

Village Prepares For Memorial Day

Bands, bikes and baked goods will all be on the Village Green for the annual PTA Memorial Day Observance. Paraders will meet behind the school at 9:30 a.m., and will be led by Parade Marshall Becky Casteel via Myrtle, Stanton, Yale and Amherst to the green at 10 a.m. Children in the parade are reminded to stay behind the giant banner which was made by Mickey Forbes for the PTA.

New PTA president Judy Deeter will emcee the ceremonies which will include the announcement of the Memorial Day Raffle sponsored by the Terrace Park Recreation Commission. David Parks, commission Memorial Day chairman, said raffle tickets will be sold by first through sixth-graders, May 12-27.

The Memorial Mini-Marathon will begin at the green at 11:30 and end at Drackett Field where the games will begin at noon.

Bake sale chairmen Linda Wenstrup and Sue Keffer will be at the green early Monday morning to organize the homemade donations. Baked goods may also be dropped off at their homes the night before. Coffee and orange drink will be sold in addition to doughnuts provided by Vince and Anne Rinaldi.

School Levy Wins

A vigorous campaign reversed a downward trend of recent years and voters handily approved a 6.75 mill continuing levy submitted at the May 2 primaries by the Mariemont board of education.

The levy passed 1356 to 960, as against the 25-vote margin by which the last levy was approved some years ago. As in the past, Mariemont and Terrace Park voted approval, while Fairfax was opposed. The breakdown:

	Yes	No
Terrace Park	482	290
Mariemont	629	367
Fairfax	181	272
Plainville	64	31

School board president Connie Wilson said "We are very grateful for the support," and Supt. Don Thompson said "Passage of the levy means economic stability for the next few years."

To go into effect next January, the levy will raise a little more than \$800,000 annually. The money will go primarily for staff salaries and fringe benefits, although some will go for asbestos removal.

An outgrowth of the campaign will be board consideration at its May meeting of its procedures for filling board vacancies.

The board acted after campaign co-chairman Don Hollenbeck reported that questions had been raised, adding: "Maybe the board has not been as responsive as it might have been, and it is impacting on the levy."

Some Mariemont residents had questioned lack of publicity concerning a vacancy when Leonard Weakley was appointed two years ago.

Village Ready to Begin Street and Sidewalk Programs

Village Administrator Ron Pottorf told village council at its May meeting that the season's street treatment program would begin as soon as weather permitted, at a negotiated price under the lowest of three bids originally submitted.

Streets to be treated are:
 Stanton (from Miami to Yale)
 Franklin (Elm to Poplar)
 Oxford (Miami to Yale)
 Cambridge (Terrace Pl. to Miami)

Stanton (Elm to dead-end)
 Yale (Oxford to Harvard)
 Given (from bridge to Wooster)
 Pottorf said the work involves about 12,000 square yards of paving, with the work being done for 70 cents a yard by the J.K. Meuer Co.,

Stern Steps Proposed On Drinking

Police Chief Ron Pottorf announced at the May village council meeting plans for rigorous enforcement of village regulations against juvenile drinking.

"There will be no warnings issued, and arrests will be made," he said.

Mayor Jack Schmidt supported the effort, citing juvenile drinking as a frequent cause of serious automobile accidents.

Pottorf said plans include an increase in foot patrols in certain areas, including the wilderness preserve and the old railroad right-of-way through the village. He said that the Hamilton County park police had been alerted to evidence of drinking parties in adjacent areas of the park just west of the village, and that the village and county police departments would be working together on the problem.

Village Honored

Terrace Park's tree program was honored again by the National Arbor Day Foundation at a recent ceremony at Tipp City, Ohio, when the village was awarded "Tree City USA" designation for the fourth successive year.

Randy Haller of the village maintenance department represented the community in receiving the honor.

Golf Tournament

Friday, June 2, is the deadline for entering the annual Terrace Park men's golf tournament to be played at Hickory Woods on Saturday, June 11.

To enter, send a \$25 check to David Moyer, 605 Marietta (831-4322) or Terry Overby, 4 Denison Lane (248-2511).

Experts and duffers are welcome, but the field is limited to the first 40 men to sign up.

which treated several streets last year. Council had budgeted \$10,000 for the work.

Pottorf reported also that only weather was delaying work on the second phase of the village's multi-year sidewalk improvement program. A test program is being instituted this year to determine if an augmented village crew can do the work at a saving over normal contracting.

Pottorf announced also completion of the street sign replacement program and reported receiving almost unanimous approval from village residents. The very few complaints, he said, concerned the height of the signs, which he said had been done deliberately to reduce the temptation to youngsters to swing on them.

The signs were made by Randy Haller of the village maintenance crew, and he and the others in the group were complimented by Pottorf and council members for their

Our Birthday

May is Village Views' 20th birthday month, despite what a past mix-up in dates in the Page 1 masthead shows.

The first issue came out in May, 1969, as part of a community effort to face the troubles of the 1960s. A Village Forum was organized and the paper set up to improve village communications. Only the paper survives.

As in the past, Village Views has used its birthday month to appeal to village residents to contribute to its support. Addressed envelopes are included with this issue for your convenience.

work. Councilman John Wenstrup said the men "act as if they really care" about the village, and Mayor Jack Schmidt echoed the praise of their spirit and dedication.

Through the design and the work of village employees, said Pottorf, the replacement was accomplished for \$1,000 less than had been estimated.

Because of so many requests, many of them for the same signs, the old village street signs will be auctioned at the Community House at 7 p.m. on Wednesday, May 31. Pottorf will be the auctioneer.

In other actions, council:
 • Set June 13 at 7:15 p.m. as the time for a required public hearing on the proposed 1990 village budget. The hearing will immediately precede the regular council meeting.

• Heard from Councilman Randy Casteel that because of bad weather this year's tree planting is being deferred until fall.

• Heard from Fire Chief Pierce Matthews that the fire department responded to two calls during the past month, both false alarms, and from Life Squad Chief Connie Wilson, that the squad made 17 runs during April.

• Heard from Police Chief Ron Pottorf that his department made 154 traffic arrests in April bringing the year's total to 524, and 23 misdemeanor arrests for a year's total of 101. He reported 1,681 house checks during the month for a total of 6,792, and mayor's court revenues at \$7,713.50 for a year's total of \$31,812.40.

• Authorized appointment of James C. Beckett of Blue Ash as an auxiliary patrolman. Pottorf said Beckett is a member of the Blue Ash volunteer fire department, and ranks first in his class at the Police Academy.

Roving Dog Penalties Set

This is to establish a new standard payout schedule for any residence charged with a dog running at large (Ordinance 505.01).

The fine for a first or second offense shall be \$10. No court costs shall be imposed.

The fine for a third or fourth offense shall be \$25. Court costs shall be imposed.

The fine for a fifth or sixth offense shall be \$50. Court costs shall be imposed.

For seven or more offenses, clearly habitual offenders, the fine shall be the maximum of \$100. Court costs shall be imposed.

Any resident paying out a fine under this ordinance shall be informed of the subsequent escalating fine schedule.

In determining the appropriate fine, the basic determinant shall be the dog involved, not the specific person charged. For example, if the wife of a family owning a dog is cited on one occasion for a dog running at large, and the husband is subsequently charged for the same dog running at large, that constitutes two offenses against the dog.

This fine schedule attempts to reflect that it is possible for a dog to get loose on rare occasions despite the best intent of the owner. On that rare occasion, it is not the intent of the village to unfairly punish the dog's owner or owners. On the other hand, for those individuals who show clear disregard for the laws of the village by letting their dogs run loose on a regular basis, it is only reasonable that the maximum deterrent prescribed by law shall be imposed.

Any resident who does not wish to abide by this payout schedule obviously has the right to appear in Mayor's Court and plead the citation involved personally.

J.H. Schmidt, Mayor

Kindervelt Schedules Bike-a-Thon

"Kids Helping Kids," is the theme for Kindervelt's bike-a-thon on Sunday, June 4, from 3-5.

Kindervelt #76, in cooperation with Comey & Shepherd, is sponsoring the event in which children will ride their bikes for pledges. Age groups are 3-6 and ages 7-16, with prizes ranging from a Schwinn 10-speed bike to gift certificates. See area posters or enclosed flyer for prize details. Riders collecting \$25 or more will receive a "Kids Helping Kids" T-shirt.

The one-mile bike route will start behind the school, on Myrtle, and go to Amherst, then to Lexington, to Stanton, and back to Myrtle.

Pledge sheets will be distributed at the elementary school or can be obtained on any of the bulletin boards, or by calling Sue Keffer at 831-4499 or Ann Pardue at 831-932. Raindate is Sunday, June 11.

All proceeds to benefit Children's Hospital Medical Center.

Their Creativity Pays Off

The Odyssey of the Mind team sponsored by the Terrace Park Elementary PTA placed third in the Southwest Regional Competition held in Fairfield, March 11. Team members, from left, Zoe Hutton, Maren Schmidt, Amanda Campo, Maggie Kain, Melissa Wachterman, and Amy Carle, created Aphrodite's Beauty Salon and Pluto's Presto Pizza for a TV commercial featuring Medusa and Charlie Chaplin. The team, which visited Martiny and Co., advertising agency and a local TV studio before creating its commercial, had the highest score in spontaneous creative thinking of all 10 elementary and 14 junior high schools competing in their category.

Wins Award

Mary E. Maxon, daughter of Mr. and Mrs. Harry R. Maxon III of Terrace Park, was presented the Spirit Award during the Spring Honors Convocation at Chatham Hall on April 30. Miss Maxon is currently in her third year at Chatham Hall, an Episcopal girls' boarding school in Chatham, VA. She earlier was named to the dean's list for the second trimester.

River Rescue Work Studied

Five members of the village volunteer fire department have just completed a 24-hour course of training in river rescue work.

They are David Glassmeyer, Phil Schneider, Rick Hamm, George Kipp and Dennis Elliott.

Fire Chief Pierce Matthews noted that there have been no river-related incidents in recent years, but commented that the training was in keeping with the department's effort to be prepared for any emergency.

Drownings were an almost yearly occurrence many years ago, but there have been none in this area in recent times.

Letter-

To the Editor:

I want to thank publicly Chief Ronald Pottorf for his concern and response to the needs of the children of Terrace Park.

The erection of the two stop signs at Miami and Stanton Avenues has significantly slowed down the traffic in our neighborhood, thus providing more safety for our children.

From all the taxpayers who signed the petition, we enthusiastically say: "Hail to the Chief"

Mrs. Julnes described life in Terrace Park in the early 1960s when home delivery of mail started here, and the PTA raised money through the sale of mail boxes and house numbers.

The meeting was preceded by the school's "Invention Convention" at which pupils exhibited their solutions to problems they had been challenged to recognize.

Ice Cream Truck's Days Here May Be Numbered

The appearance of an ice cream truck on village streets may be short-lived.

Police Chief Ron Pottorf said he had received several complaints from residents, and said he objected to it also as a safety hazard.

But he said that a search had disclosed no applicable village ordinance, adding that he was asking Village Solicitor Bob Malloy to prepare adequate legislation.

Pottorf said there already had been one minor accident and several near misses involving children running out to the truck. He said the driver was trained and safety conscious, but obviously could not be in complete control.

Choral Program Set

The Terrace Park Players are sponsoring the world-renowned, award-winning Southern Gateway Chorus to provide the entertainment at the Memorial Day Concert on the green. The performance is scheduled to begin at 5:30 p.m.

Residents are urged to pack a picnic supper, and join friends and neighbors for an evening of fun and relaxation. Ice cream, provided by Olde Town Ice Cream, and soda pop will be available.

Kay Todd is producer, and Jan Schloss assistant producer of the programs.

Church Bazaar Date Scheduled For November 17

The annual St. Thomas Church bazaar has been set for Friday, November 17, under the chairmanship of Betsy Ecker (248-1813) and Jennifer Gregory (831-8317).

Workshops are scheduled to be held on Friday mornings at the church, beginning in the fall. Craft kits in cross-stitch, applique, etc., are being sought for those who may wish to work at home over the summer.

Still needed are a chairman for Children's World and co-chairmen for decorations and boutique.

Terrace Park residents, Heather Fischer, from left, Chresten Armstrong, and Carol Picton were among the dozen Mariemont High School students tapped for National Honor Society membership last month. Active in the AFS and Masque and Mime Club, she has also been a volunteer at Stepping Stones and Mercy Hospital. Chresten, a junior who has lettered in golf, basketball and baseball for three years, is active in Young Life at his church. Also a junior, Carol has qualified for state finals and been named Mariemont's most valuable tennis player for three years. Active in Student Council, she is a member of the Key and World Affairs clubs.

120 Youngsters Make Mark In Children's Play

The children's play held this past weekend was once again an overwhelming success. Parents, grandparents, and friends of the more than 120 "stars" enjoyed the musical revue, Celebrate the Seasons.

Special thanks go to the entire production staff. Veteran producers/choreographers Anne Rinaldi, Kathy Wedding, and Linda Seta, along with the added talents of JoAnn Randolph, devoted much of their spring to teaching and rehearsing the routines with the children. Linda and John Wenstrup again provided outstanding props and scenery. Last, but not least, thanks to the Moms (and the Dads too) for costumes, make-up and babysitting.

In Science Fair

Five Terrace Park students at Mariemont High School received "excellent" ratings in the recent Southwestern Ohio Science Fair held at Miami University. They were Brent Ballard, Naomi Fischer, Andrew Gilchrist, Jeff Kincaid and Mike Krachon.

Wins Sports Award

Krista Myslik, 721 Yale Ave., was one of four Ohio students winning athletic awards for the winter sports season at Bowdoin College at Brunswick, Maine. A member of the class of '92, she won varsity numerals in indoor track.

On Dean's List

Eliza L. Biederman, 130 Winding Brook, was named to the Cincinnati Technical College dean's list for the January, 1989, term which ended in April.
