. The officer advised they were trespassing and sent them on their way.

During the evening of 4/24, an officer received an au-

tomated message from Verizon Wireless advising that the owner of an iPhone had been involved in a severe accident near Elm Avenue. The officer quickly contacted the owner of the phone, and she advised that one of her children had dropped her phone and that everything was ok.

Bortz to Play for University of Richmond

Terrace Park's Sydney Bortz was one of eight Cincinnati Country Day School students recently celebrated for signing letters of intent to continue their athletic careers in college. Bortz will be playing soccer for the University of Richmond. About playing at the college level, Bortz says, "I'm excited to have the opportunity to take the next step in furthering my skills in a sport I love at such a great school." Congratulations, Sydney!

6th graders from Terrace Park Elementary, Wake Peters and Ella Noonan, were busy following buyers to record their purchases, leading them to cashier tables, and dragging cartloads of plants to cars. A very good service from all these remarkable young people!

Everyone who made a purchase from the sale received a raffle ticket to receive a beautiful flower basket valued at \$48. The lucky winners were: 1st Chris Keefe, 2nd Janet Sarran, 3rd Mary Jensen.

Thank you all for your support of the Garden Club.

For our May meeting at the Community House, we all enjoyed an "Ikebana Demonstration," a traditional Japanese flow-

er arrangement. Our speaker, Brenda Baird, who had learned this skill when she lived for several years in Japan, gave a captivating talk while she made 3 beautiful arrangements. The flowers complimented her three stunning wedding Kimonos made of silk and decorated with embroidered symbols.

The club does not meet in the summer months. June 6th is the last meeting of the year and is a tour of the 7-acre Hauck Botanic Gardens at the Civic Garden Center. Consider Joining our club! Novice and experienced gardeners are all very welcome. Please contact: Lucy Maish 513-310-1492, or Tina Hesser, Membership Chair at 513-520-8912.

TP Celebrates Arbor Day

Submitted by Nancy Aubke

Terrace Park Garden Club members and Terrace Park Elementary School first graders with their teachers, Kevin Maness and Megan Buchman, gathered on April 28th at the outdoor classroom for an Arbor Day celebration. The kids shared the importance of trees as they give us paper and building materials, air to breathe, nesting for birds and shaded shelter for animals. Trees also give humans, birds and insects nuts, fruit and berries to eat.

Garden Club members told the class about Julius Sterling Morton and his wife, Caroline who moved from Detroit, Michigan to 160 acres on the treeless plains of Nebraska City and how they started planting a variety of trees and shrubs. Mr. Morton was the editor of the first newspaper in Nebraska where he was able to spread his knowledge of trees and his love of nature and wildlife with his interested read-

ers. Their community held the first ever Arbor Day celebration on April 10, 1872 with one thousand school children leading the parade and Morton in charge of planting approximately one million trees. The tradition quickly spread and, within twenty years, schools across the county started to participate in Arbor Day. Today, Arbor Day is recognized as a national holiday and is also celebrated in Japan, Europe, Canada and Australia.

The Terrace Park Garden Club greatly appreciates John McAllister, owner of Little Miami Landscape, for donating the Sargent Crabapple trees in the coolest burlap sacks, and Terrace Park Elementary School for encouraging our children to be custodians of the Village's beautiful trees. How many Terrace Park yards have full-grown trees planted over the decades by kids on Arbor Day?

- In council action:
- A resolution accepting four fire department volunteers was approved and Mayor Tom Tepe administered the oath of service to Ken Caskey, John Gatch, Kyle Lehman and Craig Russell.
 - A resolution to place a 2.5-mill levy on the November ballot was approved; the levy will not increase taxes.
 - An ordinance to repeal and replace village flood

damage legislation was approved; the measure affirms federal and state floodplain designations, thereby enabling property owners in these zones to receive insurance;

- The second reading of an ordinance to revise portions of the zoning code affecting signage restrictions, and the height of accessory buildings and clean-up guidelines on personal property was heard. The final reading will be at the June council meeting.

- A resolution affirming updates to the Hamilton County solid waste management plan was approved; the new language offers "nothing significantly different," according to Regina Sharp, council member with oversight for buildings and grounds.

Mariemont 3rd-6th grade Lacrosse

Warriors Run It Back!

Submitted by Todd Johnston

For the second straight year, a group of 4th Grade Mariemont Youth Lacrosse players has won the Steel City Shootout (April 22nd, 2023) in Middletown, Ohio. This tournament draws teams from across the region to compete in an all-day event consisting of three games per team. The team's first matchup was against Harrison, where they found themselves in unfamiliar territory, down at the half. The team regrouped and went on an 8-0 run to win the game 11-5. Their second matchup was against a physical Indian Hill team they had already beaten earlier in the season. Results were the same this time around, winning 10-2. The boys tallied their final win against Lebanon 14-2. For the tournament, they had

a goal differential of +26, one of the largest of any team in any age group. Special thanks to program parents for providing food and amenities to all Mariemont teams. Congrats Boys! Go Warriors!

how the lifeguards could stand it. They used to have a rule that unaccompanied minors had to leave by 5pm and I'm pretty sure that was invented because of me. This was back in the 80s, when we only had one pool and the field occupied by the lap pool was just that- a field, and a great place for stickball until someone would inevitably take a broomstick to the eye and end up with stitches. The bench in front of the pump house was the punishment bench back then, and

if a lifeguard said "You're benched", that meant 10 minutes on the punishment bench (it felt like hours to a nine year old). Some things may change as years go by, but childhood summers in TP still provide a lifetime of memories.

Well that's all for now, neighbors. We will have a July paper which should reach your mailboxes around July 1 and then the Village Views is on summer vacation so the following issue will be September and reach you in early August. Keep those submissions coming and until next month I remain,

Peyton, we're so proud of you and very blessed to be your parents. We're excited for all the great things in your future. Love you so much, Mom & Dad (Corben's a big fan too) "Be glad for all God is planning for you. Be patient in trouble, and prayerful always." Romans 12:12

Alex Lopez

Congratulations Alex! We are so proud of what you've accomplished, and can't wait to see what's next. Good Luck at Northwestern! Love, Mom, Dad, Michael & Caroline.

Peyton Wilhelm

Congratulations Peyton! We are so proud of you! Roll Tide! Mom, Dad and Logan

So glad we didn't wait.

We feel lucky that we have been living at the Deupree House since 2018. We have always had our neighbors as well as the wonderful staff to support us and love us like family; they keep us as engaged as we want to be. Being able to gather with neighbors for card games, cocktails, or fine dining right on campus is a blessing to us. We are "Living well into the future." And that future is secure because even if we should outlive our savings or our healthcare needs change, we will always have a home here.*

For a tour visit www.deupreehouse.com or contact Karen Immell at 513.561.4200.

We provide the options, you make the choices.

Deupree House in Hyde Park is a community of Episcopal Retirement Services, where all faiths are welcome.

*Residents who financially qualify when their resources have been depleted through causes beyond their control. Except conditions for which ERS is unable to provide care.
