

## Village Addresses Long-Awaited Needs With Federal Grants

Submitted by Sue Porter

The federal government's \$5.36 billion Covid recovery bill has trickled down to Terrace Park for capital improvements that have been "on the back burner for a long time," according to Administrator Jerry Hayhow. Two ARPA (American Rescue Plan Act) grants totaling \$240,000 have enabled the purchase of replacement flooring and an aluminum railing for the community building, which along with the administration building, also received new exterior paint. In addition, the Log Cabin received gutters, repairs to exterior siding and upgrades to the basketball court; the entrance to the environmental services center was resurfaced; and five fire hydrants were purchased.

At Village Council's Nov. 15 meeting, Hayhow said remaining ARPA funds must be spent or appropriated by Dec. 31, 2024 on projects that meet specific guidelines. The size of that windfall won't be known until payment for the current projects is completed.

In Council action:

-Natural Solutions Urban Forestry LLC was retained for consulting services following

the retirement of Mark Castator, a local resident and certified arborist who managed the tree program as a village employee. Jerry Frankenhoff, principal consultant for the company, is a board-certified master arborist with 45 years of experience.

Councilmember Regina Sharp described Frankenhoff as "very knowledgeable, personable and familiar with our database system." From a cost standpoint, she expects the consultant's fee versus employee payout to be similar when the need to no longer provide benefits is factored.

-Hayhow was appointed administrator and police chief for four more years and received applause from council for his service and willingness to continue.

-Will Schoose was approved as a new volunteer emergency medical technician and was sworn into service by Mayor Tepe.

-Village participation in Hamilton County's multi-hazard mitigation plan was renewed for five more years. Council member Pax Lindell said county support strengthens the village's natural disaster plan.

In their monthly reports:

-Tepe thanked residents for re-electing him mayor for four

more years and praised village employees for their consistent on-the-job support.

- Councilmember Jeff LeMay thanked voters for their trust in village officials, evidenced by the overwhelming passage of the 2.5-mill operating levy renewal. The approval rating was 83 percent, up 3 percent from the last levy election.

-John Gatch, emergency medical services assistant chief, reported a 21 percent increase in attendance at the annual pancake supper fundraiser and thanked St. Thomas Episcopal Church for again enabling the event to be held on its premises.

-Fire Chief Steve Dronfield said a new class with eight recruits has begun and training will be completed early next year. He also reminded residents to check their fireplaces for hazardous obstructions before usage.

Two residents addressed council:

Ashley Scribner, an art teacher at Mariemont High School, advised that she has been in contact with the Ohio Department of Natural Resources and the Ohio Department of Transportation about painting

Mayor Tepe swears in Will Schoose as Terrace Park's latest EMT.

## Terrace Park Volunteer Emergency Services Pancake Supper: An Annual Feast of Community Support

Submitted by Jen Buccholz

Terrace Park came alive with the spirit of community and volunteerism as Terrace Park Volunteer Emergency Services (TPVES) hosted their annual Pancake Supper that left everyone full, satisfied, and inspired. The results are in, and they speak volumes about the success of this annual community initiative.

Numbers that Tell a Story: Approximately 300 guests joined us this year, creating a vibrant atmosphere that echoed with laughter, conversation, and lots of pancakes! It was a true testament to the sense of community that defines Terrace Park.

Over 40 volunteers from

TPVES worked tirelessly to ensure the event ran smoothly, from coordinating logistics to flipping pancakes. Their dedication and hard work were the backbone of the entire operation.

Scouting for Good: Adding to the heartwarming scene were the Terrace Park Scouts, enthusiastically contributing to the event by bussing tables. Their involvement not only showcased their commitment to community service but also highlighted the intergenerational collaboration that makes Terrace Park unique.

A Generous Gesture from St. Thomas: The success of the event was not only due to the

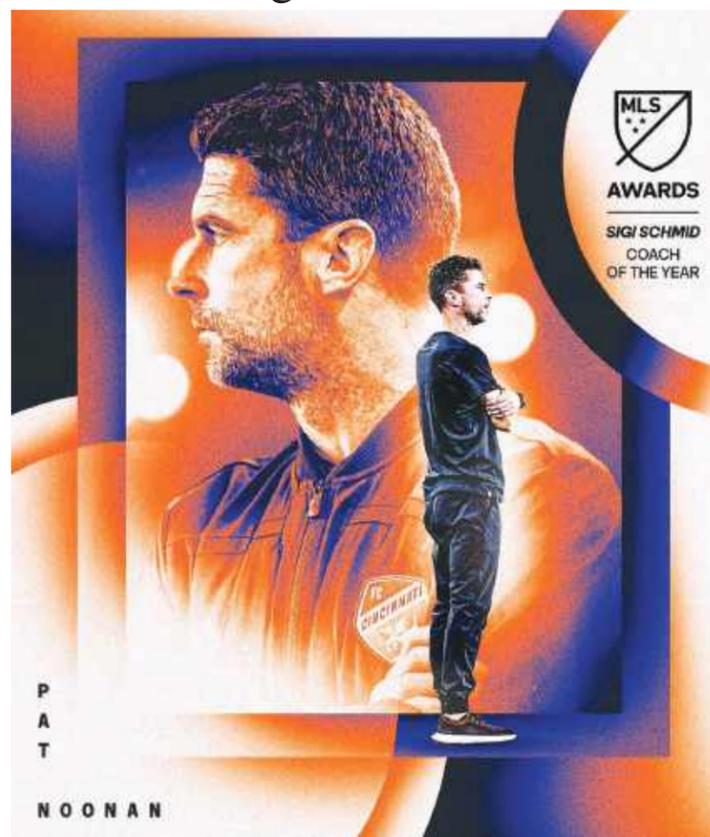

Supper cont. Page 2

## Coach Noonan Wins Prestigious MLS Award

Our neighborhood is home to rising coaching star Pat Noonan, who was recently presented with the 2023 Sigi Schmid MLS Coach of the Year Award. This prestigious honor recognizes Pat's leadership as head coach of the FC Cincinnati club this past season.

In just his second season with the team, Pat led FC Cincinnati to commanding new heights including their first ever Supporters' Shield for having the best regular season record. The team earned 69 total points and notched 20 wins - tying the fourth highest single season points in MLS history. This is a complete turnaround from three consecutive last place finishes before Pat took over as head coach in December 2021.

As a neighborhood, we could not be prouder of our resident Pat Noonan for receiving this MLS coaching award in just his second season.

## Dear Neighbors,

Though I am still full from the Thanksgiving feast, December is here in Terrace Park, and with it comes Christmas, Hanukkah, and then, before we know it, a new year. This month always seems to be one of the fastest to pass by, with parties, concerts, exams, and travel, but it's also one of the best. The neighborhood is glowing in holiday lights, the tree on the Village Green is shining, and

friends and neighbors are gathering together to raise a glass to the memories of 2023 and all the fun that lies ahead in 2024.

This issue of the Village Views has plenty to get you caught upon. From youth sports champions to the Veteran's Day ceremony at the elementary school, you and your neighbors have been busy this fall! So enjoy this issue and enjoy the holidays here in our village. It's true that

"there's no place like home for the holidays", and how fortunate we are to celebrate them here, in the little village by the river. We at the Village Views thank you for another great year and we wish you and your family a wonderful holiday season! Until next month I remain,

Your Editor,  
Steve Early

# What's Happening at the Mariemont Branch Library - December 2023

**All Ages**  
Celtic Harp: Holiday Roots — Thursday, Dec. 14 at 11 a.m.

Nancy and Frank Bick Clark engage the audience with songs of the season on Celtic harp with light percussion. Presented by Creative Aging Cincinnati. No registration necessary.

Magic Show with Tom Bemmes — End of December, exact date TBD

## Children

Library Babies — Tuesdays at 9:30 a.m.

Fun for you and your baby with songs, rhymes, stories, and movement. Ages birth-18 months.

Preschool Storytime — Tuesdays at 11 a.m.

Enjoy books, songs, activities and more, while building early literacy skills. Ages 3-6.

Toddler Storytime — Wednesdays at 9:30 a.m.

Encourage emerging language skills with books, rhymes, music and fun. Ages 18 months-36 months.

Movers & Shakers — Wednesdays at 11 a.m.

You and your child will shake it together! Sing, dance, and enjoy music, movement, and fun. Ages 1-4.

Winter Holiday Spectacular presented by May Festival MiNiS — Tuesday, Dec. 5 at 11 a.m.

Discover holiday traditions through MUSIC, connecting with diverse cultures, and celebrating the

spirit of unity. This program engages, entertains, and educates children of ALL abilities in music education.

Coding Club — Tuesday, Dec. 5 at 4 p.m.

Learn to code with new games and challenges every month. Laptops are supplied and no prior coding experience is needed. Recommended for Ages 8-12. Registration required.

Legos @ the Library — Saturday, Dec. 9 at 11 a.m.

You bring your imagination, we bring the LEGOs. Show us what you can build and connect with other LEGO enthusiasts.

Teen New! Teen Advisory Board — Tuesday, Dec. 12 at 6 p.m.

Help create library events, displays, and projects as well as guide the library's approach to teens.

## Adults

Saturday Morning Coffee Club — Saturday, Dec. 16 at 10 a.m.

Taste-test a variety of local Cincinnati coffees to determine your new favorite blend, meet some new friends, and take time to unwind from a busy year. No registration necessary.

Mariemont Mystery Book Club — Tuesday, Dec. 19 at 6:30 p.m.

Join us for lively discussion of A Test of Wills by Charles Todd. Copies available at the branch.

Book Club — No Book-club in December. See you in January!

Park resident she'd like to bring the program here. Councilmembers were receptive to the mural design and Tepe advised her to work with Hayhow once state approval is granted.

Drew Walter volunteered to trim bushes and tree limbs along sidewalks to ensure safe and easy passage. Tepe thanked him for his offer and referred him to the village's new urban forestry consultant.

Village Views welcomes reader mail. Signed letters to the editor must be received by 9 p.m. on Friday, January 12th. Please limit length to 350 words. Letters over 350 words will be published as submitted subject to space availability. # Law & Order

Submitted by Eric Schmidt

On 10/21, an officer was dispatched to Terrace Park Elementary due to a vehicle running and left unattended. Upon arriving to the crime scene, the officer ran the license plate and found that the vehicle belonged to an individual that lived in Anderson Twp. After about an hour had passed, the Officer opened the door attempting to locate a key but found that no key was present. The Officer was able to push a button to turn the car off. The owner of the car

arrived shortly after and stated that she routinely takes walks in our sweet village down by the river and must have walked off with the key forgetting to turn the car off. Reminds me of someone I know. Rhymes with "my wife."

On 10/13 (Friday, the 13th, geez), an officer was dispatched to a home to remove a snake from a resident's living room. Holy! Time to move! I'm out. Calling Amy Roe. Or Erin Satterwhite. Or Steve Early. Flipping a coin.

## TP Represents at CrossFit Competition

Two weeks ago, a group of neighbors from Terrace Park showcased their exceptional prowess at a local CrossFit competition. From lifting heavy weights to conquering

challenging WODs (Workouts of the Day), these local athletes excelled, showing their physical strength, teamwork, and perseverance.

Pictured left to right: Andrew Peters, Richard Larsen, Taylor Rose, Jason Mondy, & Lindsey Schmidt (not pictured Matt Julian).

## Supper cont. Page 1

community's active involvement but also the generosity of St. Thomas, which donated its facilities for the supper, again this year.

Feeding the Masses: The breakfast menu was a hit, featuring 1,376 ounces of applesauce, 1,200 pork sausage links, and a whopping 18 gallons of pancake mix, resulting in around 1,500 pancakes. No one left hungry!

Gratitude and Looking Forward:

As the volunteers of Terrace Park's emergency services team reflect on the success of the annual Pancake Supper, there's a deep sense of gratitude for everyone who contributed—volunteers, Boy Scouts, St. Thomas, and, of course, all of you who attended. This event was a celebra-

tion of our community's spirit, which will be poured back into Terrace Park by supporting our all volunteer emergency crew. The Terrace Park Volunteer Emergency Services Pancake Supper was not just a meal—it was a symbol of a community that cares. Thank you, Terrace Park neighbors!

Did you miss the pancakes? You can still donate! Just scan the QR code and follow the prompts!

If you're interested in learning more about how you can get involved with TPVES, from flipping pancakes, to putting out fires to saving lives, contact John Maggard at jpmagg3@gmail.com. Learn more about what we're up to by following us on Facebook (@Terrace Park Volunteer Emergency Services) and Instagram (@terraceparkems)

## Council cont. Page 1

a mural on the bike path wall beneath the Elm Street bridge in Terrace Park. The work would be done in May 2024 on the state-owned property by MHS teachers and students as part of the school district's annual intercession program; supplies would be provided through an American Art Association grant. She said that last year the art teachers oversaw the painting of fire hydrants along the bike path in Mariemont and as a Terrace

# Support student achievement by becoming a patron of the Mariemont Arts Association

Submitted by Chandra Buswell

As I write this article, the Mariemont High School fall play is just a week away. The Layover is the most recent in a number of fall and spring plays that showcase the talent of Mariemont School District students. Participation in the play, as well as district chorus, band, orchestra, and visual arts programs goes well beyond a fun display of local skill.

As an art history educator at the college level, I begin classes by citing research regarding the benefits of studying and participating in the arts. Scholars from many disciplines agree that students with arts backgrounds develop critical thinking skills, empathy, creativity, and perhaps most surprisingly, heightened test performance and subject comprehension. For example, visual and performing arts experiences in elementary, junior high, and high school can equate to increased public speaking ability, compassion for differing perspectives, heightened ability to read and interpret the written word, and enhanced abstract thinking skills leading to strong problem-solving ability.

Musical education is equally impactful on district students. The study of rhythm and timing is proven to help students understand essential concepts related to the study of objects and ideas in space and time, which translates to increased test scores in math. In addition to improving educational outcomes, study of music along with other types of arts increases self-esteem and confidence. These benefits are not limited to students with a natural inclination to the arts. Studies are increasingly showing that study of the arts and application in academic classrooms can help students observe detail and remember information in core subject areas.

Those of us with children in the arts are well aware of the passion and dedication that it takes for our students to suc-

ceed in arts-related fields. Just like our district athletes, our arts students are constantly practicing their crafts, taking risks in the public arena or on the stage, and experiencing successes and failures. Each experience builds the resiliency and creative problem-solving skills needed to succeed in a complex, increasingly visually-oriented world. What may be a surprise is that these experiences also impact academic achievement. Every student, regardless of skill, benefits from arts programs, starting in kindergarten.

As a third-year volunteer for the Mariemont Arts Association and parent of two children in the Mariemont School District, I've come to believe that the strong administrative and community support of arts education is one of the things that sets us apart from other districts.

Many community members likely connect the Mariemont Arts Association with high school performances and plays. But the organization contributes to student achievement beyond the high school level in every corner of the district. MAA regularly funds visual arts classroom supplies, instrument tuning, props and costumes for junior high and high school plays, additional pit musicians and specialized instructional assistance. Graduating seniors have the opportunity to apply for yearly scholarships dedicated to honoring achievement in the arts and supporting continued participation at the college level.

Those of us at the Mariemont Arts Association hope that you will add your support to district achievement by supporting MAA as a patron. With your help, we can continue to help the arts, and by extension academics, thrive in Mariemont District Schools.

To join, please visit: <https://www.mariemontschools.org/MariemontArtsAssociation.aspx>. Follow MAA on Facebook at: <https://www.facebook.com/groups/mariemontartsassociation>

# TPHS Ornaments for Sale

Submitted by Katy Chisom

Over the summer the Terrace Park Historical Society partnered with a Terrace Park emerging artist and Mariemont High School student Liam Reynolds to create a limited edition Terrace Park ornament. Liam used his graphic design talents to create a design featuring the iconic Terrace Park gazebo during the holidays complete with a full color Santa, multi-color Christmas lights wrapped around the gazebo, and snow dusting the entire scene. In years past, TPHS has created various styles of ornaments as gifts for members and to support fundraising efforts.

"We are excited to offer such a modern design created by one of Terrace Park's artistic treasures. Liam's vision and creativity has brought a youthful take to one of our iconic village features and we look forward to sharing his design with the community," says Laurie Baird, TPHS President.

The limited edition ceramic ornaments are now available for preorder (\$20 each). Cash, check or Venmo are accepted.

Liam Reynolds' design for the TPHS ornament.

Preorders will be hand delivered to local residents starting on December 1st. To pre-order an ornament call, text or email Katy Chisom at (949) 939-8885 or [katherine.chisom@gmail.com](mailto:katherine.chisom@gmail.com) for more information. Ornaments will also be available for purchase at the TPHS office (100 Miami Avenue) starting December 7th and during of-

office hours on Thursdays from 1-4pm.

TPHS would like to send a big thank you to Liam Reynolds for sharing his talents and creativity with us all. Additionally, thank you to Mariemont High School art teacher and Terrace Park resident Ashley Scribner for supporting this effort.

## To Honor Those Who Have Served

The sixth grade at Terrace Park Elementary School hosted their annual Veterans Day Ceremony on Friday, November 10th in the school gymnasium. Community veterans and active duty service members and their families were invited to attend. Light refreshments were served before the program began and it was a wonderful way for students and community members to thank veterans and let them know how privileged we feel to have them as a part of our village. Here are a few photos from this year's ceremony.

## School Foundation Asks for Your Support

The Mariemont School Foundation (MSF) invites you to participate in our most important event of the year, the Annual Fund Drive. It is because of the generosity of families like yours that the Mariemont School District will be able to continue its long history of academic excellence.

Please consider a gift to benefit our children and our community. Gifts of ANY size are important in providing an enriched environment for our outstanding school district. Our united effort is more critical than ever before.

MSF is an Ohio nonprofit corporation exempt under Code Section 501(c)(3) that was formed in 1996 by a group of committed parents and residents of the Mariemont School District (the District) who realized that the District could not afford to support important initiatives that could enhance the educational experience of our children.

MSF serves as a centralized way to provide financial support to the District to fund educational initiatives and extra-curricular programming that fall outside the District's annual budget, including:

- Warriors Beyond programming at all of our campuses
- World language instruction and the Explorations program in our elementary schools
- Friday Expeditions programming for junior high students
- Master classes and our Intersessions for the high school

• District-wide initiatives, such as  
- Life and Leadership Series focusing on issues of wellness, college readiness, and careers

- Scholarships and Special Funds to support individual student needs and travel-based programs, including Camp Kern (elementary), the Washington DC trip (junior high) and the Global Leaders Summit (high school).

In addition, MSF in the last two years has expanded its support to provide expanded mental health resources for the District's students at all school campuses, as well as to fund new resources that can be used at the discretion of our teachers, including 3-D printers and the star-gazer labs (in partnership with the PTO). These initiatives impact every student in the District, and MSF hopes to continue to expand the offerings so that every child who is educated through the District has access to both the resources they need and extra offerings that enhance their educational journeys.

How can you help? Our efforts require resources, including the generous contributions of our District families who are in a position to give. Every gift enhances the educational experience the District is able to offer to its students.

Thus, we invite you to GIVE to the MSF's Annual Fund Drive. Donations can be made via our website at <https://www.mariemontschoolfoundation.org/annual-fund-drive> or you can mail a check to MSF at 2 Warrior Way, Cincinnati, OH 45227.

Terrace Park, OH

# St. Thomas Nursery School Hosts Farm Market

Submitted by Angela Jolley

St. Thomas Nursery School in Terrace Park was thrilled to host the 2nd annual farm produce market in October, held at the preschool. Clark and Linda Ramey, known for their “produce porch” in Terrace Park, generously provided a gracious amount of produce grown on their family farm in Kentucky. The kids and their families learned about various types of fall produce, enjoyed apple cider, and were able to pick the perfect pumpkin and fall vegetables to take home! It was a beautiful day, and STNS appreciates the Ramey’s generosity and hard work to help make the event not only fun, but a learning opportunity as well! All proceeds went to benefit IPM food outreach in Newtown.

The farm market is part of the Earth Explorers program at STNS, a program designed to expose students to the natural world through learning experiences and hands-on activities. Other Explorer activities at STNS include maintaining and observing classroom birdfeeders, going on nature walks, enjoying the natural playground at the school and other various science experiences throughout the year. St. Thomas Nursery School provides quality classroom experiences for children ages 2-6 at St. Thomas Episcopal Church on Miami Avenue. Please contact the school office at (513) 831-6908 for more information.

Two of the happy St. Thomas students with their gourds from the farm market.

# Christmas Music at St. Thomas!

Submitted by Sonya Geers

One of the most magical parts of Christmas is the music of the season! Nothing stirs the soul, or makes us nostalgic for yesterday, like carols sung and performed by choirs and children. St. Thomas Episcopal Church is offering three wonderful evenings to everyone, parishioners and Terrace Park neighbors and friends, to enjoy the sounds of the season!

Messiah Sing-Along  
Dec 12, 7pm

The Beloved Holiday Tradition Returns. Imagine the opportunity to sing Handel's great masterpiece in the beautiful renovated church. With guest soloists and the instrumentals of the Bach Ensemble, we will all sing the entire Christmas portion of Messiah, along with additional movements including the Hallelujah chorus. Tickets are "name your own price" (\$20 recommended). Tickets available through [bachensemble.org](http://bachensemble.org)

Christmas Lessons and Carols  
Dec 17, 5pm

The St. Thomas Parish Choir and Choristers present a Festival of Carols. An annual offering at St. Thomas for decades,

this service features the beautiful music of the season paired with timeless readings that tell the story of Jesus' life. This is free to everyone to attend!

Old Fashioned Christmas Pageant on Christmas Eve  
Dec 24 4pm

The 4pm Christmas Eve Service will feature the Children of the Parish in the traditional story of the birth of Jesus, complete with Mary and Joseph, the Wisemen, Shepherds, Angels and Animals! Children ages 2-13 will be dressed in costume and sing the familiar songs of Christmas. This is a wonderful opportunity for the whole Village to bring their family and live the spirit of that amazing night together.

Ceremony of Carols  
Dec 24 7:30pm and 10:30pm

The Sopranos and Altos of the Parish Choir will present Benjamin Britten's Ceremony of Carols as a prelude to the Christmas Eve liturgies. This is a 30 minute choral work accompanied by harp. It features settings of traditional English carols in a beautiful and mystical accompaniment.

## Save the Date: TPHS Annual Meeting Coming

The 2024 Terrace Park Historical Society Annual Meeting and Open House is scheduled for Sunday, January 21, 2024 from 4-5pm at our location on the lower level of St. Thomas Church. Everyone is welcome to join us for refreshments, a brief

overview of our activities, and our Board elections. You will also have a chance to enjoy our Museum and Gallery, and view our newest acquisition, a floor-to-ceiling needlepoint tapestry of Terrace Park!

## Not Too Soon to Think Spring!

This is a reminder that the Garden Club will be holding its major fund raiser on May 4th, 2024. Please get ready to put in your order for our fantastic flowering annuals by March 1st,

2024. An order form will be in the January and the February issues of Village Views.

# Year in Review

**Frosty on Franklin**

February 2022 - Even the snowmen were pulling for the Bengals this year, as seen here on Franklin Ave. before the AFC Championship.

## Historical Society

Laurie Baird and Dave Bowen at the Terrace Park Historic Society's members-only event at Stumps Boat Club on April 30th.

## A Summertime Standard

It wouldn't be summer in Terrace Park without lemonade stands popping up across the village. The summer of 2023 was no exception, and though it's not uncommon to find one anywhere in the neighborhood, the most popular locales for good business seem to be the Village Green or Stanton Field at the corner of Elm and Stanton.
